Feel The Magic Sparkle

Students Feel The Sparkle

While enduring long hours of school and homework, students envisioned different ways of relieving their stress and tension. For many, spending time with friends was the answer. Others preferred a quiet moment alone. Some students enjoyed activities on campus, while others preferred off-cam-

pus activities.

Seniors Rob Durazzo and Rick Smyth were busy with a multitude of on-campus activities. Rob and Rick, as members of Student Council, worked diligently to increase student involvement in activities. "I enjoy being involved in school activities because it breaks the monotony of everyday classes and homework. By being a part of Student Council, I feel that I am directly involved in what is taking place at the school I attend," said Fall ASB President Rick Smyth.

Friendships provided a sense of stability and companionship for many students. Juniors Julie Lecesne and Jason VonArx enjoyed "getting away" on weekends together. Football and basketball games became a social gathering for other students. Seniors Daisy Berry and Julie Clement could always be found supporting our school," ex-

plained Julie.

Work provided a completely different atmosphere for Senior Ellen Adalian. She enjoyed working because it gave her a feeling of independence and responsibility. "By working, I'm gaining experience that will be useful after I graduate," said Ellen. "Along with the things I'm learning at school, I'm gaining valuable experience on the job that I couldn't get at school," Ellen added.

As the year came to a close and the weather showed signs of summer, Seniors Rob Cinco and Mike Duree spent much of their time at the beach. "I like spending my spare time at the beach because it's so relaxing there. I can just spend the day at the beach with a friend and forget about my many pressing responsibilities for a while," said Mike.

ABOVE LEFT: THE SPARKLE OF FRIENDSHIP—Cheerleaders Daisy Berry and Julie Clement share a moment of happiness as they watch the Ram football team defeat Poly, a win which brought the Moore League championship to the Rams. LEFT: CUTE COUPLE—Juniors Julie Lecesne and Jason VonArx spend a day together in Naples reflecting on memories they've shared together.

Some Things Never Change

Two thousand, six hundred and twenty-two students began their long journey through the "Pathway to Excellence and Integrity" on September 10, 1956, as R.A. Millikan High School welcomed its first class of students. A dream had been established; now stands a fine educational institution where there had once been nothing but bean fields.

Concerns of the first students were quite different from those of current students. Deciding the school colors (blue and gold) and naming the mascot (Robbie and Millie) were accomplished in a meticulous manner. They busied themselves with organizing the formals (dances) for Aries and Corydon and choosing the first Snow Queen for the Christmas season.

Ramhi spirit was expressed that year as football, baseball, and basketball all went to CIF.

Campus fashions in '56 ranged from wool skirts and cashmere sweaters to letterman jackets and bobby sox.

Many changes took place during the following thirty years. A new wrought-iron fence was added to keep out unwanted strangers as well as to add beauty to the campus. Students began speaking of Reagan instead of Ike Eisenhower and of nuclear power rather than the H-Bomb. But some things never change. Moving forward from the first anniversary to the thirtieth (diamond) anniversary, we continued the tradition of excellence and leadership in academics, sports, music, faculty, and activities.

Bonnita Vreeland '60

ALMOST FINISHED — Mrs. Bonnita Barwick shows her son Dennis what everything will look like after he makes the finishing touches on her Ferarri model. Dennis, a senior, agrees that this is his best one yet!

Dennis Donegan '60

STROLLING THROUGH THE PARK — Spending a peaceful afternoon in El Dorado Park with a pleasant breeze is what Dennis, his daughter Erin, and their dog Mitzi like best. Dennis was captain for the boys' gymnastic team in which he vigorously participated. Erin, a junior, enjoys the school as much as her father did.

THIRTIETH FEEL THE

Sharon Meltzer '59

"TAKE THAT, AND THAT ..." — exclaims Mrs. Sharon Sloan as she and her daughter Hayley show Matthew Sloan who's the boss. Sharon's husband, Matthew, was a Poly graduate while his wife, daughter, and two sons all proudly graduated from Millikan. Sharon is now a dedicated Travel Agent.

Ross Buckelew '59

YOU'VE HAD IT NOW — proudly pronounces Lisa Buckelew to her father Ross as they play an intense game of monopoly. "I really enjoy spending my extra time with my dad. It's interesting to hear about how Millikan was like thirty years ago," explained Freshman, Lisa Buckelew.

Jeannee Sanders '60

PERFECT PAPER — Mrs. Jeannee Schlumpf shows her daughter, Amanda, the perfect way to correct school papers. Jeannee enjoys her job very much as a third grade teacher at McGaugh Elementary School in Seal Beach. Amanda is a senior this year.

ANNIVERSARY MAGIC SPARKLE

Rams Feel The Magic

A certain aura filled the air as Rams graced the campus. From a big victory in the game of the year, to getting a great new job, to receiving the best grade in the class, many had reasons to feel good. Students worked hard and gave their best effort to be successful in school, as well as enjoy the experience.

Hard work and determination on the part of the football team paid off with the Moore League Championship. After a miraculous victory over Poly to clinch the title, Rams turned out in great numbers back at the campus to cheer and congratulate their team.

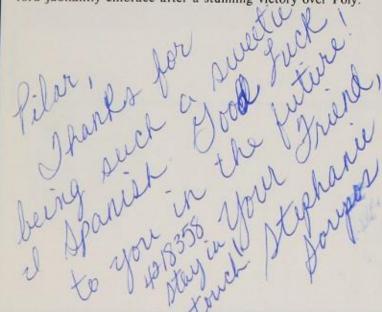

While teammates celebrated in the lockerroom, fans cheered outside, awaiting their exit. The victory gave Rams a magical thrill and a great sense of pride. Dan Hampton, along with many others, played a significant role in the big win. "It was the most exciting moment of my life," stated Dan, "but it wasn't exciting just for the team. The whole school shared in the magic!"

For some students, their success out of school gave them reason to celebrate. Wes Jackert, as part of the band Opaque Window, won a recording contract in a local club's contest. Wes saw his band's success flourish, performing more and more as the weeks progressed. The band's success came to a climax as it opened for a popular local group at Bosco High. Wes stated, "I never thought we would do so well, but I'm glad we did."

Rams found many ways to relax and enjoy their time out of school. While sitting in front of a fire at the beach on a warm night, Christy Manker, Steve Kumashiro, Kirk Brennan, and Jane Shea discussed the good things that occurred the past week. The attitude of good feeling and enjoyment displayed by the four was one felt by many.

As Disneyland's Magic Kingdom celebrated its thirtieth anniversary, so did Ramhi. This, combined with the addition of the new principal and many other exciting events, made this year a magic one.

RIGHT: WE WON — Dan Hampton and Coach Dave Radford jubilantly embrace after a stunning victory over Poly.

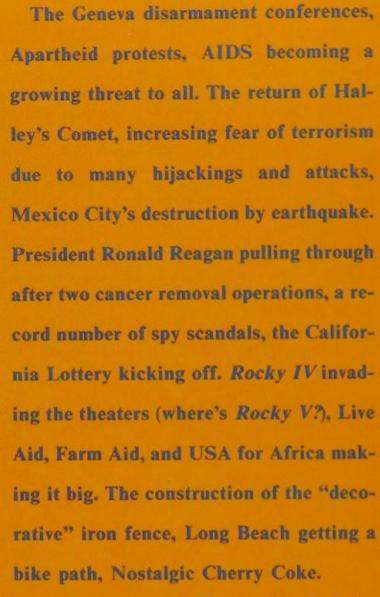

FAR ABOVE: THIRTY YEAR CELEBRATION — As Ramhi celebrated its thirtieth anniversary, so did Disney's Magic Kingdom. ABOVE: SING ALONG — While Senior Christy Manker roasts a marshmellow, Kirk Brennan and Jane Shea sing to the tunes of Steve Kumashiro at Bolsa Chica Beach ed a warm Friday night in December. LEFT: JAM SESSION — Opaque Window band members Wes Jackert and atminus Kevin Bartley practice for an upcoming concert.

Conroy makes another goal against Wilson's water polo team. DIAGONAL UPPER LEFT: "I'M SO EXCITED" - Kidettes perform their favorite routine to the band's version of the popular song by the Pointer Sisters in the rally before the Marina game, DIAGONAL MIDDLE LEFT: "IF WE WEREN'T AT MILLIKAN druggies we would be," shouts Allison Evans, Brandi Bertram, and Nancy Vamvakitis during an enjoyable skit at the Poly rally. DIAGONAL BOTTOM LEFT: ALL JAZZED UP -During the Wilson rally, the football players get time to "ham it up" in their own little skit.

Controversy Strikes Campus

While last year stories of a fence enclosing side entrances of the school were only rumors, the fence became reality as the decorative wrought-iron bars greeted students back to school in September.

Different reactions radiated around its construction. "The fence serves its purpose by keeping the students safe from uninvited guests," commented Senior Jackie Johns. In contrast, Junior Susan Dixon exclaimed, "The fence is totally unnecessary; it provides nothing more than a big inconvenience!" To go along with the varied opinions were the different colors that were desired. Discrepency between the school's choice and that of the neighborhood houses created additional work for painters until the dispute ended, returning the fence to its original color, black.

Off-campus clubs on campus remained a topic of discussion. Although such clubs were denied official approval for not functioning in accordance with school rules, they continued to make their presence felt. Sophomore Sharra Smith supported them, saying, "Off-campus clubs bring friends closer together, and they give students the chance to meet new people." Senior Jim Foster felt that, "Coming on campus would hurt the off-campus clubs. Many of the liberties they share would be taken away by school rules."

The newly adopted California State Lottery, whether viewed as legalized gambling, or simply a funding source for public schools, raised many opinions and concerns among students. Senior **Don Williams** questioned the effect it would have, stating, "They're selling over seven million dollars worth of tickets per day, and I have yet to see any benefit derived from it."

On the national level, fear of the terminal disease Acquired Immune Deficiency Syndrom (AIDS) escalated. Courts, lawyers, parents, and students debated whether children afflicted with the disease should be allowed to attend school. Senior Norman Kitano expressed his disapproval, stating, "Exposing an entire school to an AIDS victim would be endangering the well-being of innocent people." On the other hand, Senior Brandi Bertram stated, "A student cannot contract AIDS without certain contact. Therefore, students with AIDS should be allowed in school."

Just as movies are given a rating, advocates of Parents Music Resource Center (PMRC) proposed such a rating system for music. It called for outer labels to be placed on both records and tapes. Students were generally in agreement as negative reactions were common. Senior Rodger Keester summed it up, stating, "Censorship of records will lead to the censorship of other means of expression. The total censorship of creative expression would send America one step towards totalitarianism."

Different Places, Different Faces

There are many places within the United States to which people can travel and enjoy new experiences. Traveling outside of the country, however, can give an unrivaled understanding of foreign cultures and peoples through direct contact with them. Plenty of Millikan students were able to share such cross-cultural experiences during the past year.

A group of students, chaperoned by Mr. Carl Halsted and his wife, traveled to Japan for three weeks. The lucky group of students included Bob Brown, Cami Laines, Kristi Miller, Rob Durazzo, Pilar Soloman, Wes Jackert, Kelly Karlson, and Craig Baker. "Our trip to Japan was awesome! It was a total learning experience. We learned about Japanese cuisine and Japanese traditions. We even learned how to write our names in Japanese," remembered Senior Bob Brown.

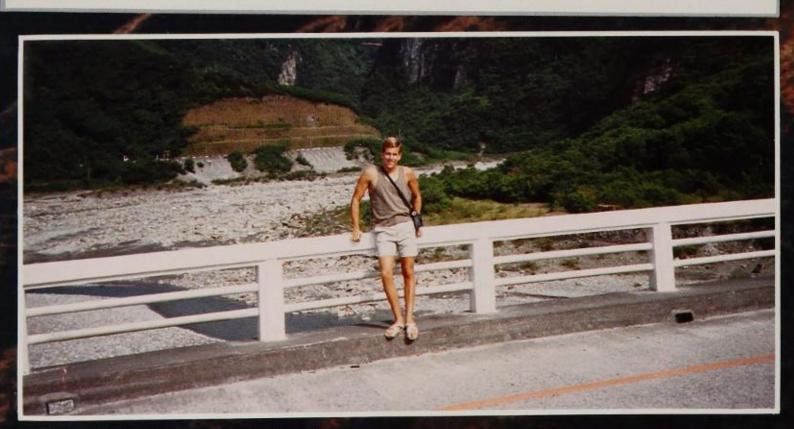

The group first stayed in a YMCA hotel in Tokyo, Japan. Kelly Karlson commented, "Tokyo is a very busy town. There are so many people on the streets that the sidewalks had to be made thirty feet wide." After visiting in Tokyo, the bunch ventured to Osaka, where they stayed in families' homes. There they visited ancient shrines and temples, as well as other historical sites, and along the way, "We ate a lot of rice," recalled Senior Rob Durazzo.

Another Ram that was on the move experiencing foreign culture was Senior Hayley Sloan. During the summer, Hayley journeyed to France for six weeks to learn about various aspects of its historical importance. Hayley had classes in French Art, French History, and French Politics, each taught in French! Along with fortynine other students from the United States, she spent three weeks in Paris, where she lived with a French family, and then traveled to Pau, where she stayed in a small village.

While in France, some of her favorite places were the Rodin Museum, the Jeu dePaume Musi and all of the chic and extravagant shops. "It was the best experience I've ever had," admitted Hayley. "I matured a lot during the trip and learned the true meaning of responsibility."

Two young ewes that have traveled more than half way around the world are Danya Flax and Lori Abramow. This past summer, the fearless twosome traveled to Israel to visit their spiritual homeland. During their six weeks in Israel they saw the famous Wailing Wall, the city of Jerusalem, and the Mediterranean Sea. Having studied Hebrew for eleven years, the girls carefully planned the trip many months in advance with a confidence that they would be able to get along wherever they went. The girls stayed in dormitories and hotels while on their journey around the country. Dana summed up their experiences by explaining, "We learned about our heritage, culture, and about the Israeli way of life. I feel like the whole experience brought me closer to my religion."

A Water Polo player at Millikan, Chris Krueger, joined an AAU team on a summer trip to Taiwan for twelve days. While in Taiwan, Chris enjoyed the many types of food and drink available. When it came to the athletic part of the trip, "We taught the Chinese how to play polo by destroying their team. Unfortunately, we had to learn a similar lesson from them in the subsequent swim meet. We were blown out of the water, but nothing could have made the trip less than enjoyable," reflected Chris. "The whole experience changed me. Everyone should get the chance to enjoy China."

ABOVE: WHERE AM I?? — Questions Senior Chris Krueger as he takes a break from a long walk over the Taiwanese river, Sang Lo Pan.

Rams Find Way Rams Find Way Entertained Entertained

"Five dollars!?!" exclaimed Senior Quynh Phan. Despite the escalating movie prices, Millikan students made their presence felt at the box office. The range in price from \$4.50 to \$5.50 didn't seem to affect their viewing habits. The Marina Pacifica, the most recently constructed theatre in the area, attracted many and appeared to be the favorite. Captivating the critics' and students' approval as well were Back to the Future, Agnes of God, Pee Wee's Big Adventure, and The Jagged Edge. For those who didn't mind the wait for their favorite movies to come out on video cassette, renting videos from music or specialized video stores was an inexpensive way to have a good time with friends at home.

Others elected to spend their nights out on the dance floor. Knott's Berry Farm's Studio "K" and Disneyland's Videopolis provided outdoor dancing with the popular music-video viewing set-up, and were among those most attended. "I go dancing every weekend. It's a nice way to end a hard week of studying," related Junior Deanna Mabry.

Whether planned ahead for months and waited upon with anticipation and tickets in hand, or decided upon at the spur of a moment, concerts were a high-light. Bruce Springsteen, The Thompson Twins, Tears For Fears, The Cure, Wham, Oingo Boingo, and The Alarm were just a handful of the musical artists who made Southern California appearances.

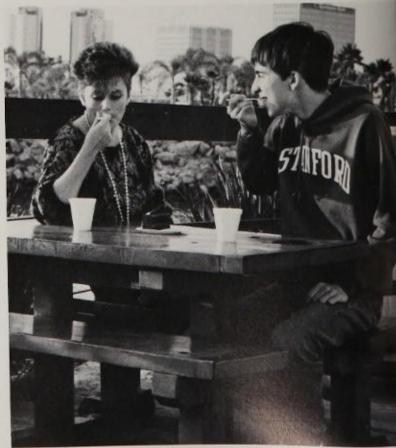

Bill Cosby's half hour marked a return to the classic sitcom; Cheers and Family Ties received rave reviews as well. Topping the list of dramas were the stylish Miami Vice and the double-punch of Dynasty/The Colbys.

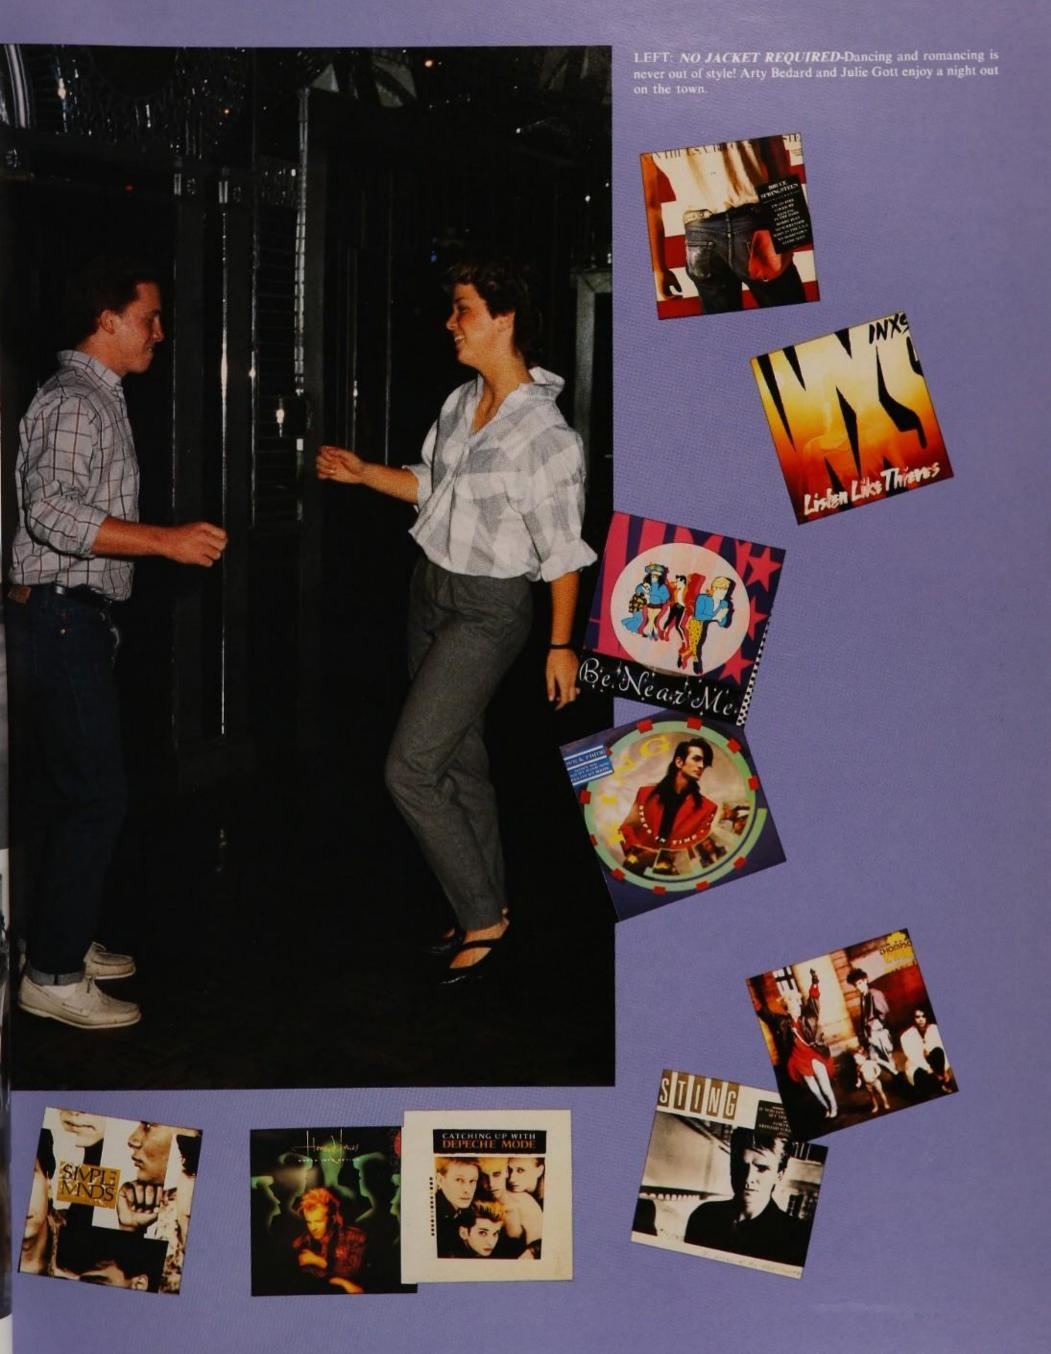

FAR ABOVE RIGHT: BLACK AND WHITE AND FED ALL OVER-Which is a better delicacy to Orky, the offered fish or Norman Kitano's fingers?! ABOVE RIGHT: FLAGS UP-Senior Mark Carter polishes off his competition on the tracks at Lit'l Indy. RIGHT: ONE IS NOT ENOUGH-Making decisions is often difficult, as Quynh Phan finds out when she chooses one too many video cassettes. FAR RIGHT: TIME OUT-Shoreline Village affords a relaxing atmosphere for Seniors Shelley Bruce and Phil Jones.

Rams Go On a Surfin Safari

As the late hours of Halloween rolled on, so did the Rams. Many committed Rams gave up their Halloween festivities to put the final touches on their floats and banners. Even more Rams turned out in the cold, early hours of November 1 to set up booths and decorate the campus. By afternoon the quad took on the image of a Hawaiian paradise with palm trees, flowers, sand, water, and, of course, surfboards. Students and alumni came dressed in bermudas, grass skirts, sun glasses, and leis.

The variety of food offered at Homecoming ranged from the ordinary Dance Club hot dogs and Spanish/French Club's nachos to the different Key Club egg rolls and Aquatic Boosters' shaved ice. Bytes Computer Club stayed with the theme giving away leis with the purchase of their Hawaiian fruit drink.

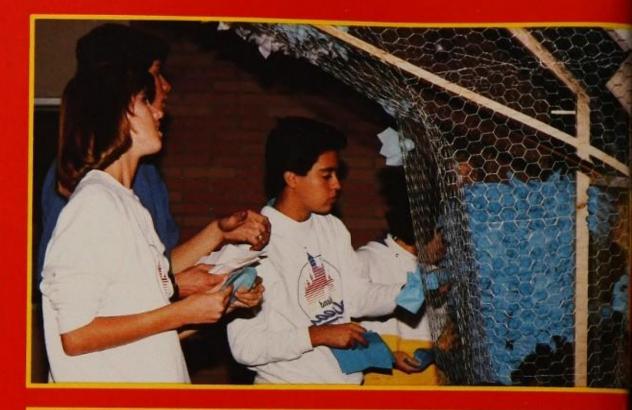

Carnival games included the traditional Amadeus Dunk Tank and Boys' Basketball's Austrailian Pillow Fight, along with Forum's new Football Toss.

As the day continued, festivities moved to the stadium for the Homecoming pep rally. Old and new Rams turned out to cheer and perform.

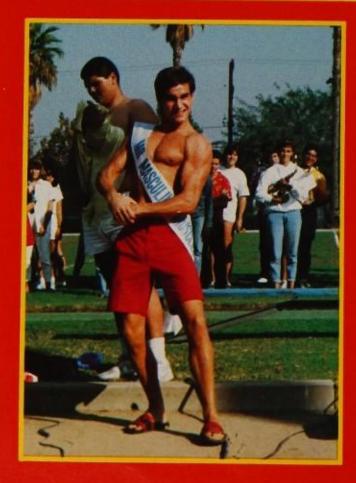

The day was topped off as 1973 Varsity Cheer Alumni Mike Vreeland lead the crowd in the popular cheer "Battlecry", and D.C. Conroy was named 1985 Mr. Masculine Muscles.

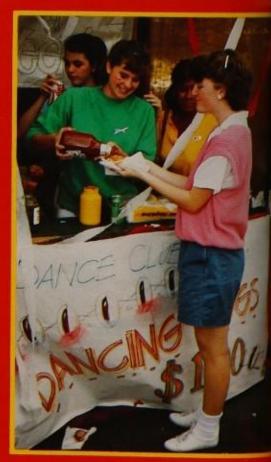

Best float honors went to the Senior Class for their radical Robbie Ram, decked out in bermudas and shades, taking on a killer wave. Success of the float was due to the hard work and creativity of Senior Class Council members, headed by Tim Leslie. Other honors went to Girls' Gymnastics for Best-Decorated Booth and the Senior Class again for their pizza sales.

FAR ABOVE: LAST MINUTE PREPARATIONS-Senior Class Council members Melissa Colburn, Tim Leslie, and Ken Monreal work tediously in putting the final touches on their float during a cold Halloween night. ABOVE: REMINISING-Alumni Mindy Williams and Dana Shuler discuss old times with Mr. Stone during the Homecoming carnival. RIGHT: STRIKE A POSE-Mr. Masculine Muscles D.C. Conroy flexes for an exuberent crowd at the Homecoming rally. FAR RIGHT: POURING IT ON-Sophomore Susan Fannin pours an extra helping of ketchup on Senior Cari Peterson's dancing dog.

LEFT: ANTICIPATION-While in the dunk tank, Mr. Sullivan nervously awaits Junior Pat Zastrow's toss. ABOVE: RADICAL ROBBIE-Senior Class' winning float displays Robbie Ram taking on a killer wave on the beaches of Hawaii.

Correa Catches The Crown On a Wave

Electricity filled the Air as everyone anticipated the announcement of the 1985 Homecoming Queen. Screams of joy and the echo of applause burst forth from the stadium as Julie Correa was revealed to be the year's Head Of Homecoming Royalty. Holly Delanty, Homecoming Queen of 1983, was present to place the crown upon Julie's head.

Before the coronation, all of the princesses rounded the field in flashy Mercedes Benz Convertibles, which were provided by families and friends of the school.

Halftime was again a climactic moment of the evening. The Ram Marching Band and Kidettes performed to the theme, Surfin, Safari. The band played a medley of Beach Boy's songs while the Kidettes "Surfed" on the field. For the finale, a Ram-Shark stalked and terminated a Jordan "Pink Panther".

The football team did the same thing to the Jordan Panthers that the shark did to the pink panther. When the hard-hitting game was over, the Rams prevailed, 50-12. After the slaughter, the Panthers walked off in silence, and the mighty Rams PARTIED.

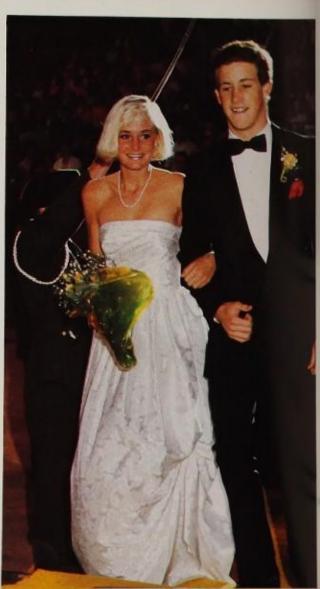

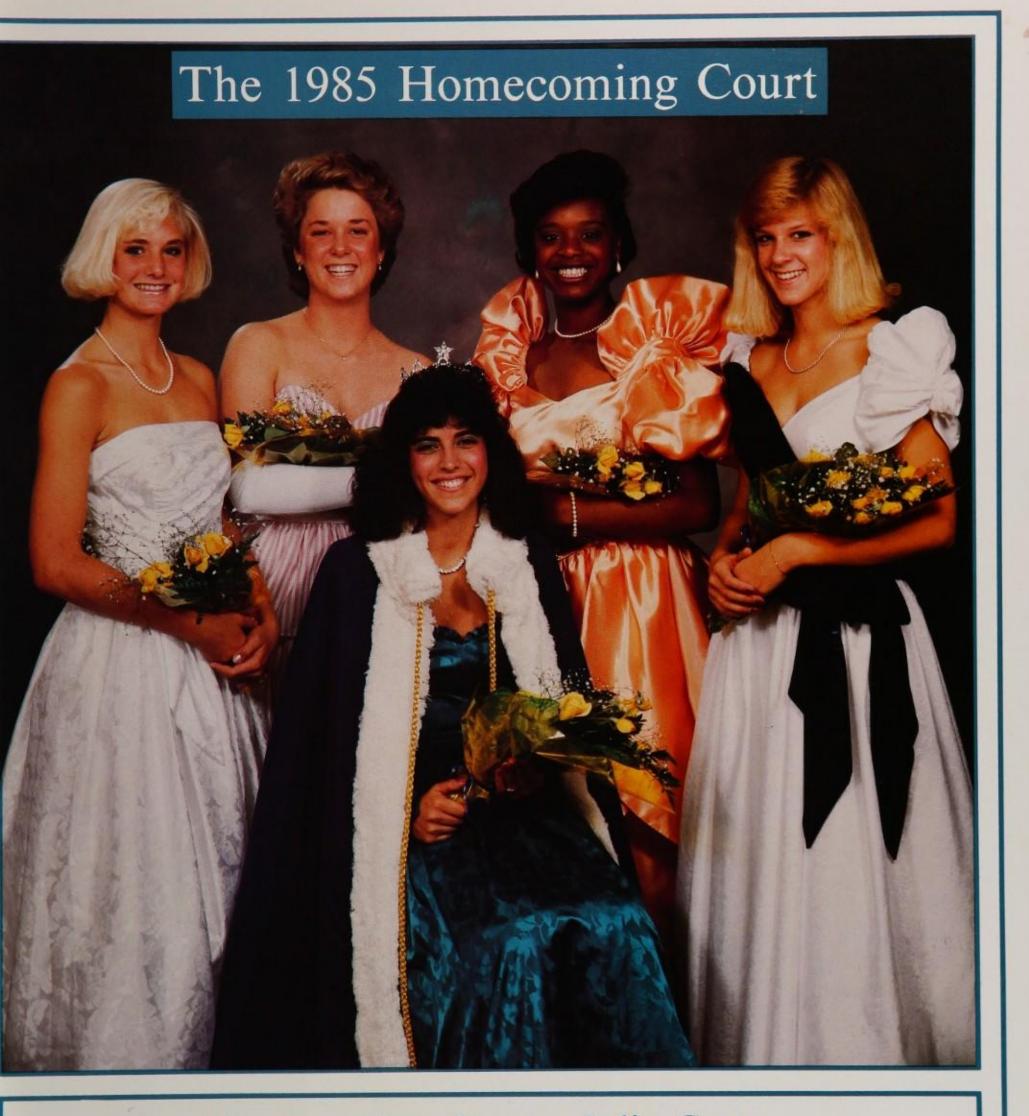

FAR ABOVE: ON TOP OF THE WORLD-Homecoming Queen Julie Correa and her escort Aaron Sullivan enjoy their very special vantage point as they watch the Rams pummel the Panthers. MIDDLE: DEEP CON-CENTRATION-Brother and escort Matt Gott politely opens the shiney door for his

Homecoming Queen: Julie Correa Senior Princesses: Tammie Holt, Julie Gott Junior Princess: Susie Odell Sophomore Princess: Sharra Smith

Good Golly... H's the Weekend

After a very hectic week, from out of nowhere, it hit everyone: the weekend.

People filled the stadium to watch their favorite team become Moore League Champs. Others took out their special someone to see a suspensful movie such as *The Jagged Edge*. By 12:00 A.M., everyone could be found getting a chicken combo or "free" fries at Naugles. "It's great to end the night talking to your friends," exclaimed Senior Ralph Lakin.

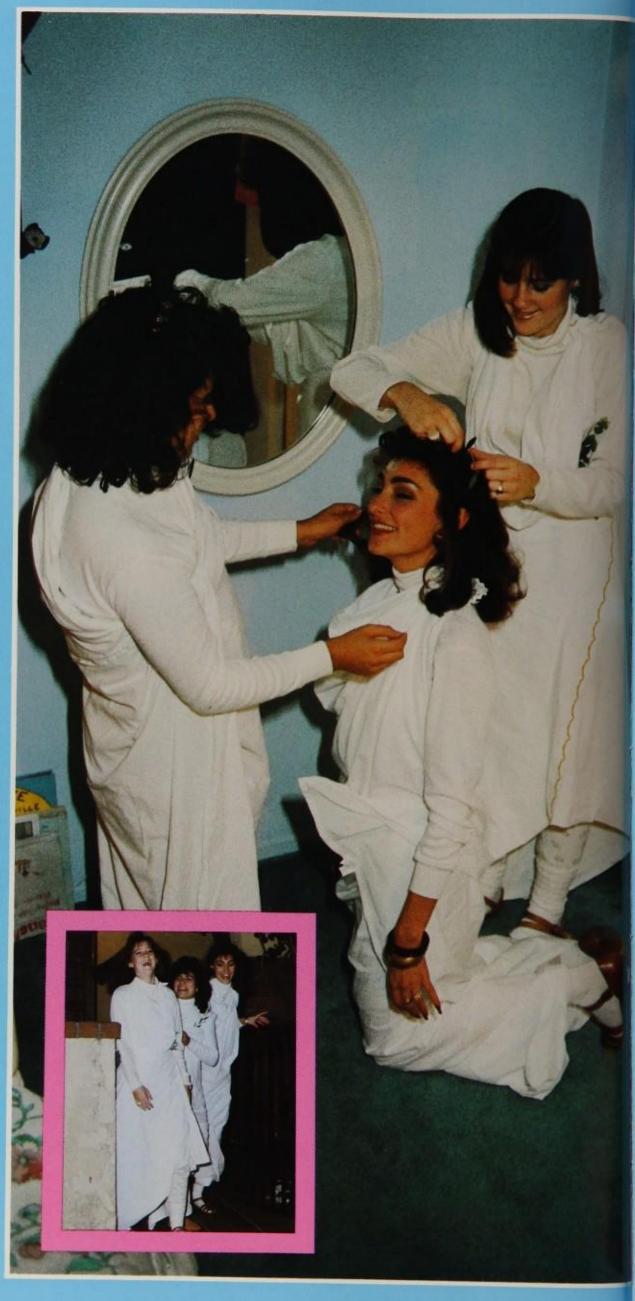

Saturday morning often provided an excellent weekend activity: skimming over the snow-carpeted slopes at Snow Summit. Ski bum Mark Dennis remarked, "The season opened earlier than ever. I loved it!!" Financing a downhill ski trip was sometimes a problem, but real snow cats like Aaron Sullivan somehow found the "dough" to go.

Yet weekends weren't weekends without the "famous" Millikan parties. Themes ranged from Toga-Fun to a Hawaiian Bash. Date parties were also a favorite. Sometimes parties raged as early as 7:30 P.M. At almost every party Tony Alvarez could be found "bouncing" the uninvited out.

Weekends weren't always a time to relax and have fun. There were the compulsory chores, chores, and more chores. There was always the lawn to mow, the car to wash, and the "pig sty" to be made a room again. Karen Oleson cried, "I can't find my bed after a week of school. The room is a mess." The "Wait-till-the-last-minute" person could be found Sunday night beginning the term paper due Monday morning. "There was never enough time on weekends for homework," said a worried Lisa Spruill when she hadn't finished her history essay one weekend.

Whether skiing, surfing, partying, or working, frustrated students flushed a week of school out of their systems with close friends. Susan Hammond summed it up by saying, "Weekends were made to be with special friends."

RIGHT: TOGA AND TURTLENECKS-On a cold and rainy night in November, Nancy Vamvakitis, Cami Laines, and Kelly Kaiser dress warmly for an outside toga party. INSERT: HERE WE COME-The three leave to tear the town apart.

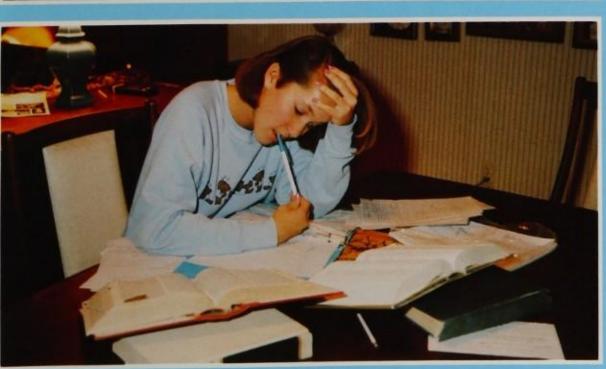

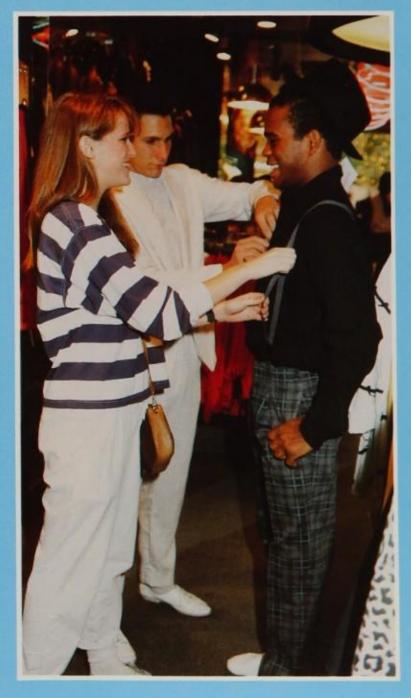

FAR BELOW LEFT: 1:00 MONDAY MORN-ING ...-and still Sophomore Ann-Marie Manker is not finished with her vocabulary notebook due first period in Mrs. Emerson's class. FAR BELOW RIGHT: SNAP-PY!-Senior Julie Clement adds the finishing touch, suspenders, to a classy outfit on Cliff Mosley. MIDDLE LEFT: GO BIG BLUE-Ram Fans Juan Allas, Sanjit Toor, Heather Finstuen, Kirk Brennan, Jeff Gott,

and Julie Gott watch eagerly as the football team progresses to a stunning victory over Poly. BE-LOW: "I JUST MOWED LAST WEEK"-thinks Senior Rick Smyth as he reluctantly mows the lawn for the second time in two weeks. LEFT: "WAIT! I SEE SOMETHING PERFECT!"-exclaims Tracy Smith as she reaches for a sweater for Craig Baker at Attractions in Lakewood Mall.

Brooches Hit Big Time

"A brooch gives my outfit a perfect touch of class" exclaimed Senior Tracy Smith. A vital part of an outfit such as Tracy's also consisted of an oversized shirt, buttoned to the neck. This type of apparel was just one of the many and diverse fads and fashions. Jewelry seemed to be an especially popular way to accent any outfit or "costume".

A fashion innovation of the sixties, the paisley returned on campus as a dominant design for earrings, patterned pants, and printed shirts and dresses.

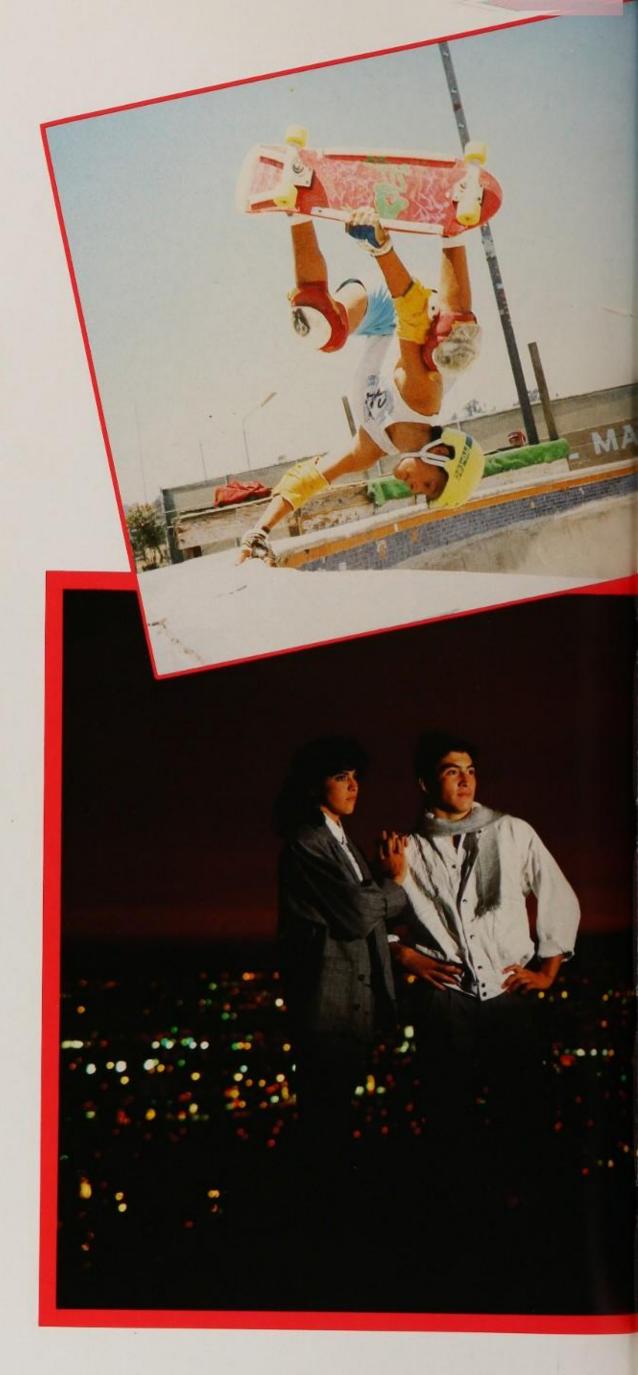

Another fashion trend was the ordinary t-shirt or sweatshirt, displaying a prominent name such as Gucci, Georgio, or Fila, which were favorites; while Guess, Hard Rock Cafe, and Reeboks were also popular slogans.

Outerwear became an essential part of a fashionable wardrobe. Furline-hooded flannel jackets, club and college sweatshirts, and Pepster and Letterman's jackets were considered the "coolest".

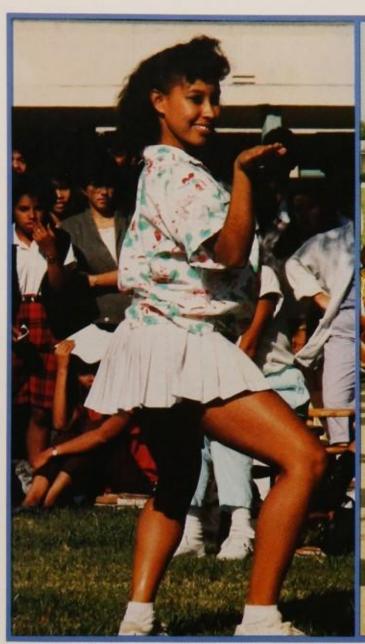

Some fads reappeared with great gusto. A fresh epidemic of skateboarding hit the campus. Many students rode their boards to school so that they could skate in the Quad after hours. Junior Chris Lee explained, "There are a lot of places on campus where I can do board tricks." Jumping off the auditorium steps, hand-plants at the falg pole, or board-slides under the 900 building were a few ways for skateboarders to get excitement.

Another fad grew out of an old tradition-the fun of giving and receiving gifts and cards. And the latest thing in gift cards was the computer poem. The Computer Poet at Dreamer's Hallmark was a popular source. One simply gave the computer information about the person who was to receive the poem card, and it printed out a "perfect" poem.

ABOVE: GETTING A GRIP-Junior Steve Saiz pulls off a handplant at Del Mar Skate Park in early September. RIGHT: SUMMER NIGHTS, SUMMER LIGHTS-After a night on the town, Senior Julie Correa and Junior Mando Ramos take in the panoramic scenery of Signal Hill.

TOUCHDOWN-In the Homecoming rally, Nancy Vamvakitis performs to Mr. Touchdown with alumni flag girls.

FLAG

SONG -

Pepsters Accept Change

While the Pepsters enjoyed many of the yearly traditional activities, they were also faced with some new experiences. The first of these experiences came during the summer when the Pepsters attended cheerleading camp in Irvine, rather than the camp in Santa Barbara the squads had traditionally attended. Flag girl Kathy Krull remembered camp as being a positive experience as she said, "It really didn't bother us that we had to go to camp in Irvine. We were just looking forward to learning new routines, as well as having fun and getting to know each other better."

While the Pepsters performed traditional school songs with the band, they also performed rally routines to the live music of the band. Each week one group performed to taped music, while the other group performed to band music. "The first couple of weeks were difficult to adjust to because we had never really coordinated routines with the band before," said Senior Cami Laines, "but after we got used to working together, everything was fine." By using more live music, the Pepsters raised crowd enthusiasm at rallies and provided a variety

of entertainment for fellow students.

Kelly Kaiser and Melissa Colburn held the first Pepster banquet, a Mexican fiesta, before the game against Schurr. These banquets were Izumi Arai's favorite activities. She commented, "The banquets gave us time to be together before the game. We all got really excited for the game, and everyone became enthusiastic as the banquets provided us with a sense of unity."

Other than the school activities that the Pepsters attended, the group shared many other fun times together. "We had slumber parties after games, and we always had fun just being together," said Song girl Hayley Sloan. "By supporting school activities together, we became close friends and shared wonderful experiences that we'll remember as the best times of our senior year," Hayley added.

OPPOSITE PAGE TOP LEFT: FLAG GIRLS-Izumi Arai, Teri Kirkwood, Nancy Vamvakitis, Michele Massey, Kathy Krull, Kelly Kaiser. OPPOSITE PAGE BOTTOM LEFT: SONG GIRLS- Daisy Berry, Christine Medina, Karen Oleson, Hayley Sloan, Cami Laines, Melissa Colburn. LEFT: PICTURE PERFECT-Song girl Christine Medina displays perfect form while performing a song routine to "Meeting in the Ladies' Room".

Varsity... "That Is We"

The lights dimmed. The curtain went up. The song "Don't Go" by Yaz echoed through the auditorium as Varsity Cheer began to perform. This cheer to music at the All That Jazz Festival in October was one of the highlights of the football season as was a skit in which selected members of the Varsity Football team joined Varsity Cheer in "Gotta Rock."

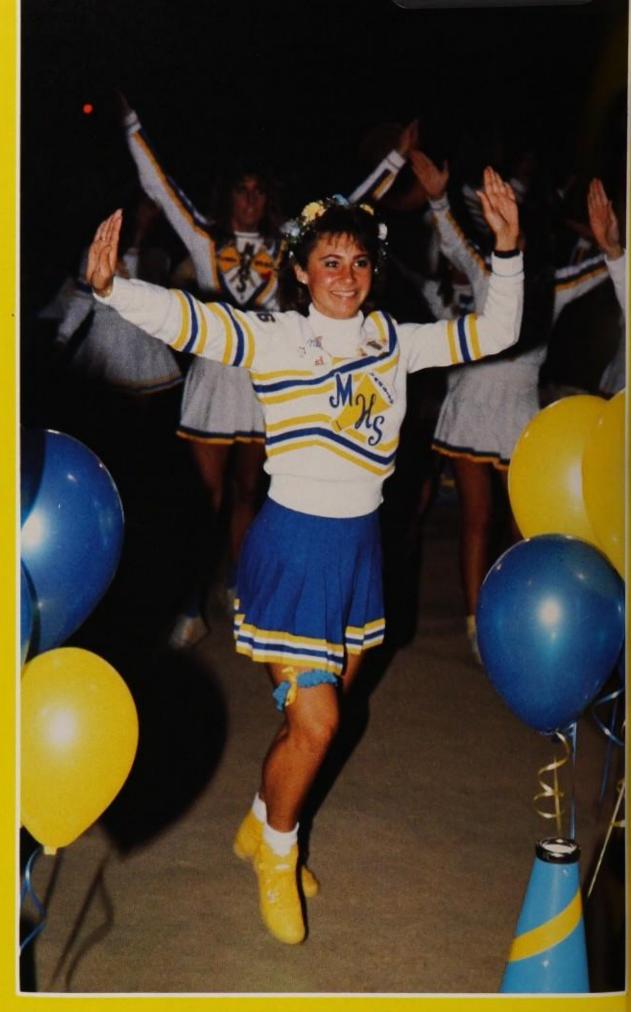

The cheerleaders acquired many new traditions throughout the year. The squad chose blue night skirts as opposed to white, and gold hightop Reeboks instead of the traditional Nikes. Potlucks were also held before games at one member's home. "Potlucks helped to bring us closer together and pump up our spirit for games," commented Co-Captain Tracy Smith.

Varsity Cheer and the mascots attended Spirit Camp in August at U.C. Irvine instead of Santa Barbara as in previous years. Head Cheerleader Tammie Holt remarked, "Although we lacked the close environment of Santa Barbara, we still had a good time while working hard to learn valuable chants and cheers." Hard work and much enthusiasm paid off when the squad was awarded a "superior" trophy as well as a spirit stick for their efforts.

Varsity was not the only group awarded top honors at camp. Mascots Amy Dale and Angela Packer were chosen as the most outstanding mascots of all the schools represented at Irvine. Their dedication was evident in their hilarious skits and routines to such songs as "The Bird", "Shout", and "Surfin' Safari."

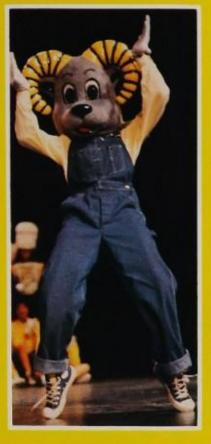

For the second year in a row, only girls were chosen to be mascots. Angela Packer portrayed Millie Ram, Tuesday Moore was Robbie Ram, and Amy Dale was both Robbie and Millie. In summarizing the year, Angela Packer exclaimed, "The three of us had so much fun! It was an experience I will never forget."

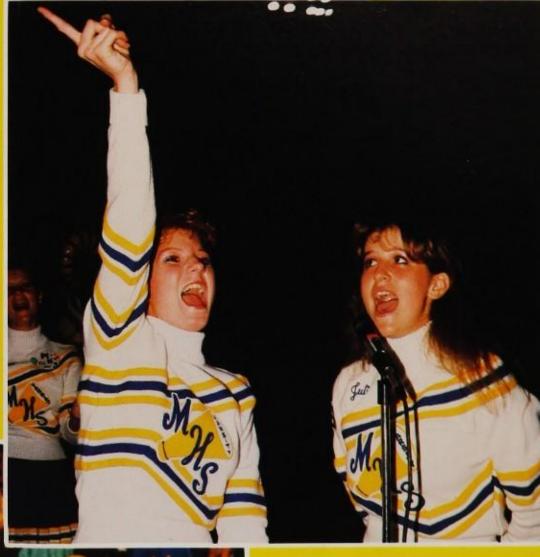

ABOVE RIGHT: GO, YOU MIGHTY RAMS-Nichelle Pegan flashes a bright smile as she performs to the band at the home-coming game against Jordan. The Rams went on to defeat the Panthers, 50-12. Heartbreaker.

Kidettes Dance To New Tunes

Under the direction of fourth-year Adviser Gloria Potocki, the Kidette Squad took on a new look. Dance steps were added to the routines to create new moves and formations. "The new dance moves seemed to add spunk to the routines," stated Junior Julianne West.

"The Squad was reduced to twenty-nine, which made teaching the routine's easier," commented Co-Head Kidette Kumi Toyoda. Having to spend less time learning the routines, the Squad was able to perform to many different songs. Included among their routines were I'm So Excited, Jump, and Heartbreaker.

Dressed like surfers with sunglasses, the Kidettes dazzled the Homecoming crowd with their performance to *The Beach Boys' Medley*. Surf boards and beach towels added to the *Surfin' Safari* Homecoming theme. "Our enthusiasm added to the festive mood created by the theme," added Junior Rachael Richardson.

Along with performing at rallies and halftime shows, the Squad, lead by Head Kidette Wendi McLendon, displayed their routines in competition at Mission Viejo and Norwalk. At Mission Viejo, the Squad's routines included Let's Hear It For Me and Strike Up the Band. After the conclusion of their last routine, the Kidettes received a big round of applause from the crowd. Two weeks later, the Squad participated at a Norwalk Tournament and received third place for their performance. "The long day and night practices prepared us for competition," commented Junior Maureen Petruncola.

ABOVE LEFT: FUN, FUN, FUN!-is what Junior Julianne West says as she performs to The Beach Boys' Medley during the Homecoming rally. LEFT: I'M SO EXCITED!-says Senior Tina Hemmings during the halftime show of the Lakewood game.

Due to population changes in Long Beach, schools experienced a greater racial mixture of students than in the past. A decade ago, Millikan was more than ninety percent Caucasian.

Current figures showed Caucasians comprised little more than fifty percent of the school's population. Seventeen percent of the student body was Asian or Pacific Islander, seventeen percent was Black, thirteen percent was Hispanic, and two percent was Filipino.

Adapting to new environments can be difficult; however, this did not seem to hinder the involvement of many students. Performing arts, athletics, and Student Government benefitted greatly from the diverse talents of the population.

Violinist Nana Mizuguchi added to the orchestra with his musical talents while Rick Mizuguchi demonstrated his musical ability on the cello. Kumi Toyoda, Ponciana Tostado, Renita Taylor, and Tammie Holt participated in advanced dance.

Cliff Mosley, Ed Robinson, Ken Tuliau, Bob Crane, and Tony Alvarez led the Varsity Football Team to many victories.

Rick Smyth, Quynh Phan, Izumi Arai, Lorena Ramirez, and Pam Smith represented the population in Student Government.

"Exposure to the multiplicity of nationalities, cultures, and racial customs is beneficial to both students and staff," stated Mr. Bill Caswell, English teacher.

OPPOSITE PAGE: SMILING FACES-The "melting pot" population of the Millikan "family" is exemplified by this group. FAR LEFT: A PIECE OF CAKE-Senior Nana Mizuguchi practices after school to prepare for the Fall Music Concert. LEFT: WITH A LITTLE HELP FROM HIS FRIENDS-Senior Bob Brown receives help from Dennis Salem, Nisha Givens, and Ponciana Tostado before a Spanish test.

Rams Find Time For Fitness

Once again, physical fitness was an important part of students' lives. Good health not only aided students physically but added to students' overall mental health.

Trendy types of exercises such as video tapes or records were not needed as students utilized oldfashioned forms of fitness such as jogging around their neighborhood or working out at school.

"I sometimes workout in the school weight room and run on the bleachers," commented Senior Dan Hampton. The school's equipment and weight room proved to be an effective and convenient method of attaining physical fitness.

School-related activities also helped students to keep agile and limber. Junior Erika McKee explained, "I no longer dance outside of school because I have no time, but I'm in Advanced Dance here at school."

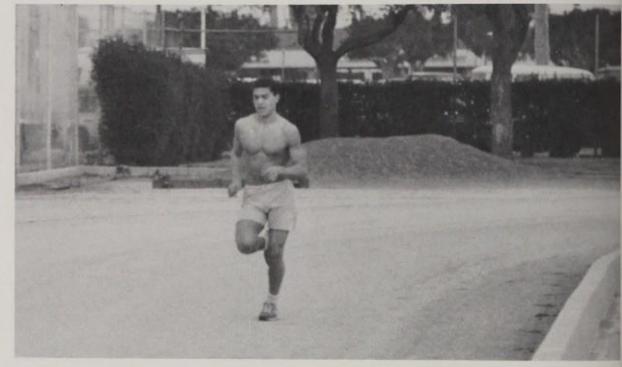

Although Millikan was a great place to workout and build up physical stamina, students recognized neighborhood parks and gyms as sufficient sources for exercise. Because of lack of time on school days, it became increasingly important to find easy access to simple exercising methods near students' homes. Senior Barry Simpson remarked, "I was involved in football, but in the off season, I exercised at my house and also at El Dorado Park."

Many students were determined to keep a weekly regime of physical activity no matter how rigorous their schedule proved to be. "I play tennis everyday, bike about 80 miles a week, and do aerobics about three or four times a week," stated John Tormey.

Students maintained a healthy attitude toward physical fitness. Many students valued strength and endurance as an important factor in keeping high spirits at school and viewing their own life in a positive way. With the demanding schedule of many students, physical fitness, with all of it's hard work and dedication, proved to be an effective tool of relaxation at the end of a rigorous day.

Simple Eating... Fine Dining

From fast-foods to gourmet dining, eating out became a favorite pastime for many students. The foods they ate were new and diverse. For a quick bite to eat or for a nice, relaxed evening, students

had many reasons for dining out.

"Going out to eat gives me the opportunity to try new and exciting foods," remarked Senior Heather Finstuen. Eating was a way for students to explore different cultures while enjoying fine cuisine. Trying different foods gives people a chance to learn about cultures other than their own," stated Senior D.C. Conroy.

People also enjoyed eating to get their minds off other activities. "It helps me relax and get my mind off of homework," confessed Senior Kirk Brennan. A quick trip to Penguin's for frozen yogurt became a popular way of getting out of the house for a while and getting one's mind off homework, among

other things.

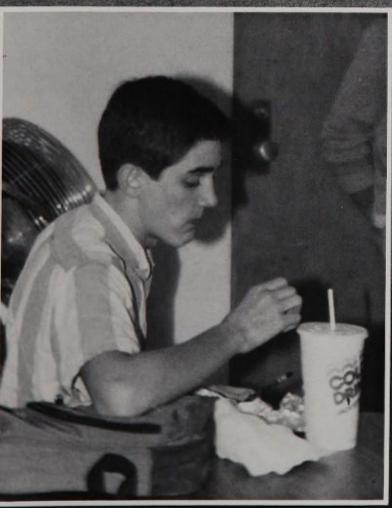

Favorite fast-food places frequented by students included Naugles, McDonalds, Arby's, Jack in the Box, and Taco Bell. Favorite ethnic foods ranged from Japanese and Norwegian to Spanish and Mongolian. "Foreign foods are a real treat!" remarked Senior Phil Jones. "Cuban food really picks me up when I'm depressed and gets my mind off anything that might be troubling me," Phil added.

Senior Tim Collins summed it up by saying, "Eating out is just an excuse to go out with friends and have a good time."

OPPOSITE ABOVE: BIG DECISION — Spending a night on the town, Dave Fratello and Heather Finstuen enjoy a romantic evening at El Torito. BOTTOM: TASTY BURGERS—On a brisk day m fall, Steve Kundar and Jon O'Brien enjoy lunch at McDonalds.

Long Beach Spankles

Taking advantage of numerous entertainment sites, students found several ways to enjoy themselves in Long Beach. With recent revitalization projects in full force, the city's older downtown areas — once a distracting eyesore, were now becoming new places to see and explore. One such place was the relatively new Long Beach Mall. With its two levels of stores and restaurants in an attractive nautical setting, the mall was definite competition for others in the area. "I never knew the mall had so many unusual stores to choose from," commented Senior Julie Clement. The more traditional window-shopping spots such as Second Street remained increasingly popular with students, especially for the exciting nightlife they offered.

Plans were being finalized for two of the city's largest endeavors in recent history. The most outstanding of these was the construction of a \$500 million World Trade Center. When completed in 1988 the Center will include a large hotel, restaurant, and retail stores in addition to several floors of office space. Secondly, the construction of a Light Rail Transit System began, connecting Long Beach with Los Angeles in minutes. It is scheduled for completion sometime in 1988 as well.

Students also took advantage of the many cultural activities their city had to offer. Making its return to the Terrace Theater, the Long Beach Symphony performed selections from classical composers to the delight of many who feared that a once-popular institution might never play again. Live theater was enjoyed by many as Seniors Guy Short and Anna McCarthy participated in the Community Playhouse production of A Christmas Carol in December. Another cultural discovery could be found at the Art or Bay theaters which showed unique foreign films from all over the world. "I enjoy the films and think it's great that we have them right here in Long Beach," stated Senior Hayley Sloan.

Long Beach held many surprises for those who took the time to explore and appreciate what their city had to offer.

ABOVE RIGHT: SUNRISE — Junior Eric Larson and Sophomore Candi Fedak take advantage of an unseasonably warm January morning along the beach. RIGHT: SUNSET — Taking time out to contemplate the day's events, Senior Lance Ondrick and Junior Brina Bolanz enjoy a sunset together.

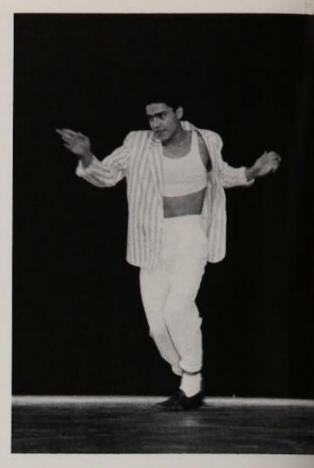

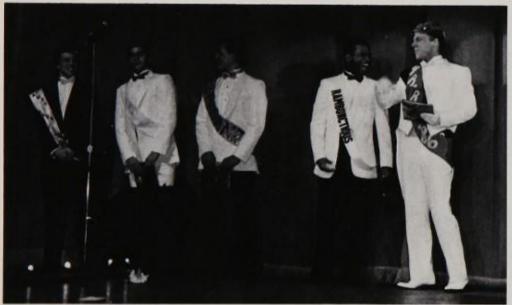

LEFT: "DECISIONS, DECISIONS" — thinks Senior Jackie Johns as she contemplates buying a new sweater at her favorite store in Long Beach Mall. BACK ROW: Dan Hampton, Rick Smyth, Tony Alvarez, Tim Periman, Michael Lawrence, Wagner Montiel. NOT PICTURED: D.C. Conroy, Lance Ondrick.

Ondrick Wins Lights Out

"I think the contestants were the best they have been in my four years," exclaimed Senior Daisy Berry. The Ninth Annual Mr. Ram Pageant proved to be another exciting one as twenty-three contestants paraded, flexed, and performed for an uncontrollable crowd. After competing in four catagories: formal wear, talent, muscles, and verbal responses by the finalists, host Mr. Mike Monaghan revealed Lance Ondrick as the 1986 Mr. Ram. The runners-up were Carl Thompson III, D.C. Conroy, Cliff Mosley, and Rob Durazzo.

Lance, who was sponsored by Boys' League, ran into a problem during his talent act, an original rap and a dance to *The Point of No Return*. His strob light failed to work, making it difficult for the audience to see him.

What Lance lost in talent, he more than made up for in the muscles competition. "Going into the competition, I never dreamed that I would actually win," commented a shocked Lance, immediately following the pageant.

Singing was the most popular way for the contestants to display their talent. Other methods included a rap by Rick Smyth, a tap dance to Me and My Shadow by Tim Collins, and a breath-taking karate exhibition by Tony Alvarez. After Bob Brown's vocal rendition of To Fill Our Empty Hearts, he stated, "I speak for all the contestants when I say that having a good time, not winning, was the main objective of the competition."

ABOVE: THANKS — says Jeff Gott as he receives bouquets of flowers from his fans.

Spirit Soots For New High

"Fill, fill fill!!" exclaimed Sophomore Kim Hiatt, as a group of friends anxiously filled out cards at Kim's house to further enhance their chances of being the big winners of the High School Spirit Contest, sponsored by KIIS-FM. As the students pulled together in a two-and-one-half-week effort, Millikan managed to send in approximately 204,000 post cards to rise to eighth place overall in the contest.

The annual event of the Winter Affair was held in early February at the Elks' Lodge. Instead of the traditional D.J. music was provided by a Video DJ who played videos on a huge screen. Senior Rob Cinco recalled, "I really enjoyed the Video D.J. because when I got tired of dancing I sat and watched the show."

More than ever, limousines were rented to take the couples from dinner to the dance. "The limo gave the evening and extra special feeling," remarked Junior Mike Sherain.

The Red Cross Blood Drive was held in March, and approximately 31 students and faculty donated a pint each. "I think donating blood is a worthy cause that everyone should contribute to," mentioned Mr. Mike Monaghan. Other donors were Seniors Bob Brown, Tracy Smith, and Susan Kending.

The Effective Living weddings, hosted by Mr. Forrest Zimmerman and Ms. Nadine Hyams, were more elaborate than ever. Many couples wore matched dresses and tuxes. The weddings also had some special touches added this year. One was the special singing by Seniors Jeff Gott, Anna McCarthy, and Ken Monreal. An arch covered with flowers was donated to add special beauty to the event.

Other special events of the year included the Rally Stage Candy Sale and the Spring Talent Show.

"Just You and I"

"Hi, is Tracy home?"

"Yes, this is Tracy."

"Tracy, this is Aaron. What are you doing to-night?"

"Nothing."

"Well, how about catching a movie at a drive-in?"
"That sounds like a great idea, Aaron!"

"OK, I'll pick you up at seven in the Party Bronco."

This was a common way for many casual Millikan dates to start. Many times, groups of friends went out together so that they could enjoy the company of a larger crowd. As Senior Cliff Mosely said, "These times allowed us to get to know each other better, and often times new relationships were born."

Shoreline Village proved to be a new hot spot for those couples who had been going out longer. Maureen Petruncola commented, "I loved going someplace by the ocean because it was so romantic."

The big change in dating this year was the fact that there were less one-on-one dates and more outings with a friend. "Right now, I don't want a commitment. I just want someone I can go out, talk, and have fun with," said Kelly Kaiser, who expressed the new attitude felt by many.

ABOVE RIGHT: SNAKE EYES - Senior Tim Collins hopes to land on a pie-winning question in Trivial Pursuit, while Seniors Keith Ladd, Nancy Vamvakitis, Susan Hammond, Hayley Sloan, and Rodger Keester try to give him the evil eye. LOWEST ABOVE: A STEADY HAND — Sophomore Sharra Smith sets up to smash a sizzling forehand across the net to her waiting opponent.

VARSITY FOOTBALL

League Looks As Rams Score

Launched into a successful Moore League campaign by a 32-12 pre-season win over Warren, the Rams opened with a 27-0 rout of Wilson and finished with a shocking 15-13 victory over Poly.

"Our team is able to pick up from adversity and continue to play good football in spite of injuries," said Head Coach Dave Radford. With Senior Perry DiMarco out for the season with pulled ligaments in his knee, players such as Junior Armando Ramos and Senior Bob Brown took the reins of leadership.

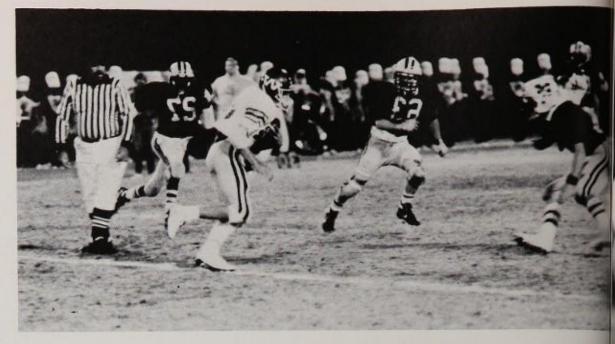

A three-yard run by Senior Clarence Rogers capped the scoring in the sound 42-18 victory over Compton. Senior Defensive back Clarence Wilson intercepted a pass with 90 seconds left in the game to thwart a Tarbabe drive and raise the Moore League record to 2-0.

Team experience and offensive consistency were the catalysts in the slaughter at Homecoming. Senior Quarterback Cliff Mosley, who received the "All Around MVP Award," tied a school record with four touchdown passes, all going to Wide Receiver Ed Robinson, who finished the night with 209 yards in the 50-12 victory over the Jordan Panthers.

The Donice Hamilton Trophy was snatched from the Rams despite the tenacious second-half defensive play of Seniors Dan Hampton and Defensive MVP Arty Bedard. The loss to Lakewood set the stage for the Moore League finale.

"We're going to need some devine intervention and the kind of breaks you get in a game only once every two or three years," commented Coach Radford. Someone must have been listening because the Rams rose to the occasion. With a safety in the first quarter of play came the first points of any Moore League team against Poly. But that's not where the scoring stopped. After a fierce see-saw battle through four quarters, it came down to the last minute of play. Then, the defensive play of the game — an interception by Bob Brown. Cliff Mosley hit Offensive MVP Ed Robinson from 12 yards out to put the Rams ahead 15-13 with 13 seconds left to play. Time expired, and the Rams came out with a piece of the Moore League Title.

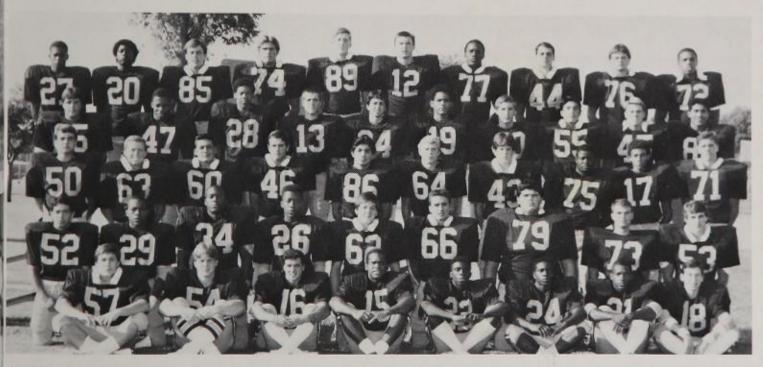

MIDDLE RIGHT: LOOK OUT! — Senior Clarence Rogers blasts through the hole on the first scoring drive against Poly. BOTTOM RIGHT: NAILED — Sophomore Robert Crane tacks on one of his nany extra points against Jordan.

Rams Go Out Early But Proud

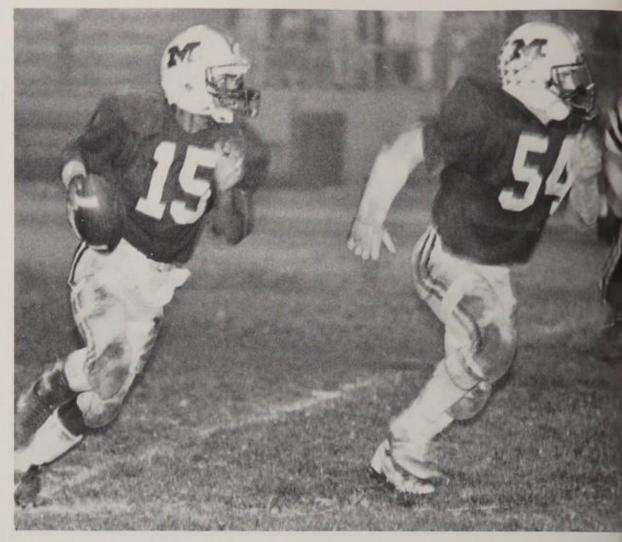

"When we wanted, we could beat anybody," related Junior Craig Baker after the season-ending climatic victory over the nationally ranked Poly Rabbits. As Moore League Co-Champions, they drew a tough third-place Servite, who had been roughed up for 86 points in their previous three games. The Servite Friars, however, turned their season around the same night the Rams ended theirs.

Servite got out to an early lead, scoring a touchdown on only their second drive. The game changed hands when the Ram offense put things together. After a 53-yard run by Quarterback Cliff Mosley, Charles Williams scored from 14 yards out. Sophomore Star Kicker Bob Crane immediately evened the score at seven. As the end of the first half drew near, the Rams had settled down and were playing their game. But with 2:52 remaining, Servite took a chance and showed they didn't need good field position to put points on the board. On 4th and 10, Servite kicker Paul Bottiaux put one through the up-rights from 47 yards out, as the Friars took a 10-7 advantage with them at half. The team's outlook remained optimistic, as Senior Linebacker Arty Bedard remembers, "We were still in the game; we were down only by a field goal. I felt that without offense, we were capable of coming back."

The third quarter, however, was practically all Servite, as the Rams' hopes of a CIF first-round victory got farther out of reach. Two interceptions led to another field goal, this one from 52 yards out, and a touchdown, making the score 20-7. The successful duo of Mosley-Ed Robinson teamed up to trim the deficit. With 7:15 to play in the third quarter, Mosley completed a 79-yard pass to wide receiver Robinson to get the Rams within six. But just as things were looking up for the Rams, Bottiaux stunned them with his third field goal of the night from 48 yards out. Completing the scoring and icing the game, Servite scored on a 47-yard pass with 1:36 remaining in the third period.

Despite being eliminated in the first round, the Rams were proud of their fine season. First-year Head Coach Dave Radford led the team to that exciting victory over Poly, with Ray Jones scoring the first touchdown the Rabbits had seen all year; Robinson set a school record with 56 receptions for 1226 yards.

JV/SOPH FOOTBALL

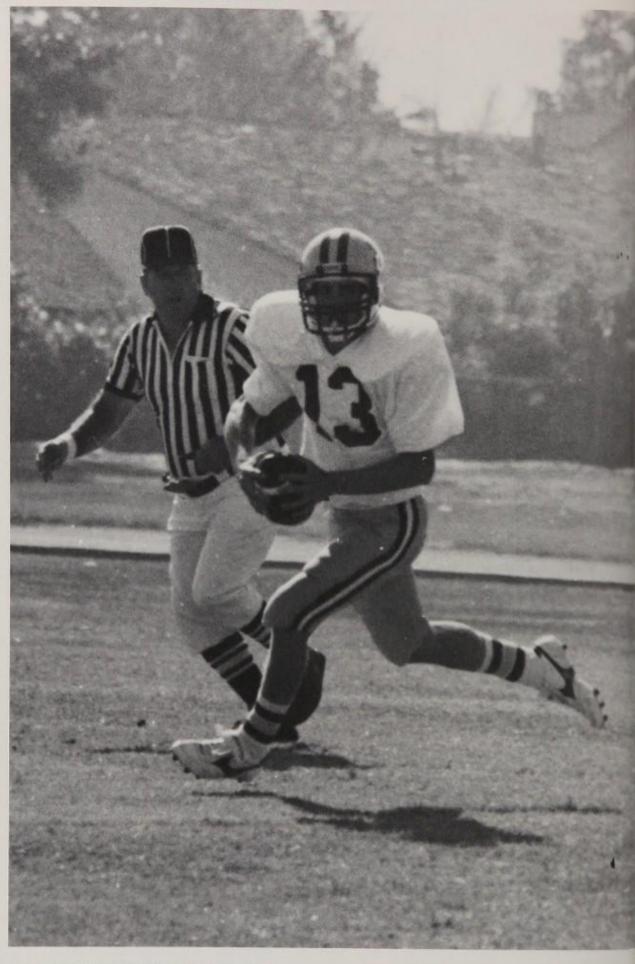

Strength In Spirit

Spirited enthusiasm, ability, and discipline describes the Junior Varsity Football Team. With only sixteen players, all playing both offense and defense, the games proved physically straining. "JV football is a good learning experience, a step toward Varsity, and a major contribution to the Varsity squad when needed. That's what makes all the work worthwhile," stated Junior Branden Williams, a wide receiver.

Under the supervision of Coach Dave Shawver, and the leadership of Captains Jason von Arx and Bill Foster, the team was able to complete another successful season. Beating an unbeaten Poly team, 12-7, and the Marina team, 10-0, proved the team's strength and ability to perform in key situations. With a record of 9-1, finishing second in the Moore League play, the Rams suffered their only defeat to Lakewood, 35-24.

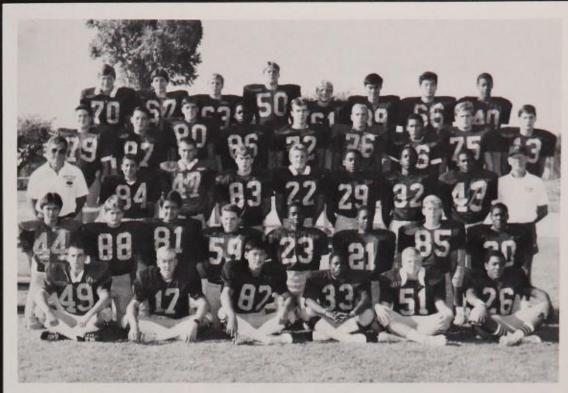

Coaches Dave Halsted and Bucky Harris worked long, hard hours with Captains Tim Mulligan, Deon Crow, and the Sophomore Football Team. Beginning the season with a big win over Marina and a 26-14 win in their first League game, over Wilson, the Soph Rams ended their season with a 4-1 record. Their only loss was in the final twenty seconds of the Lakewood Game.

Poloists Pounce Upon Opponents

"All of our games were won by fast thinking and quickness," stated Varsity Coach Bruce Brown. To develop these qualities, the poloists put in many thousands of yards of swimming and sprints, and lifted many weights

Led by starters Dennis Barwick, Tim Collins, Blair Conroy, D.C. Conroy, Chris Krueger, Jim LaTurner, and Rick Smyth, the Rams dove into pre-season play during the summer. With a summer winning streak of eight games, the Rams placed a strong second in the Cypress Tournament.

The Moore League opener against Wilson was a very disappointing one for the team. With a positive attitude about the game, the Rams felt that they could contend for the Moore League title. Although they played a strong game, the squad suffered a disheartening loss to the Bruins, 19-8, who later went on to take third in CIF.

In the League's Millikan-Lakewood grudge match, the Rams proved that *Lakewould* but *Milli-kan*. With adrenaline flowing, the Rams jumped out to a 4-0 lead in the first quarter. They kept up this feverish pace letting the Lancers score only one goal, following a Ram kick-out late in the fourth quarter. The Lancers were dealt a bitter defeat by the Rambunctious Rams, 12-1. With this win, the Rams were assured a CIF Playoff spot. But the mighty Rams would not settle for a third place, and went on to play Poly with a "Nothing to lose, everything to gain attitude."

A major upset and the most controversial game of the season, however, came when the team faced Poly, ranked number ten in CIF. In a brutal game for second place, with kickouts in abundance, the Rams were outscored by

the Jackrabbits, 12-6.

Capturing third place in League, the Rams earned a CIF playoff spot against number one ranked Sunny Hills. Although every member of the starting team scored, they were eliminated in the first round of CIF play, 12-5. Coach Brown said, "In the games we were losing, we never gave up. We kept coming back and scoring, and that is exactly what we did in the Sunny Hills game."

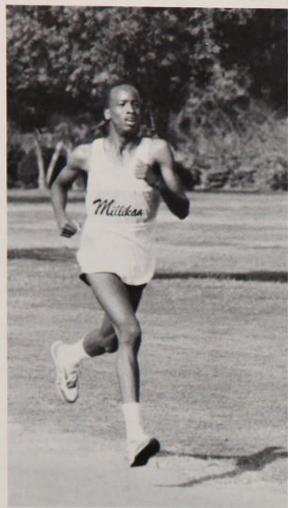

Although only one player, D.C. Conroy made All-League First Team, the Rams were well represented on the Second Team by Dennis Barwick, Tim Collins, Chris

Krueger, Jim LaTurner, and Rick Smyth.

The Sophomore and JV Teams turned in excellent play throughout the season. Under Coach Doug Parker, the Sophomores swam to a Second-Place finish. Alumnus Matt Lawler coached the JV's to a Third-Place finish. With outstanding performances on the Sophomore team were Mike Collins, Josh Danufsky, Jeff Lawler, and Craig Stenberg. The JV standouts included Juniors Todd Banhidy and Jose Riveros.

TOP: A GOAL IN MIND — After a Wilson kickout, D.C. Conroy fakes the Bruin goalie and scores, as Rick Smyth anticipates the rebound. LEFT: TAKING IT IN — Steve Kumashiro walks the ball in to set the Rams up for a score on Poly. LOWER LEFT: A SCORING SITUATION — Rick Smyth turns his Poly defender and takes a shot on goal.

Talented Harriers Tie For Second

Despite two grueling regular season losses to rivals Wilson and Lakewood, the Running Rams managed to clinch a tie with the Bruins for second in Moore League by placing five runners in the top ten at League Finals.

One week before Finals, the Rams grabbed first place at the prestigious Mount Sac Invitational. Moving into CIF with high hopes, the harriers' improved times were not enough to place them high enough to continue past the first round.

Coach Rod Petkovic remarked, "We had a great deal of talent on our Varsity team, and it really showed in the closing weeks of the season."

"I was very pleased by the team's performance, especially in view of the many obstacles it faced," Coach Petkovic added. Various adverse conditions at certain meets and the loss of highly-rated Senior Wes Jackert to injuries were just a few of the setbacks which the team had to overcome. Leading the Rams through the season was Senior Co-Captain Maurey Williams, who finished second in Moore League. Also instrumental were other All-City, All-League runners Gian Wayman, Matthew Gott, Rodger Keester, and Vernon Lawton. Junior John Hinrichs and Senior Keith Ladd rounded out the Varsity team, each giving strong performances throughout the year.

The Junior Varsity team proved the Rams' depth by winning all of its League dual meets and ending up sharing its League Championship with Wilson after placing a close second at Finals. Seniors Bob Hutchinson and Mark Carter were the JV leaders, with Hutchinson receiving the Most Valuable JV Runner Award. Freshman Andy Dale provided a glimpse into a bright future as he won awards at every invitational during the season. Also helpful in JV victories were Luis Morales and Sophomore Jeff Millington.

FAR ABOVE: LEADERS OF THE PACK — Maurey Williams, John Hinrichs, Bob Hutchinson, Rodger Keester (hidden), and Matt Gott establish their positions shortly after the start of the Lakewood race. FAR LEFT: OVER THE RIVER. — Junior John Hinrichs warms up at El Dorado Park before the Lakewood meet. LEFT: LONELINESS — is what Rodger Keester almost feels as he leaves his Wilson competition behind him.

WARSITY BASKETBALL

Hoopsters Run A Close Second

"Even though we had a young team, I was pleased with the effort and intensity of the squad all year long," commented Coach Bill Odell. Despite the limited experience on the varsity level, the Ram Hoopsters performed considerably well, and have reason to be satisfied with second place. However, a shot at the League title wasn't an impossible task — at least not in the beginning.

Pre-season was just what the Rams needed to get the ball rolling, or bouncing, in the right direction. With the wins out-weighing the losses, they compiled a 7-6 record. In the Schurr Tournament in which the Rams placed second, Junior Ken Jarvis was selected to the all-tournament team; he received similar honors in the Fountain Valley tourney. The spot light shined on shooting star Shawn Williams as he was recognized on the Katella All-Tournament team. Ending the pre-season on a roll with two consecutive victories over Chadwick and Huntington Beach set the pace as the Rams entered Moore League confident and ready.

Promptly responding with four quick League wins set the scene between the undefeated Rams and the undefeated Poly Rabbits. After sixty hard-fought and tense minutes, Poly emerged as the 70-60 victor. "We knew we'd face Poly twice, but it's hard to play catch-up, especially with Poly. It was a must-win for us; had we won I think the League standings might have differed," reflected Sophomore **Bob Crane.**

Hitting seventy-percent of his free throws, Senior Captain Errick Holmes was the most consistent of all League shooters. Eddie Carswell, the lone, returning letterman, handled many of the tough, defensive assignments. New-comer Williams was the leading scorer, averaging nearly sixteen pointsper-game. Leading the team in assists, Junior Marlon Marshall spear-headed many fast breaks. Jarvis was the tall man under the net banging the back boards for rebounds. Off the bench, Senior Gary Carlton was always ready as he racked up 109 points. As an over-view, Senior Michael Lawrence stated, "We were a closely-knit team which enabled us to overcome obstacles and work well together. We had a good combination of talent and speed, as well as determination, which constantly kept us in the running."

CENTER OF ATTENTION — Junior Center Shawn Williams maneuvers his way through the Panther defense en route to a picture-perfect two points. INSET: HIS ROYAL HIGHNESS — Both Eddie Carswell and Shawn Williams reign over a worthy Poly opponent as they team up to tip in a miss-shot. OPPOSITE TOP LEFT: A CUT ABOVE THE REST — In the League opener, Senior Captain Errick Holmes becomes airborn as the Bruin defense watches him fly by. OPPOSITE TOP RIGHT: CROWD PLEASER — A threat from anywhere on the court, Junior Ken Jarvis sinks one from outside, as Wilson's attempt to block it proves feable. OPPOSITE MIDDLE: ALL THE RIGHT MOVES — With his size and quickness, Junior Marlon Marshall stuns the Rabbits as he penetrates the Poly defense for a "harder-than-it-looks" hoop.

VARSITY BASKETBALL — FRONT ROW: ROW: Coach Bill Odell, Ken Jarvis, Rodney James Shettleworth, Errick Holmes, Shawn Williams, Rich Walton, Marlon Marshall. BACK

ROW: Coach Bill Odell, Ken Jarvis, Rodney Pickett, Eddie Carswell, Bob Crane, Michael Lawrence.

CIF BASKETBALL

Rams Find Saints Anything But Heavenly

It was an easy task for the Rams to place second in Moore League and advance to the CIF 5-A Playoffs. However, defeating the troublesome St. Anthony Saints was a task which was a little too difficult to perform.

Playing without their Captain, Senior Errick Holmes, proved to have an ill-effect on the team's performance. Junior Eddie Carswell pointed out, "It was difficult to get started at the beginning because there wasn't much enthusiasm."

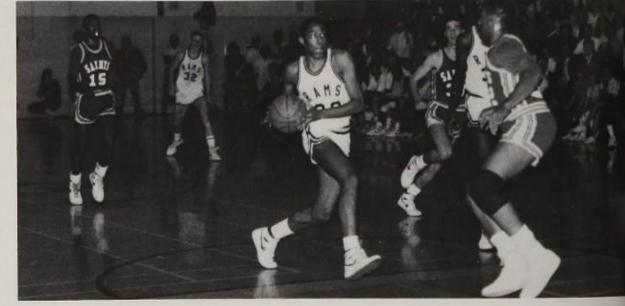

Thanks to leading scorers, Juniors Shawn Williams, and Ken Jarvis, the Rams took the lead in the fourth quarter, 50-40, with 3:13 remaining. "At the end of the fourth quarter, we came back because of the outside shooting of Ken Jarvis. We took the lead by a couple of points," commented Junior Marlon Marshall.

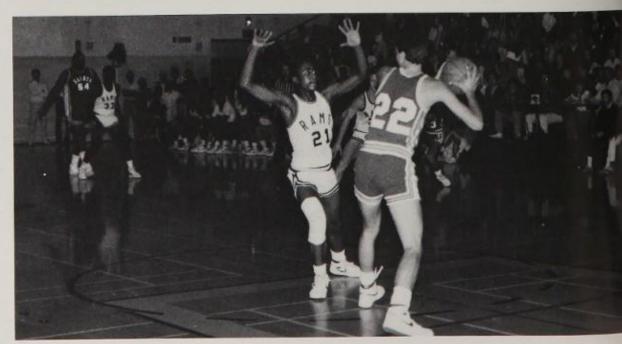

The Rams overcame some troubling obstacles before taking their brief lead in the game. These included poor shooting, costly turnovers, and the penetrating effects of the St. Anthony guard. There was one last chance to put the Rams into overtime, but Ken Jarvis experienced an unrecognized foul which left the game, 54-50.

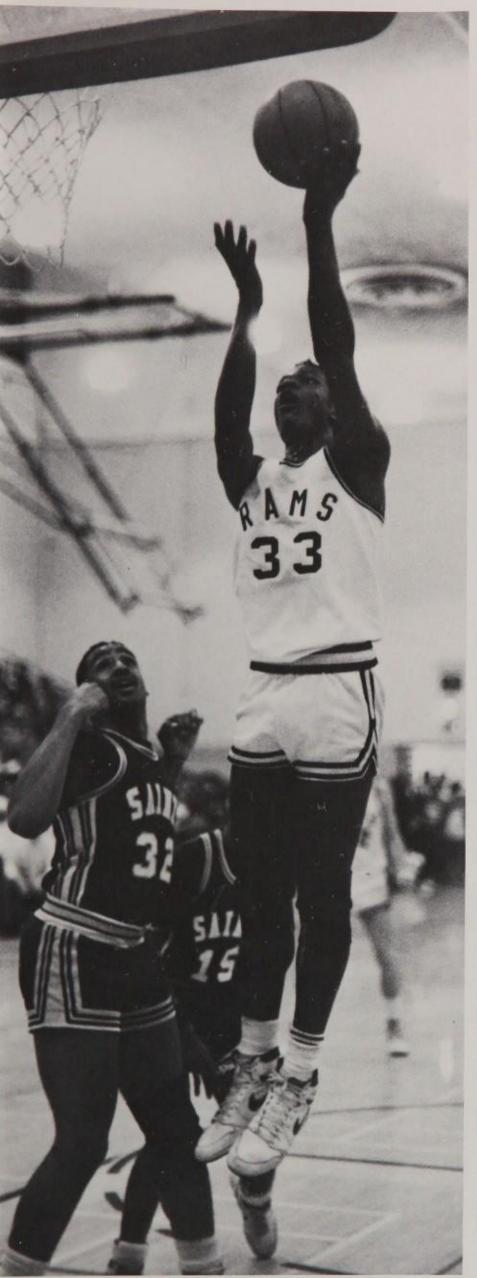

The Lady Rams experienced a successful extended season. The sources of their power were the sister combination of Jan and Pam Pearson. Notable scorers included Connie Mc Giffert and Terri Stewart. After two successful CIF victories over Downey and Hawthorne, the Lady Rams met their match against Buena. Connie McGiffert said, "At the beginning of the game we were up by 7 points." But by the first half, the Lady Rams had loosened their hold with the score tied at 26-26. "Only five starters played, so since we had to play most of the game, we got tired," remembered Jan Pearson. Buena finally got the best of the Lady Rams due to frequent turnovers and pressure put on the offense. The Lady Rams finished the season with their final loss, 53-46.

FAR ABOVE RIGHT: A PIECE OF CAKE — Lady Ram Jan Pearson easily overpowers a Downey defender to help win the game for the Lady Rams in their first CIF victory. MIDDLE: INVINCIBLE — Michael Lawrence seems invincible as he drives through the St. Anthony defense. RIGHT: GOT YOU COVERED — Marlon Marshall blocks a St. Anthony opponent to prevent the ball from getting downcourt.

LEFT: FLYING HIGH — Top-scorer Shawn Williams flies over a stunned Saint to make two more points for the Rams. FAR ABOVE: UP AND OVER — Junior Ken Jarvis executes a perfect jump shot over a St. Anthony defender. ABOVE: CONCENTRATION IS THE KEY — Lady Ram Rhonda Cleggett concentrates on an important shot in a game against Downey.

FAR ABOVE: AIRBORNE! — Junior Charlie Gonzales flies past his Poly defenders on a layup, depositing two of his twenty points in the Rams' vital win over the Jackrabbits. ABOVE: TAKE THIS, SHORTIES! — Darrell Brown shoots over most of the Poly team, collecting two of his six points in the victory.

SOPHOMORE BASKETBALL — FRONT ROW: Rusty Baker, Kevin Garland, Stephan Isley, Todd Isley, Roger Bridges, David Pierre. BACK ROW: Coach Gregg Stone, Kelvin

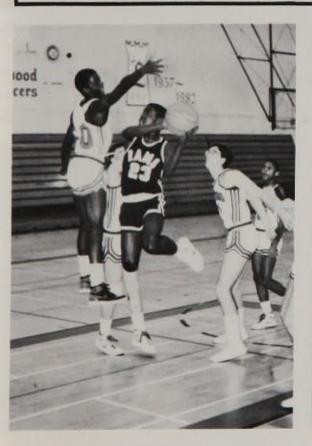

Young, Matt Pegan, Dan Grady, Jerrald Adams, Mark Bennett, Melvin Young, Virgil Pickney. Not Pictured: Pat Smith.

JV BASKETBALL — FRONT ROW: Charlie Gonzales, Davis Taylor, Walter Garland, Pat Clydesdale. BACK ROW: Coach Scott Fox, Wil-

lie Edwards, Mike Jones, Jeff Kubel, Rodney Camper, Darrell Brown, Craig Gordon, Coach Steve White. Not pictured: Terry Winston.

JV's Dominate-Barely Miss Perfection

After an outstanding preseason which left the JV Rams with an 11-3 record, the team, led by Rodney Camper, Craig Gordon, and Charlie Gonzales, opened League play by crushing Wilson, 70-52.

From that point, the season picked up momentum as all Moore League opponents fell to the strong JV Cagers. One of the most impressive defeats dished out by the Rams was a 62-56 triumph over the much-feared Poly team.

As the season continued, the JV'ers looked toward a perfect season. That accomplishment appeared possible as the team sported a 9-0 League record going into the final meeting with Poly. In one of the most hard-fought games Coach Scott Fox and many others had seen, Poly outlasted the Rams in overtime, 68-67, despite a dramatic comeback which saw the Jackrabbits lose their fourteenpoint halftime lead.

"The loss to Poly was disappointing, but we still have that fantastic season to look back on," commented Coach Fox. Indeed, the League title was a welcome improvement over last year's fifth-place finish. A great deal of the team's success was possible because of the strong lineup, which also consisted of Walter Garland, Darrell Brown, Davis Taylor, and Frankie Edwards. "We simply had a lot of talented guys who did the job for us," said Charlie Gonzales.

The Sophomore team also fared well in League games, attaining a 7-3 record which placed it second overall. Led by **Dan Grady** and **Stephan Isley**, the team began the regular season by beating Wilson 64-56. Its hopes were sunk, though, by a 72-57 loss to Compton.

A stinging 60-58 defeat of the Tarbabes in the second round helped the Rams on to another victory against Jordan. Lakewood and Poly, however, avenged their first-round losses, halting the Sophs' six-game winning streak and ending the season on a sour note.

Nevertheless, Coach Gregg Stone recalled, "There was a great deal of talent on this team, and many of the players have outstanding futures ahead of them." The Sophomores also relied on such key players as Jerrald Adams, Kevin Garland, and Matt Pegan for help during their season.

FAR ABOVE: "I'VE GOT IT!" — says Davis Taylor as he snags a rebound from a disappointed Poly player. FAR LEFT: AROUND THE CORNER — Sophomore Stephan Isley twists around a Lakewood defender en route to a score. LEFT: SMACK! — Sophomore Kevin Garland rejects a Lancer's attempted shot.

Rams Lose Grip On League

As the grapplers entered Moore League, a controversial coaching situation was just the beginning of many problems encountered during the season. After a change of coaches three times, the team was finally able to prepare for League. Even under the direction of Iowa State Champion Todd Gatson and Millikan Wrestling Great Craig Wong, the thirteen-man squad had difficulty molding together as a team. "Poor conditioning led to a lack of stamina which haunted us during the season," commented Senior Tony Ochoa.

Opening the League season with an impressive 50-21 win over Wilson, the squad started the season on the right foot. After trouncing Compton, 78-0, the team was ready for a key match with Jordan. Travelling to the Panthers' den, the Rams were stunned by a 33-27 defeat. "We lost a few matches which we shouldn't have," stated Senior Matt Mc Carley. Following the heart-breaking loss to Jordan, the Lancers caught the Rams off guard, defeating them 38-29, dropping the Ram's record to 2-2. Still alive for the title, the Rams had to beat undefeated Poly and win the Moore League Tournament.

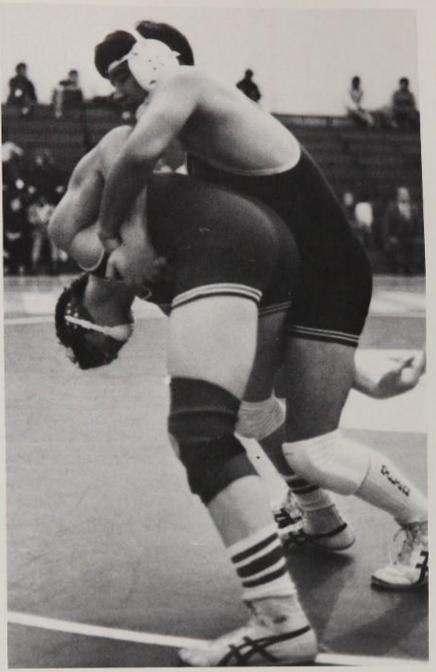

After losing the first three matches, the Rams fell behind, 15-0. When Senior Norman Kitano (4-1 in League and 19-6 overall) pinned his opponent, the Rams seemed to have reached a turning point in the match. Followed with wins by Senior Paul Tsuno (3-1 in League and 17-4 overall) and Junior Chris King (5-0 in League and 23-7 overall), the Rams pulled within one point of the Jackrabbits at 15-14; but that was as close as they got. Even after Junior Raoul Spears (4-0 League, 19-13 overall) accepted his forfeit, the Rams still lost, 31-29. "We didn't have the enthusiasm as in the past which led to our downfall in League," commented Coach Craig Wong.

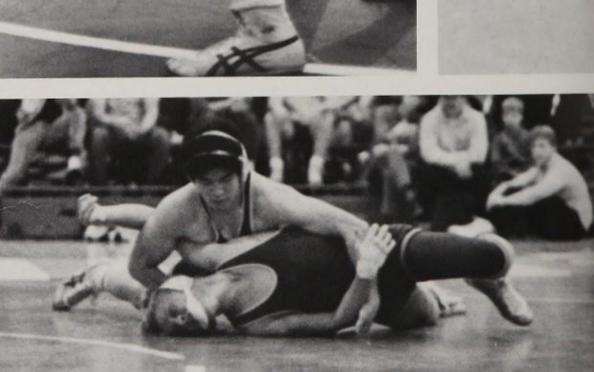

With the absence of Seniors Norman Kitano and Paul Tsuno and Junior Jamie Sanchez, the chances of taking the Moore League Tournament were slim to none. Yet, Tony Ochoa and Chris King and Raoul Spears all won the Moore League

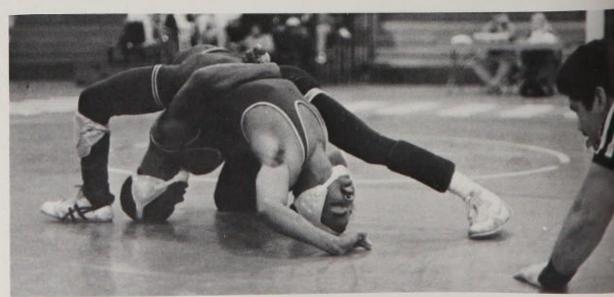

Individual Titles at their weight.

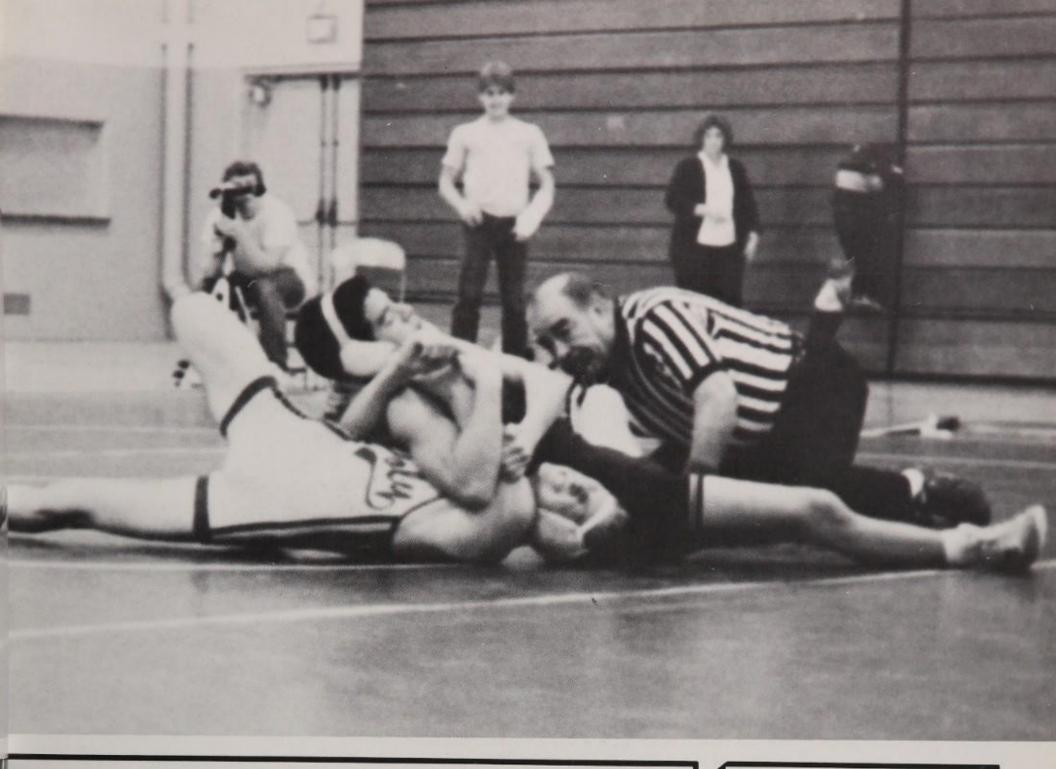

Leading the JV Squad to an Undefeated Championship Season, Junior Gene Inouye paced the Rams with a 5-0 League record. Other outstanding JV members included Individual League Champions Craig Baker, Chris Lara, Harry Weisman, Colin Boyd, Melvin Edwards and Tin Ly. "Once we defeated Jordan, we knew that we would win League!" exclaimed Gene Inouye.

ABOVE RIGHT: LOSING CONTROL - Senior Matt McCarley is on the verge of losing the grip on his Jordan opponent. MIDDLE RIGHT: TWISTED LIKE A PRETZLE - Senior Paul Tsuno twists his Wilson opponent to his back in the first period. He won by a technical fall, 20-4.

WRESTLING — FRONT ROW: Harry Weisman, Tony Ochoa, Tony Onley, Robert Zucker. SECOND ROW: Gene Inouye, Norman Kitano, Scott Starnes,

Paul Tsuno, Allan Benefield, Mike Wozniak. BACK ROW: Steve Fish, Arden Salem, Matt Mc Carley, Colin Boyd, Bill Foster, Craig Baker, Ron Singleton

| 29 | Poly | 31 |

OPPOSITE LEFT: WILSON'S BRIDGE IS FALLING DOWN — League Champion Chris King slowly breaks down his Wilson opponent's bridge before pinning him in the second period. ABOVE: VISION QUEST — Senior Norman Kitano maneuvers his Poly opponent to the mat as he prepares to put the Jackrabbit away.

Strikin' It Rich

Compiling an overall record of 21-2-1, the strikers posted the most impressive record in Ram history. Led by an array of superstars, the team was on a hot streak - all season long!

Paced by Senior Ramon Garcia, the Rams won the Los Alamitos Tournament for the fourth straight year. Senior goal keepers Guy Short and John Tally teamed up to shut out Los Al in the championship game, 2-0. Concluding a 10-0 preseason, the Rams upset the number four-ranked Bell Gardens, 2-1, on foreign turf to give them the confidence that carried them into League.

After a close League opener with Wilson in which the Rams sneaked by as 1-0 victors, Compton and Jordan were just stepping stones on the way to the key match-up of the season. Facing their prime opponent, Millikan utilized a solid passing game to defeat Lakewood for the first time ever. The Lancers jumped out to an early advantage only 2 minutes into the game, but after a Lancer injuryrelated delay, the Rams caught their breath and turned things around. "We got off to a shakey start, but once we scored we were able to settle down and play our game," recalled Sophomore Chris Troy, who scored the first of three Millikan goals. Senior Juan Pineda broke the tie just before halftime; he later added some breathing room with his second and the game's final goal.

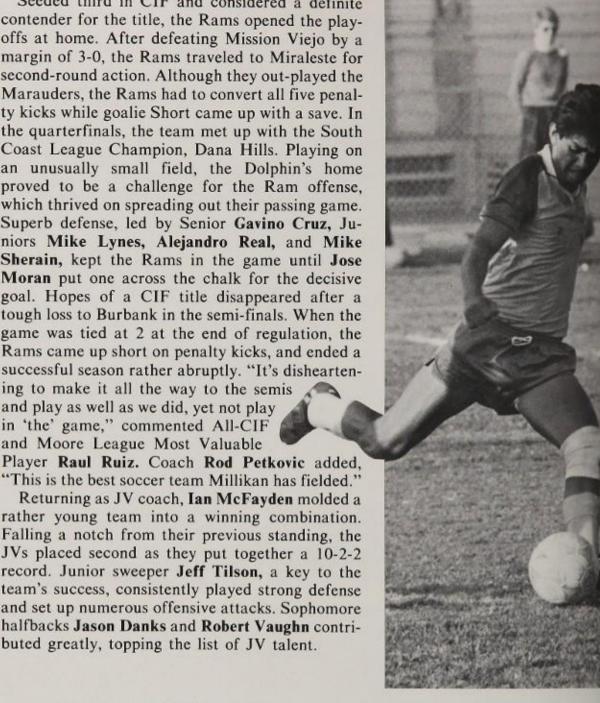

Their winning streak ended when they were caught off guard and were stunned by the Bruin offense in the second-round opener. The team quickly recovered, however, and was able to maintain its edge on the rest of the League and bring home the Moore Title.

Finishing a near-perfect season, the Rams used the final Poly game as shooting practice. In an overall team effort in which over half scored, a

record-setting 14 goals were recorded in a shut-out victory over the visiting JackRabbits.

Seeded third in CIF and considered a definite contender for the title, the Rams opened the playoffs at home. After defeating Mission Viejo by a margin of 3-0, the Rams traveled to Miraleste for second-round action. Although they out-played the Marauders, the Rams had to convert all five penalty kicks while goalie Short came up with a save. In the quarterfinals, the team met up with the South Coast League Champion, Dana Hills. Playing on an unusually small field, the Dolphin's home proved to be a challenge for the Ram offense, which thrived on spreading out their passing game. Superb defense, led by Senior Gavino Cruz, Juniors Mike Lynes, Alejandro Real, and Mike Sherain, kept the Rams in the game until Jose Moran put one across the chalk for the decisive goal. Hopes of a CIF title disappeared after a tough loss to Burbank in the semi-finals. When the game was tied at 2 at the end of regulation, the Rams came up short on penalty kicks, and ended a successful season rather abruptly. "It's disheartening to make it all the way to the semis and play as well as we did, yet not play in 'the' game," commented All-CIF and Moore League Most Valuable

"This is the best soccer team Millikan has fielded." Returning as JV coach, Ian McFayden molded a rather young team into a winning combination. Falling a notch from their previous standing, the JVs placed second as they put together a 10-2-2 record. Junior sweeper Jeff Tilson, a key to the team's success, consistently played strong defense and set up numerous offensive attacks. Sophomore halfbacks Jason Danks and Robert Vaughn contributed greatly, topping the list of JV talent.

OPPOSITE: LOOK OUT - Late in the third quarter, Senior Gavino Cruz fires a shot during a League match against Compton. The Rams went on to route the Tar Babes, 7-0. LEFT: LEAPS AND BOUNDS - Senior goalie Guy Short dives and sacrifices his body in a winning effort to keep a shut-out intact over the visiting Panthers. The Rams' goals for-against ratio was an astonding 45-8 in League play. MIDDLE: DUAL ATTACK - Senior wingers Jose Moran and Sanjit Toor speed by the defense en route to home victories. Both led the team in assists, with 11 and 12, respectively. BELOW LEFT: NO PROBLEM - It's all routine for leading scorer Raul Ruiz as he fakes out a Mission Viejo defender and enters the penalty box just beofre smashing a powerful kick through the goalie. Chris Troy and Jose Moran also scored in the CIF opener. BELOW RIGHT: NO ONE ON — exclaims Junior All-League selection David Owen after squaring and dropping a pass back to team mate Juan Alas. BELOW: MY TERRITORY - With three years of varsity experience behind him, and three-plus steps ahead of his opponent, Senior Ramon Garcia teases the Miraleste defense with some fancy footwork.

VARSITY SWIMMING

Swimmers Stroke To Second

While everyone else was home in their warm beds with electric blankets on those cold mornings in February and March, the swim team was busy working out. From 5:45 a.m. to 7:30 a.m. every morning, one could come and see the swim team splashing around in the natatorium. The enormous amount of work put in by Millikan swimmers, 4 to 5 hours a day, paid off this season. The aquajocks opened up the year with a 4-2 pre-season record. The swimmers came home with a first-place trophy from the Sonora Relays as well as beating Loyola for the first time in Millikan history.

"This season Millikan has one of the strongest swim teams in years," commented Coach Bruce Brown. Most of these young men have swum together since they were sophomores; this has produced a lot of team unity and comaraderie." The strength of this team lies in its ability to swim fast in almost every event. "We have quite a few returning varsity lettermen this year which gives us a lot of experience as well as a lot of depth in each event," remarked Senior Chris Krueger.

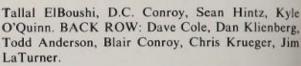

The swimmers anticipated a tough season and looked to strong performances by Tim Collins in the 500-yard freestyle, D.C. Conroy in the 100-yard breaststroke, Blair Conroy in the 100-yard freestyle, and Chris Krueger in the 100-yard butterfly. Also adding to the winning performance of the varsity team were Jim LaTurner, Dave Cole, Craig Stenberg, Jose Riveros, and Kyle O'Quinn.

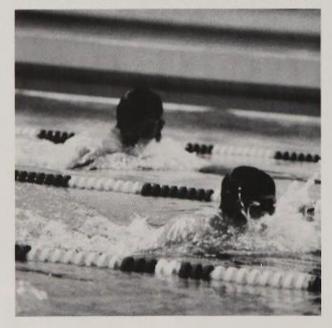

The aquajocks opened up League play with a heartbreaking defeat against Wilson, but bounced back to place in League. The early season predictions included qualifying for CIF in two relays as well as many individual events. "This is the best team that I've seen in my four years at Millikan," remarked Senior Tim Collins.

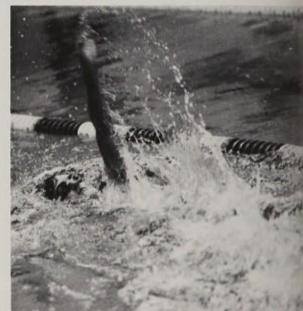

ABOVE LEFT: SPRINTING TO WIN! — Senior Dave Cole pulls ahead of his Mira Costa opponents in the 200-I.M. ABOVE RIGHT: RECORD BREAKER — Sophomore Blair Conroy gets a quick lead in the 100-yard backstroke at Moore League Finals. RIGHT: THE STROKE OF A WINNER — Senior D.C. Conroy outstrokes his Wilson opponents in the 200-yard freestyle. JV/SOPH SWIMMING

Swimming To A New Beat

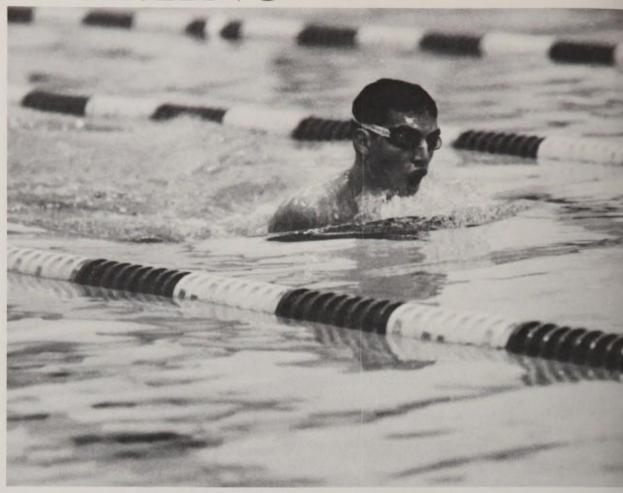

During the cold early mornings of Winter, an elite group left the comforts of home and passed up warm breakfasts to pursue a dedication known only to serious athletes. Starting at 6:00 AM, each swimmer pushed to the peak of his highest performance. To break the monotony of the workouts from the past, a new addition made the early morning training enjoyable and kept the morale of the swimmers high. The brainchild of Senior Jim La-Turner, the swimmers swam to music, blasted over the natatorium's sound system. "Working out to music pushed us since we paced our stroke to the rythmn of the music," stated Junior Peter Guiliano.

Even with the addition of the music, the workouts were again vigorous and grueling. Known for
being the hardest in Moore League, these double
workouts consisted of situps and pushups; sprints
and distance swims; and the infamous A.T.P. (Anarobic Training Program, in which the swimmer
exhales all of his air and then sprints the length of
the pool relying only on the air remaining in his
lungs. These workouts proved successful as the
Sophomore and JV swimmers excelled during
League Swims.

Leading the JV Squad was Junior Freestyler Todd Banhidy. Other outstanding swimmers were Freestyler Eric Coolbaugh, I.M. swimmer Greg Walti, and Peter Guiliano, who added the depth needed to ensure victory for the JV team.

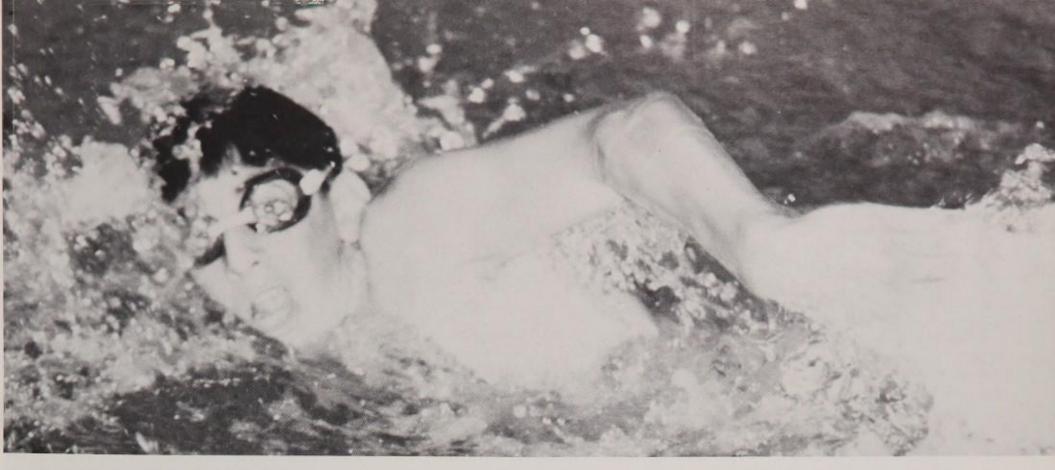

Returning to lead another group of inexperienced but determined sophomores was Alumnus Doug Parker. With much natural talent, the Sophomore Team played an exclusive part of the victory at the Senora Relays. Butterflyer Mike Collins led the pace for the Sophomore Squad while Breast-stroker Josh Danufsky and Freestylers Steve Penney and Sean Valles added talent to the young team. "It just proves that hard work and determination can improve your times," stated Sophomore Tom Billich.

TOP: FISHBONE IS RED HOT — Peter Guiliano races to the finish. MIDDLE: FINALLY FINISHED — Mike Gethins takes a break after finishing the 100 yrd. freestyle. JV — LEFT: Greg Walti, Todd Banhidy; RIGHT: Paul Barstow, Joe Pena, Peter Guiliano.

VARSITY TRACK

Tracksters Go For Five In A Row

Working for an unprecedented half decade of Moore League Track Titles, Ramhi Track picked up where they left off last year. A disappointing opening season loss to perennial powerhouse Hawthrone was the only defeat in pre-League competition.

Coaches Carl Halsted, Jarrod Schenewark, and Steve White brought the team together to register a victory in the final pre-season meet against Fountain Valley. Coach Halsted reportedly said, "We (the coaches) use the vast individual talent available to the limit by placing most of the team members in more than one event."

The sprinting races were controlled by Junior Troy Fletcher and Junior B. J. Williams. They raced in the 100, 200, 440, and the relays. The middle distance runners were Junior Chris Cox, a CIF finalist in the 880, and Junior Vernon Lawton. Cox also ran the 440 and relays while Lawton was in the one- and two-mile.

The long distance team was the deepest part of the team. The distance team ran the one- and two-mile most of the meets. The team consisted of Senior Maurey Williams, Senior Wes Jackert, Senior Matt Gott, and Senior Rodger Keester. According to Wes Jackert, "It was tough doing the arduous distance workouts in the early season because of the many other school activities, such as the musical, which everyone was doing."

Most of the field event preformers also shared the duty of two or more events. Senior Derrick Moore preformed such events as the high jump, long jump, hurdles, as well as the relays. Senior Mike Lawrence did the high jump, and Senior Eric Harris did the long jump, and both did the triple jump. Supported by field event specialist such as Senior Dan Hampton in the shot put and Senior Rob Durazzo in the pole vault, the team formed into a well-rounded network.

Included in the early season triumphs was a fifth consecutive victory at the Santa Ana Relays. The team did well, winning seven out of nine events and literally running away with the Team Title.

ABOVE RIGHT: READY, SET, GO — Just leaving the blocks in the 100-yard dash is Kenneth Tuliau, Troy Fletcher, Charles Williams, and Ron Singleton. RIGHT: UP, UP AND AWAY — Mike Lawrence flies to clear a height in the high jump.

VARSITY TRACK — FRONT ROW: Bruce Lawson, Vernon Lawton, Ron Singleton, Clarence Rogers, Weston Jackert, Derrwin Gibson, Chris Cox, Rodger Keester. SECOND ROW: Marcus Russel, Troy Fletcher, Ray Jones,

Charles Williams, Maurey Williams, Matt Gott, John Hinrichs, Tim Collins. BACK ROW: Kenneth Tuliau, John Pouncy, Eric Harris, B. J. Williams, Mike Lawrence, Derrick Moore, Dan Hampton, Ed Robinson, Rob Orr.

JV/SOPH TRACK

Youngsters Prove Prosperous

Members of the JV and Sophomore Track teams worked vigorously at perfecting their abilities for various meets against formidable opponents. Both teams brought a new crop of athletes from junior high teams. They found out quickly that Coach Carl Halstead meant business — "This is not junior high athletics," he told the young speedsters.

Sharing the same tough training schedule as the Varsity team, several of the tracksters proved to be strong against opponents throughout the season, especially their rival — Wilson. Working for the JV team, Junior Mando Ramos pole-vaulted a high of 10'6", while Junior Ron Singleton had a remarkable shot put of 41 feet. Sophomore distance runner Jeff Millington performed well, placing third in the Hawthorne preliminary meet. Another outstanding performance was turned in by Sophomore sprinter Jerome Melvin, who had a tremendous time of 10.3 seconds in the meet against Fountain Valley.

Junior Ken Branch summed up the season for both teams, saying, "We had a great season accredited to hard training, and we're looking forward to next year to be even more successful."

ABOVE: GERONIMO-O-O! — Sophomore Nathan Booker soars into the long jump pit during the Hawthorne preliminary meet. RIGHT: WHO'LL TAKE THE LEAD? — Sophomores David Pierre and Kelvin Young battle it out for first while the others are left in the dust.

JV TRACK — FRONT ROW: Craig Baker, David Lamb, Mando Ramos. BACK ROW: Mike Markley, Ken Branch, Joe Hoskins, Cory Keene.

SOPHOMORE TRACK — FRONT ROW: David Shaw, Mike Weisman, Jeff Millington, Alfred King, Jabar Lewis, Sean Trujillo. SECOND ROW: Mark Griffith, Joseph Beavers, Eddie Schader, Richard Morris, Peter Wollman, Darrin Weisman, Kelvin Young, Chris Williams, David Pierre. BACK ROW: James Burleson, Dan Murray, Anthony Pearson, Mike Minard, Todd Behrens, Nathan Booker, Pat Smith, Jerome Melvin.

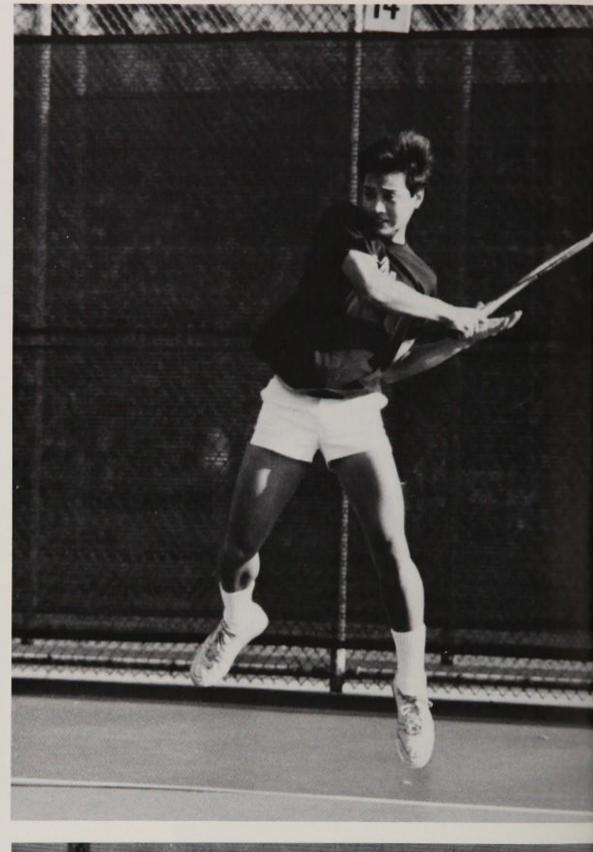

TOP LEFT: GONE IN A FLASH — Appearing to face no obstacle, Sophomore Bruce Lawson flies over the hurdles with the greatest of speed. TOP RIGHT: "I COULD'VE HAD A V-8!" — is the thought of Junior Logan Algie during a pre-season meet in February. MIDDLE LEFT: THE POWER OF PRAY-ER — Junior Ron Singleton is in deep concentration as he prepares for his shot put. ABOVE: "COULD IT BE TRUE?" — thinks Sophomore Jabar Lewis when Coach Halstead tells him, "Only 40 more laps!" LEFT: GOLDEN ARCH — At a pre-season meet, Sophomore David Pierre takes his chances at the high jump.

Matt Bruce, Derrick Gilbert, Michael Simon, Glen Sandler, Coach Dick DeHaven.

Netmen Strive For League Crown

Strong new players and a successful practice season gave the Ram netmen the prospects for a Moore League title. In his second year, Varsity Coach Bucky Harris said he was, "Excited by this group of players — they really have a chance to go all the way."

From the way in which the early part of the season went, the Rams certainly had reason to look forward to a first-place finish. With impressive first-round wins over Lakewood, Poly, and Wilson, the team had proven its dangerous quality. These opening round wins also served as important morale-builders for the sometimes loosely-knit group. "Having beaten our rivals Poly and Wilson both this early, and knowing that we are improving daily, we have a very good chance of winning Moore League," predicted Rob Lucas.

The netmen were led by the strength of League Singles Champion and Doubles Runner-Up John Tormey, who proved to be a consistent winner for the duration of the season. Senior Rob Lucas, an All-City selection from last year, also came up with many vital wins, including an inspiring defeat of a Jackrabbit opponent in the first round. Top doubles teams consisted of Junior Wavne Phan and Sophomore Scott Yanover, and newcomer Rob Cinco paired with Jon Banner. The combination of Derek Webster and Steve Quesnel made up the remaining doubles team, while Junior Mel Miranda rounded out the group of singles players.

The JV team, under the direction of second-year Coach Dick DeHaven, also showed that it was a top contender by defeating Poly and Lakewood in the first round of League play. Leading players for JV were Mike Simon, Derrick Gilbert, Mike Atwood, Matt Bruce, and Steve Silpa. Commented Derrick, "Some early wins really gave us hope, and we're looking to take League if we can."

ABOVE LEFT: FORCEFUL FOREHAND - Senior John Tormey demonstrates one of his most basic shots against a Lakewood opponent. John showed excellent promise for becoming a repeat Moore League Singles Champion. ABOVE RIGHT: ANXIOUSLY AWAITING - Doubles player Derek Webster dares his Wilson opponents to try to get a ball by him as he stands prepared.

Hernandez, Phil Kendall, Jeff Heath, Dave Sueki, Pitching Coach Frank Followell.

VARSITY BASEBALL - FRONT ROW: Mark Ralph Lakin, Jason von Arx. BACK ROW: Coach Houser, Mike Polizzi, Jeff Gott, Steve Shinar, Ke- Dan Peters, Aaron Sullivan, Keith Ladd, John vin Gail, Ron Keester. SECOND ROW: Manny Newman, Bob Crane, Mike Duree, Tom Black,

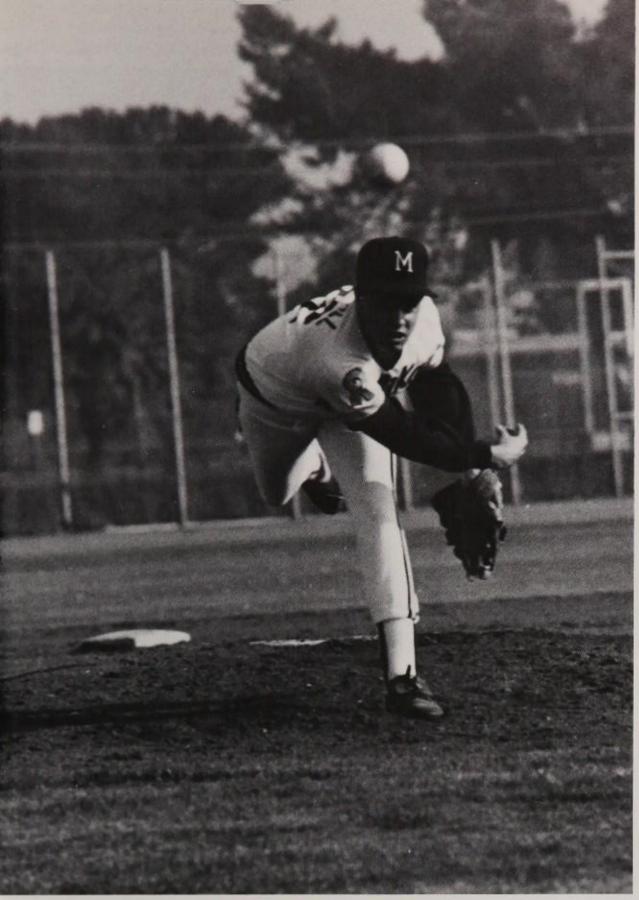

ABOVE: FIRE THE CANNON - Sophomore Mark Houser guns out a Torrance runner in the opening game of the El Segundo Tournament. ABOVE RIGHT: DOUBLE SCOOP -After making the play at first, Senior Steve Shinar throws the ball home to complete the second half of a double play. ABOVE FAR RIGHT: HOLD UP - Lead-off hitter Jason von Arx check-swings on a 3-2 curveball to stay alive during his first at-bat. RIGHT: THERE HE GOES! - Senior catcher John Newman throws out a base runner attempting to steal second in the fourth inning of the Torrance game. FAR RIGHT: MID-AIR ACROBATICS - Shortstop Kevin Gail throws the ball to first base on a slow-roller during a pre-game warm-up.

Young Team Has High Hopes

Led by Coach Dan Peters, the Varsity Baseball team entered League play with a 3-1 record. The last game of the pre-season El Segundo Tournament and a double-header against Fountain Valley were postponed due to rain.

"We have a strong defense. I think it's one of the strongest in Moore League," commented Junior Phil Kendall

This defense, with the pitching of Senior Kevin Gail, led to a 7-6 victory over Wilson in the first League game.

The Rams squad, which included only four returning starters, also beat Compton, 6-2, behind the arm of **Bob Crane**.

The starters included returning players Ralph Lakin, Steve Shinar, Kevin Gail, and Phil Kendall. New players were Sophomores Ron Keester, Bob Crane, and Mark Houser, Junior Jason von Arx, and Senior John Newman.

"I think having a young team is a plus for us," stated Senior Ralph Lakin. "We have a bigger incentive to do better than teams with more returning players," he added.

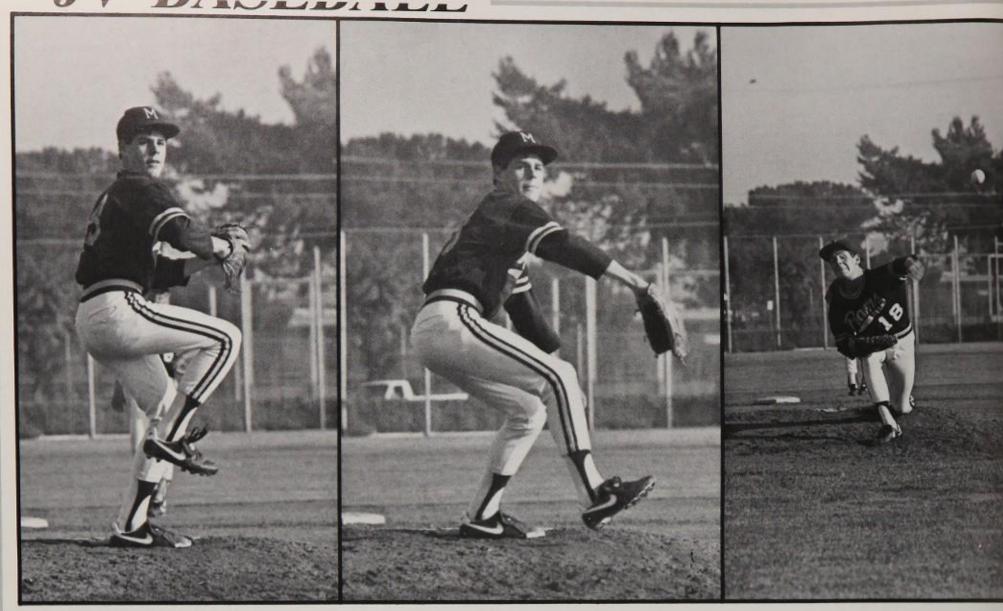

The talents of players such as Jeff Heath, Keith Ladd, Jeff Gott, Mike Polizzi, and Arty Bedard gave Coach Peters much variety in the line-up which helped him to find winning combinations.

"Our hitting is a problem right now," said Coach Peters. "If we can turn it around, we should go far this season."

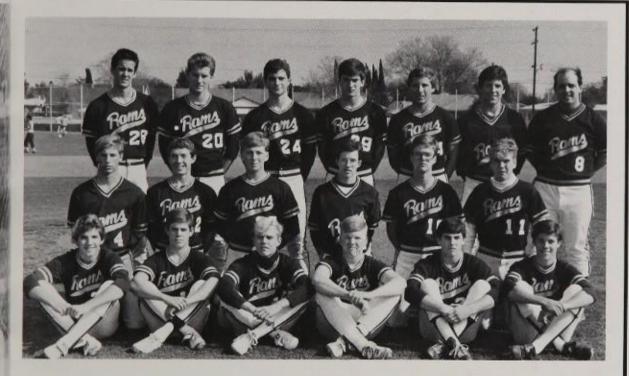

ABOVE LEFT: FLAMINGO KID — Junior Phil Kendall throws a 2-1 curveball past a Torrance batter for strike two. FAR LEFT: TWO-SIDED POWER — Switch-hitter Ralph Lakin strides before hitting an RBI line drive into right field. LEFT: EASY OUT — After catching a pop-fly, second baseman Ron Keester leisurely throws the ball back to the pitcher. ABOVE: BACK!!! — Junior Jeff Heath dives back safely on a pick-off attempt by a Torrance pitcher.

JV BASEBALL

JV BASEBALL - FRONT ROW: Ruben Sanchez, Todd Taylor, Chris Donovan, Robert Beighau, Tim Mulligan, Robbie Vaughn. SECOND ROW: Glenn McNab, John White, Keith Hempel, Andy Dale, Mark Kusel, Nathan Downey. BACK ROW: Joel Johnson, Scott Ritter, Tom Steiner, Todd Chapman, Brian Burns, Rick Fulton, Coach Lance Pierson.

A Young Team Shows Great Promise

A new coach and several young players sparked a new energy among the Junior Varsity Baseball Team. Under the leadership of Coach Lance Pierson and returning Juniors Scott Ritter, Rick Fulton, John White, and Tom Steiner, the JV team excelled against several opponents in the El Se-

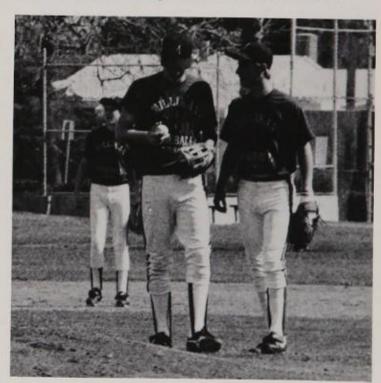

gundo Tournament.

"Starting the pre-season with impressive wins against Torrance, 6-3, and a highly-touted Westminster team, 9-5, Millikan found itself batting for fifth place in the rugged 32-team El Segundo Tournament," stated Coach Pierson, "With three consecutive victories, the team felt they had a good chance to capture the Moore League title. "This year's team is great. We have good pitching, fielding, and hitting. If our team continues its trend of unity, we are in good shape going into League play," stated Junior Joel Johnson.

"With six junior, ten sophomores, and two freshmen, Millikan is gifted with a young and talented

team," commented Junior Scott Ritter.

"Heading the Millikan Lumber Company will be the Double-Play Combo of Sophomores Glenn McNab and Mark Kusel. Heading the Juniors will be John White and Rick Fulton, plus speedster Tim Mulligan who should make this offense exciting and high-scoring," stated Coach Pierson.

FAR ABOVE LEFT: READY, SET, GO — Sophomore Todd Taylor attempts to release a heated fastball against a worthy Westminster player. FAR LEFT: GUN'EM - Catcher Robbie Beighau throws out an opposing Compton player. ABOVE LEFT: SHOOTING TWO - Sophomore Mark Kusel guns down a double play ball to throw out a Lakewood player. LEFT: CONTROL AND CONCENTRATION - Junior Brian Burns hits a double against Jordan. ABOVE: TOP SECRET - Rams Scott Ritter and Glen McNab discuss strategy for the next

New Golfers Hold Promise

With the loss of five Varsity players to graduation, the potential of the Varsity Golf Team was uncertain as the season began. Unfortunately, the only remaining Varsity player to return was Senior **Joe Epson**, who had been number one for the previous two years as well.

Supporting Epson was returning Senior John Williamson, who had played on both the Varsity and Junior Varsity Teams a year earlier. Probably the most pleasant surprise and the team's biggest acquisition was Sophomore Jeff Manson, whose skill kept him fluctuating between the top two spots all season.

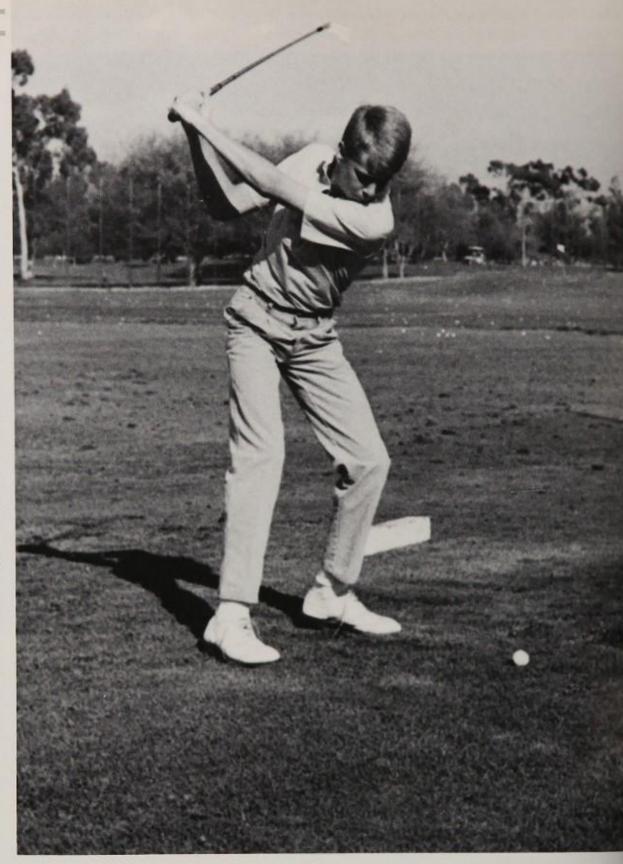

Other first-year Varsity members, Steve Jones, Matt Pegan, and Matt Libby, added strength to the team, resulting in its winning a number of preseason matches, including a considerable 396-465 victory against Mayfair.

Several promising players also emerged from the JV Team during the season. First-place Sophomore Russell Insalco was in competition for a spot on the Varsity Team on several occasions as was newcomer Senior Clay Estey.

"Essentially we're starting over," observed Coach Jim Haddy. "In three years, when these incoming sophomores become seniors, we will have an experienced squad."

SPORTS SUPERSTARS

A Breed Apart

Along with the long list of superstars, the 1985-96 year possessed some superteams. Among them were Boys' and Girls' Soccer, Girls' Tennis, Girls' Basketball, and Football all of which took the Moore League Titles.

Starting the year with 15 consecutive wins, the Boys' Soccer team finished the year at 21-1-2. Led by All-CIF right halfback Raul Ruiz, the Rams kicked their way into the semi-finals where they lost to Burbank on penalty kicks after trying 2-2 at the end of regulation. Finishing as Moore League Champions and third in CIF, the team was boosted by All-League Selections Jose Moran, Sanjit Toor, David Owen, Guy Short, and Ramon Garcia.

Under the direction of Coach Rhonda Misner, the Girls' Soccer team concluded their second consecutive undefeated League season. Led by three-time All-Leaguer Jodie Lopez with the support of two-time All-Leaguers Wendy Lyman and Kim Redden, the Rams achieved an 11-5-4 overall record and won the Moore League Title for the second year in a row.

Sparking the Girls' Tennis team to an impressive undefeated season was the sensational Sophomore Cory Crigger. With a 24-0 record in League, Crigger easily wrapped up the Individual Title also. Others who contributed greatly to the team's success were number-two singles player Heather Rosenbaum, and the Junior doubles team of Angela Murray and Kathy Toyama.

Directed by Coach Greg Pappas, the Lady Rams shot their way into the quarterfinals of CIF before losing to Buena. Behind the superb shooting of All-League Selection Connie McGiffert, the Rams came from behind to defeat Hawthorne in the previous round. Leading the Rams on the backboards were the All-League sisters Pam and Jan Pearson. Ousting last year's Moore League Champions, Compton, the Rams split the two season meetings

with the Lady Tarbabes to earn a share of the Title.

Among the surprises of the year, the biggest one came in football in early November. After a disappointing loss to Lakewood, the Rams had to beat Poly (#1 in State and #4 in the nation) for a piece of the Moore League Title. Set up by a defense led by Senior All-Leaguer Dan Hampton, the Rams took the ball away from the Jackrabbits on an interception by Senior Bob Brown. Two plays later, All-CIF Quarterback Cliff Mosley connected with All-CIF receiver Ed Robinson for the winning touchdown. Other players who led the team were All-League selections Craig Baker and Cory Hammond along with second team members Tony Alvarez, Clarence Rogers, Clarence Wilson, and Ken Tuliau.

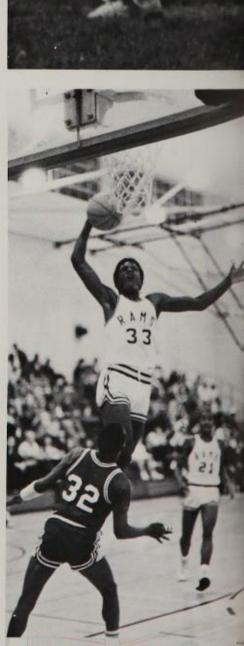

Supporting the great teams were individuals like Seniors Sheilagh Flanagan and John Tormey. Selected as the All-League third baseman twice, Sheilagh Flanagan had led the League in batting both her Junior and Sophomore years. Her combined average over a two-year span was a phenomenal .400 (20-50) in League and .360 (59-164) overall. Adding to many of her achievements, she was also selected to the All-Tournament teams at Torrance as a Junior and Royal Oak as a Sophomore. Other impressive figures include 25 runs scored, 27 runs batted in, and an incredible .939 fielding average which had led to her selection to the All-CIF squad twice. By far, Sheilagh's most highly aclaimed honor was the prestigeous Century Club Award for being an outstanding athlete.

On the Boys' side of the locker room, John Tormey was the talk of the town. After an unbeatable 40-0 record in 1985, John returned in 1986 to better his record to 90-0. Being selected to the All-Moore League squad twice, John was also the Individual Moore League Champion in Singles.

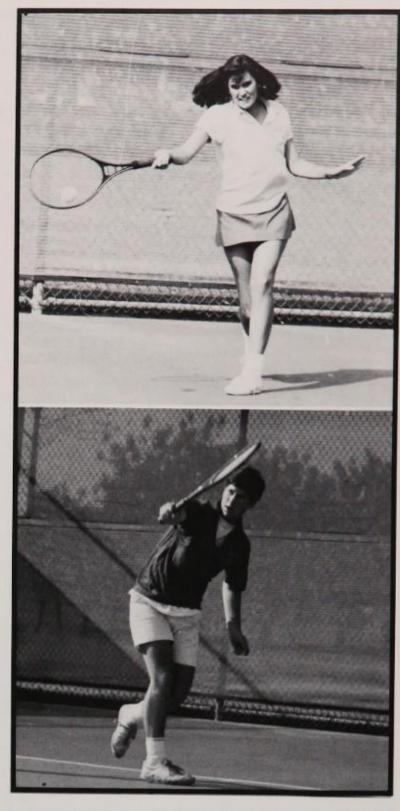

OPPOSITE UPPER RIGHT: WHAT A PAIR - Senior John Tormey and Sophomore Cory Crigger show off their talent as both of them breeze to easy Moore League Title victories. OPPOSITE FAR RIGHT: A LITTLE TOO LATE - All-CIF Jodie Lopez tries to head the ball into the goal, but the Poly goalkeeper grabs the ball before it reaches her. OPPOSITE RIGHT: NO PROBLEM - Senior Jan Pearson makes an easy lay-up after receiving a pass from her sister Pam Pearson. FAR RIGHT: IN YOUR FACE!!! - says All-Leaguer Shawn Williams as he sets up to dunk the ball over a Jordon adversary in early January. RIGHT: HIGH KICK — All-League Selection jumps high to kick the ball down the field in a key CIF match. ABOVE: AIR MOORE - Senior Derek Moore takes off for yet another Millikan record in the high jump. ABOVE RIGHT: UP AND READY TO GO - All-League third baseman Sheilagh Flanagan slides into second and is about to take third as she turns back to look for the ball.

ALL-CIF

VOLLEYBALL

P. CAIR -> well it's been guite an interesting year in spanish hasn't it?!.

I never thought I'd make it through well, You're a Big college girl now!! Come back and visit!

Rams Spiked By League

Although there were only three returning Varsity Volleyball players, tenth-year Coach Suzanne Miguel had an optimistic view on the team's season. "Even though we were young, we thought that we would do well in League," commented Junior Jenny Moore.

After finishing pre-season with a 4-2 record, Cocaptains Julie Gott and Susie Odell lead the team to victory in the Ninth Annual Millikan Tournament for the first time. "Defeating Lakewood in the finals of the Tournament gave us the confidence we needed for League," stated Senior Sheilagh Flanagan.

Following a loss in the League opener against arch-rival Wilson, the light on the team's season dimed. But wins over Compton and Jordan brightened the team's spirit for a CIF berth.

Finishing the first round of League play with losses to Lakewood, Poly, and Wilson, cast a dark shadow over the Squad's season. Finally, the chances of a CIF berth were shattered when a victory over Lakewood in the second round slipped through their fingers.

In the last match against Poly, behind the hitting of All-League Selections Tai Poulava and Susic Odell along with Honorable Mentions My-Trang Doan and Julie Gott, the team finished on a high note, beating the Jackrabbits in three games.

Finishing the season tied for second-place with Wilson, the JV Squad, lead by Senior Carmen Levasa along with Sophomore Ann-Marie Manker and Suzanne Smith captured a 6-4 record.

RIGHT: FLYING HIGH — Senior Co-Captain Julie Gott skys to hit the ball against Jordan.

ABOVE: SUPER HITTER — Senior Tai Poulava blasts the ball by a Poly blocker in the final game of the season. IMMEDI-ATE LEFT: WATCH OUT! — Senior Sheilagh Flanagan winds up to spike the ball through a Lancer blocker.

Rams Love The League

"We were a young and promising team as we entered into the 1985 season," stated Junior Jeniffer Goldman, describing the Varsity Squad. With the addition of Sophomore Singles Sensations Cory Crigger and Heather Rosenbaum, the young squad looked toward a good season. Juniors Angela Murray and Kathy Toyama, along with Seniors Quynh Phan and Karen Rutten strengthened the team in the doubles department.

After a shakey 4-5 pre-season record, first-year Coach Steve VanKanegan drilled the team to prepare for League. Opening the League season with a victory over Wilson, the team went on to finish the first round undefeated. When Wilson came up in the second round, the margin of victory was only eleven games. Finally, the team was tested in a match against the defending Moore League Champions, Lakewood.

After prevailing over the Lancers, 10-8, the squad of nine dedicated girls went on to capture the Moore League Title with an 8-0 League record. "We were confident that our hard training would gain us the Moore League Championship," added Senior Shelley Lee. Winning League was an easy task compared to the match up that the squad received in CIF. Set against Miralest, they were no match for the defending CIF Champs. "We knew what we were up against, but we had to go out and play as if it was any other match," commented Sophomore Rachel Esparza.

Number one seed in Moore League, Cory Crigger dominated the League with a 24-0 record. Sweeping up the League finals, Cory prevailed as the Moore League Singles Champion. Juniors Angela Murray and Kathy Toyama advanced to the semi-finals of the Moore League Doubles Championships. Heather Rosenbaum and Jennifer Goldman also advanced to the semi-finals before being eliminated.

Complementary to the Varsity, the JV Squad finished Co-Moore League Champs with a 7-1 record. Singles players Freshmen Kristin Conway and Jenny Adams along with Sophomores Sharra Smith and Karen Battle spear-headed the JV's attack on the League.

RIGHT: ACE!!! - Sophomore Rachel Esparza fires a serve by her Poly opponent. FAR RIGHT: HELP! - says Junior Jennifer Goldman as she sends a perfect lob over her Jordan adversary.

FAR ABOVE: KEEP YOUR EYE ON THE BALL — Sophomore Heather Rosenbaum closely watches the ball hit her racquet as she returns a shot from her Jordan adversary.

Pilar, I'm signing on this the girl in front of me known you. You're alot of Sorry I can't spell very good I'll Frosh Runners Peally great Lead Team Have To Success

Tying for second place in Moore League with a record of 4-1, the Girls' Cross Country Team qualified for CIF for the sixth consecutive year. This exciting achievement was primarily due to the strength and talent of the team's freshmen. Debbie Brown and Theresa Underwood were both All-City and All-League selections, and along with Lorena Ramirez and Pearl Lawson, these freshmen formed the core of the team. Altogether, these team members received 24 Invitational awards.

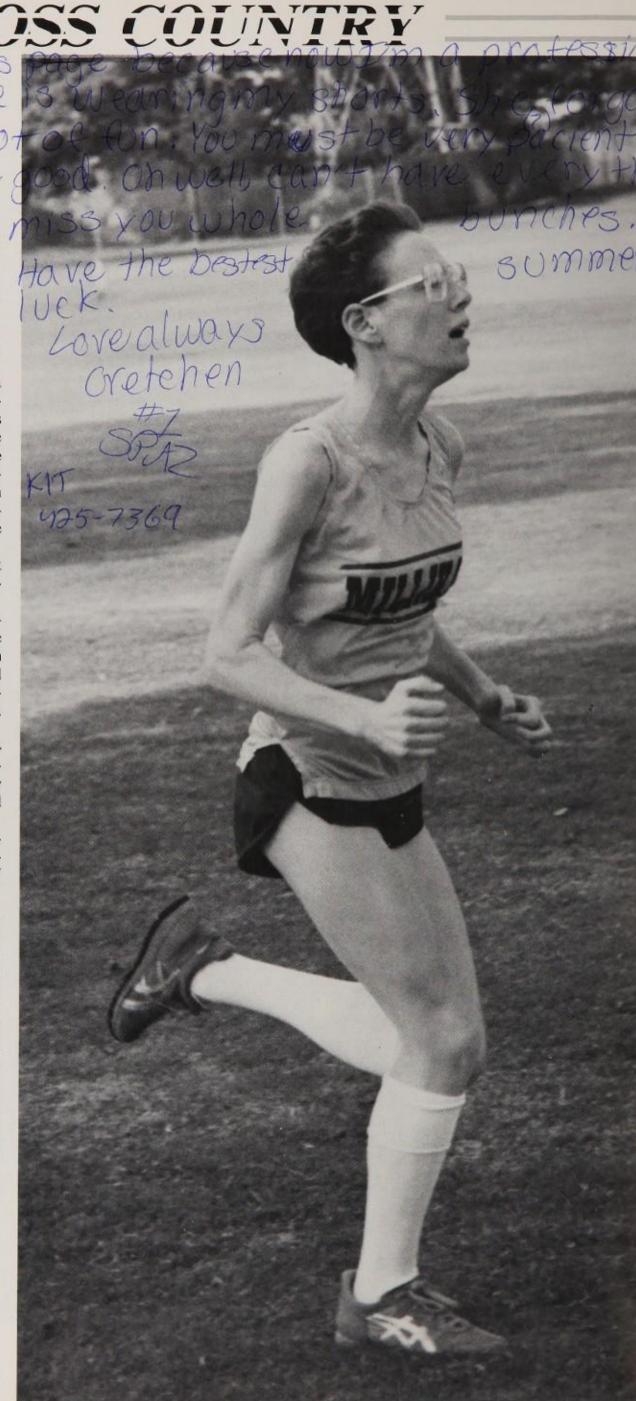

Outstanding Sophomore MaryAnn Gleason put in an excellent performance for the team, contributing highly to the successful record.

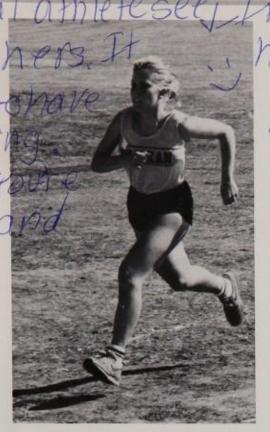

Junior Cecilia Thomas was All-League and All-City in addition to being the recipient of three Invitational awards. Senior Gretchen Wollman was a top-ranked runner and enjoyed her final season as a Varsity Cross Country runner at Millikan. "I've really liked participating on the team. We had a great season!" she stated.

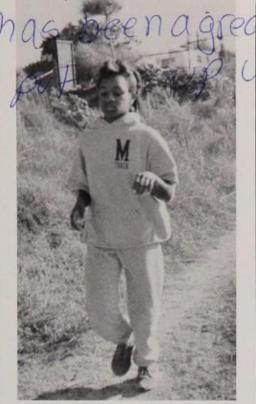

Looking ahead to next season, Coach Rod Petkovic was highly optimistic. "They're young, enthusiastic, and they work well as a team. They could be League champs if they want to work hard next summer," he stated.

The Junior Varsity team also enjoyed a successful season. Audra Flewellen paced the team to a 4-1 record and she personally finished second in JV finals.

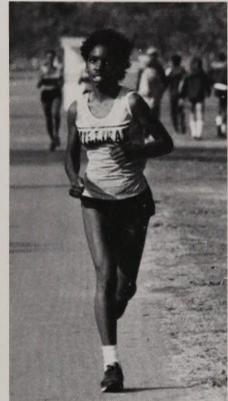

RIGHT: PRAYING FOR THE END - Freshman Debbie Brown gratefully eyes the finish line enroute to winning her second Invitational award of the season. ABOVE RIGHT: STRIDING PRIDEFULLY - Senior Gretchen Wollman is full of Ram pride as she participates in the meet against Wilson in late September. High Hopes Produce Co-Champs

"Improving and working together everytime we stepped onto the court was our goal this year," stated Coach Greg Pappas of the Lady Roundballers. Improvement and togetherness was evident even in the record for pre-League play.

The Lady Rams had a 13-2 pre-season, and many of their wins were blow-outs. Sights were then set on the League, and the girls were eager to play. Opening League play with a punishing defeat of Wilson, 69-36, the Rams jumped out to a 21point first-quarter lead and never looked back. The most damage was done on the inside by sisters. Senior Jan Pearson and Junior Pam Pearson. They controlled the boards and shut down the Bruin offense.

In the final seconds of the second League game, against Compton, the Rams suffered a disappointing loss, 63-60, despite solid play by a geared-up team. A loss such as that might have broken the spirit of another team but not the high-spirited Rams, who bounced back to win the next four contests by at least a 14-point spread in each. Senior Connie McGiffert and Junior Terri Stewart led the team during these games with outside shooting. while the Pearson sisters still controlled the inside.

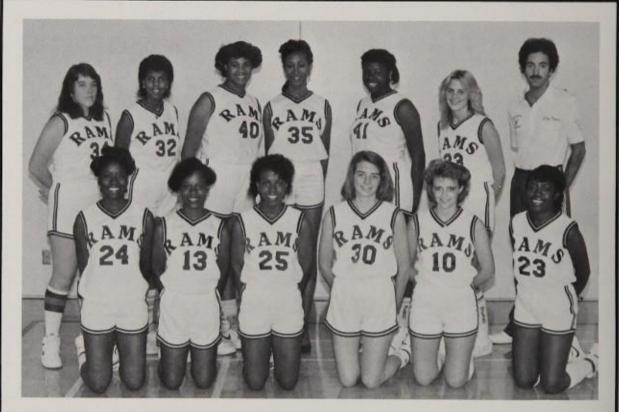

Ready now to face Compton again, a championship spirit spurred the Rams on to a 51-46 win. Big plays were made by McGiffert and the Pearson sisters again. Another key was Senior Rhonda Cleggett who hit important shots at the end of the game. The win over Compton gave the Lady Rams a tie for first in the standings and a possible cochampionship.

Winning over their remaining opponents by wide margins, the team clenched the co-championship with ease.

Of season play, Co-Captains Jan Pearson and Connie McGiffert agreed, "It took team work and everyone's support. But, with a little hard work and high hopes, anything can be done."

ABOVE RIGHT: FASTER - Lisa Schmeichel pushes the ball up the court on a fast break.

GIRLS' SOCCER

Togetherness Brings Success

The combined efforts of Coach Rhonda Misner and a skilled and disciplined team led the Girls' Varsity Soccer Squad to a clear Moore League Title. Beating Lakewood High, 1-0, and tied, 0-0, they also tied the Wilson Bruins twice — both times with a score of 2-2.

"I am very proud of the team," remarked Coach Misner, "They took their season very seriously. It was hard work, but we all know it was worth it."

Led by co-captains Senior left halfback Jodie Lopez and Senior center halfback Kim Redden, the team compiled an undefeated League record of 5-0-3.

Outstanding Varsity starters included Freshman right fullback **Debbie Brown**, Senior stopper **Wendy Lyman**, Sophomore center forward **Monique Linson**, and Senior right wing **Sheilagh Flanagan**.

The girls entered CIF competition optimistically but were defeated in the first round. Junior goal keeper Lorinn Pine expressed the team's feelings after their CIF game when she said, "After such a fantastic season, I am shocked by our loss in the first round." They finished the season, however, with an impressive record of 11-5-4.

The members of the team worked together as a family. "I have been emphasizing the importance of togetherness on and off the field," stated Coach Misner, "and it can be seen in their play." This feeling of togetherness made everyone work to their greatest potential. Junior center fullback Cheri Blasetti remarked, "We all played our hardest because we didn't want to let the team down."

The Junior Varsity Squad, led by Suzy Vendl, Jenni Coots, and Julie Elsberry, was coached by Craig Redden. JV center halfback Kelly Karlson said of their season, "It was a great learning experience, and we had a lot of fun."

RIGHT ABOVE: PRE-GAME PLANNING — Team members discuss possible strategies before a home game against Wilson. Track Team Strives For Success

"We should be able to compete with anyone, even though this is the youngest team I have ever coached," stated Coach Rod Petkovic of the Girls' Track Team.

Having worked as a track coach for twelve years, Mr. Petkovic readily recognized the team's needs. "The girls need to gain all of the experience possible this year so as to be a stronger team next year."

With only a few outstanding members of last year's team returning to competition, including Cecilia Thomas, Audra Flewellen, and Justina Thomas, the team faced an uphill battle from the offset.

"I think our team has great potential and a good chance to go on to CIF," commented third-year member, Justina Thomas.

Requirements to compete were "hard work and one hundred percent participation," Coach Petkovic remarked.

New members of the team were Monique Linson, Theresa Underwood, Debbie Brown, Erin Kheirendish, CharaLynn Smith, Lorena Ramirez, and Pearl Lawson.

Summarizing the overall feeling of the team members, Pearl Lawson exclaimed, "If it is so easy to be number one, nobody would be number two!"

Gymnasts Spring Into Action

"Taking the League Title this year would mean top performances from all gymnasts and minimum injuries," said Coach Leslie Appel.

Practicing two and a half hours daily, the girl gymnasts began to build strength, endurance, and skills early in the pre-season.

Top seniors who excelled in the gymnastic program for three years were Michelle Frangesch and Heather Mahaney. Heather won the All-Around Title for Moore League in 1985, and early in the pre-season, Coach Leslie Appel commented, "Heather shows great promise; I hope she can take the title again this year."

Sensational second-year seniors were Susan Kendig and Sarel Soeur. Susan excelled this year in the event of the uneven parallel bars. Sarel, because of her flexibility, was strongest on the beam.

This year the girl gymnasts were able to buy new uniforms, sweatsuits, and some improvements in equipment with the proceeds from the sale of Helen Grace Candy Bars and lemonade at Homecom-

Two outstanding juniors were Rose Sullivan and Rachael Richardson. Rose, who had been in gymnastics for five years, felt her strongest points were the beam and floor. Rachael commented, "I like all the events, but the vault is my favorite."

Senior Experience Shines Through

"We hope to maintain our Number One position in Moore League. It's going to be an exciting year for Badminton." stated Varsity Coach Gloria Potocki. The Varsity Badminton Team were 10-0 last season and did very well in CIF Tournaments, as

Four Varsity four-year players faced their last season of competition. Seniors Cheryl Nakamura, Jonelle Barrera, Kyong Cho, and Rose Lucero displayed proven skills in pre-season play. Four other varsity members included Seniors Lisa Longville and Carole Carroll and Juniors Katherine Chiu and Kathy Toyama.

As usual, conditioning proved the making of the team. Daily routines including warm up, stretches, and running to build leg stamina, and on-court practice games to develop strategies helped the girls to build concentration skills, sportsmanship, and mental dexterity.

Varsity beat a team from Marlboro with a score of 11-2. Later, they went to the Garden Grove Tournament in which thirty schools participated. Kyong Cho and Jonelle Barrera placed in the top eight in the doubles division, while Cheryl Nakamura and Rose Lucero made it to the semi-finals of the Tournament. Senior Cheryl Nakamura stated, "I am proud of our standings, and I know that the remainder of the season will be strong."

Off The Blocks With Silver Expectations

Intense training with emphasis on the basics was a Ram goal during the pre-season. Rigorous twohour workouts after school with optional morning workouts apparently began to pay off. An inspiring victory over Huntington Beach, 87-65, ended a four-year jinx that the Oilers had put upon the girls.

Loaded with potential and the most talent that they have had in the past three years, the Girls' Varsity Swim Team looked to move up from a third- to a second-place finish in Moore League by beating Lakewood.

Five-year Varsity Coach Tammy Masten optimistically stated, "Co-Captain Christy Manker, a four-year All-City, All-League, Varsity letterwoman, will lead a very experienced squad to a second-place Moore League finish for the first time in over six years." The talented Christy Manker, who concentrated on the two-hundred Individual Medley and one-hundred butterfly, was joined by her sister, Sophomore Ann-Marie Manker, who swam in the one-hundred breaststroke.

Key Varsity swimmer Senior Theresa Bergh, who swam in the fifty-and one-hundred freestyle, along with Sophomore Katie Zaleski in the onehundred butterfly and one-hundred backstroke, had big roles to play. But without the talent and support of returning letterwomen Senior Co-Captain Shelly Bruce, Seniors Gayla Bassin, and Susan Zeder, combined with Juniors Angela Murray and Erin O'Neil, second-place hopes would not be possible.

The Junior Varsity Team, coached by Cynthia Kahle, also looked for a promising and successful year. Junior Heidi Winer in the breaststroke and Sophomore Lisa Murray in the fifty butterfly and freestyle events led the team to a 1-3 preseason record and hopes of an even more successful League competition.

Battling Back

With the return of six varsity lettermen and the addition of five JV members, the Rams of 1986 had experience to go along with their talent. Led by two-time All-League, All-City, and All-CIF Third baseman Sheilagh Flanagan, the squad looked to have a good season. "We will do well as long as we are healthy," commented Coach Marv Miller. Preseason seemed rough on the team; with injuries to Senior Julie Correa and Junior Cindy Hall, the depth on the Ram bench was drawing thin.

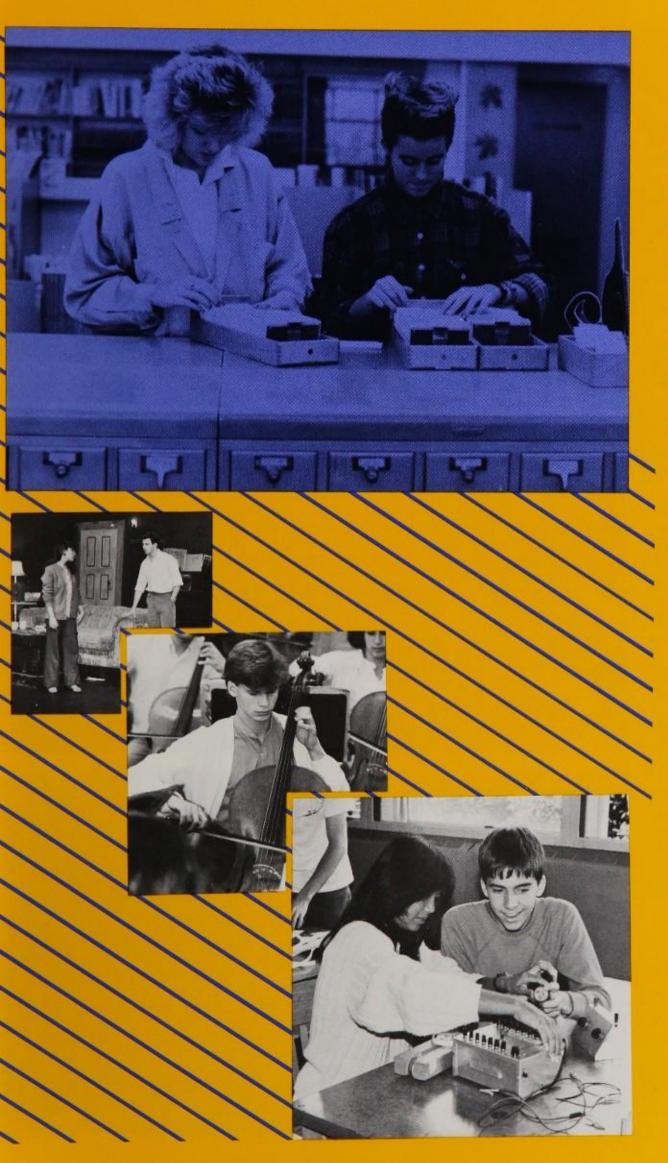

Leading the way for the Rams in the Torrance Tournament was the battery consisting of Juniors Sidney Morfoot and Deanna Mabry. In the first round, the superb defense of Sheilagh Flanagan was combined with a hitting attack of Juniors Sarah Yates and Kris Keller. Flanagan was recognized as the game's MVP after the Rams had prevailed 3-2. Behind the flawless pitching of Sidney Morfoot, the Rams entered the seventh inning against Mary Star deadlocked at 0-0; but when Sidney Morfoot drove in Sheilagh Flanagan from second, the Rams earned the right to face South Torrance in the Semi-finals. In an endless pitching duel, the Rams finally achieved the upper hand in the sixteenth. Replacing the injured Julie Correa, Junior Susie Odell played an errorless game, earning the MVP honors. After being rained out for a week, the Rams finally were able to face Gahr in the finals. After staying close throughout the game, the Gladiators finally broke it open in the late innings.

In the last tournament before League, the Rams placed fifth. After winning the first game of the tournament by a score of 1-0, the Rams were beaten by Laguna Hills, 5-1. In the third round, the Squad beat La Serna and earned the right to play San Maria. Even though the team lost 4-1, Senior Rene Kennedy was named to the All-Tournament Team. "These last few games are tuning us up for League," added Coach Nick Trani.

Mr. Eveland Takes Charge

"Pride in a school is extremely important," stated the new principal, Edward M. Eveland. He felt that school pride increased gradually as the students were heard and allowed to be involved under his leadership. He also added, "This is one of the most outgoing schools I have ever served."

Mr. Eveland had been a principal for fourteen years, serving for four years at Jefferson Junior High, four years at Poly Senior High, and six years at Wilson Senior High before being transferred to Millikan to replace Dr. Joseph McCleary, who retired.

His education began at Long Beach City College, was continued at the University of Oregon, and was completed at California State University at Long Beach.

Mr. Eveland's favorite hobbies are fishing, hunting, cooking, and carving wooden ducks.

During his first year as principal, Mr. Eveland instituted the Principal's Advisory Committee, consisting of approximately 30 students. The committee was designed to give students more input into the decision-making process and the forming and changing of school policies. This move toward a more democratic process came after the installation of the iron fencing and the institution of strict new attendance and tardy regulations.

Mr. Eveland also had many new ideas for the school. He planned a permanent outdoor rally stage in the quad, as well as a life-size bronze ram on top of the auditorium to exemplify school spirit.

Although Mr. Eveland had been with the Long Beach Unified School District for a total of 33 years, his approach was fresh, and his enjoyable sense of humor was felt by students and staff alike.

ABOVE RIGHT: CATCH OF THE DAY — Mr. Eveland proudly displays his biggest catch of the day. RIGHT: I'LL NEED THIS DONE RIGHT AWAY — says Mr. Eveland to his secretary as he hands her an important bulletin.

New Face In Town

Office visitors may have noted the presence of a new staff member this year, Ms. Sue McKee. Ms. McKee was the new sophomore assistant principal, replacing Mrs. Jean Gresik. She was no stranger to Millikan, however, because Ms. McKee graduated from Millikan.

From Millikan she went to Long Beach City College for two years and then spent her junior year at California State University, Long Beach. Her senior year was spent at the University of Missouri, where she received her Bachelor's Degree in Spanish. She went on to the University of LaVerne to get her Master's degree in Education.

Ms. McKee's first teaching assignment was in Avalon on Catalina Island. "I found my three years in Avalon very stimulating, being in a somewhat exotic environment," she explained.

She was "replanted" in Long Beach at Stephens Junior High for five years. After returning to Avalon to teach for another three years, Ms. McKee accepted the vice-principal position at Demille Jr. High. She was there for five more years before accepting her job here.

Ms. McKee does not limit herself to work, but enjoys a friendly game of tennis as well as sewing in her spare time. Still, she says, "I enjoy my job a lot, and I don't always feel the need to 'break away." Students and faculty alike looked forward to more years of service from Ms. McKee.

Margaret Matera '86

You Mean, They're People?

Administrators, despite what some students thought, had many other interests and activities besides running the school and handling disciplinary problems.

Vice-Principal Lois Zelsdorf did community service as a sort of "second job." She was on both the YMCA Metropolitan and the Grace Methodist Church Boards of Directors, as well as others. She enjoyed the performing arts, especially since she was a former professional dancer and concert violinist.

Ms. Zelsdorf liked collecting antiques, specifically dolls and thimbles. Geneology and working with crippled children were two more of her special pastimes.

"I like working with the great people at Millikan. They're concerned and talented on this staff, and so is the student body," she stated. "Still I sometimes get upset by those students who do not attempt to reach their highest potential," Ms. Zelsdorf added.

Assistant Principal Robert Brooks said, "I enjoy working with students and helping them to make responsible choices in their lives. Sometimes it's tough to enforce the discipline code fairly and consistently, and still deal with people as individuals."

Mr. Brooks delighted in preparing and eating good food. He also enjoyed working with wood, gardening, and attending Millikan athletic events.

Mr. Adelmo Martinez, assistant principal, liked being outdoors. His favorite hobbies were camping, fishing, and hunting. He jokingly added, "I am LBUSD's best trout fisherman!" Nineteenth Century Spanish-American Literature and the historic stories of the American Southwest were his special indoor interests. When asked about his job, Mr. Martinez simply said, "I love my job here at Millikan!"

Sophomore Assistant Principal Sue McKee, the newest member of the administration, said that her job was not perfect, and she would have liked more students to have had enough self-discipline that they would not have been sent to the office for disciplinary reasons. Despite that, Ms. McKee really enjoyed her year. When not busy at school, she played tennis or "worked" on her sewing and needlework.

ABOVE LEFT: ALMOST DONE! — Ms. McKee puts the finishing touches on her new blouse. MIDDLE LEFT: WE WON! — Ms. Zelsdorf and daughter Jeanell proudly display their prize-winning pet. LEFT: PRETTY GOOD — Checking his vegetables, Mr. Brooks finds a turnip that's almost ready to pick.

Students Get Help From All Sides

Student services people were busy, as usual. Student scheduling was provided by the counseling office. Mr. Gregg Stone organized all student activities, including rallies, music concerts, plays, and the Mr. Ram Pageant. Miss Faythe Fotion, the school nurse, helped make students feel better when they were sick or injured.

The most common service, however, was the school library. Mrs. Ivadene Welch stated, "More and more students are using the library on their own, but many 'untraditional' library-use classes are finding it helpful as well." Mrs. Welch added, "It's great to see this questing and thirsting for knowledge!"

Miss Fotion commented that things ran smoothly in the infirmary despite the increased paperwork. Almost all of the injuries treated took place in physical education classes due to aggressiveness. Miss Fotion stated, "It never ceases to amaze me to have a relatively small number of serious injuries at such a large campus of 2500 people."

The Media Center offered SAT software and VCR tapes on California colleges to students who planned to further their education. This new equipment, considering the new state college requirements, gave students a better chance in a more competitive educational environment.

ABOVE: CONSIDERING UCLA — Wendy Morrison and Ms. Tupasi review many different college alternatives. RIGHT: FINE SLIP — Mrs. Welch looks over Damian Schenewark as he signs a fine slip for an overdue book.

Computers Aid Special Education

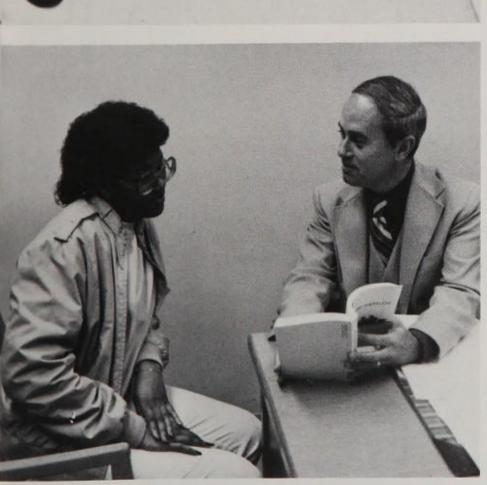

Mr. Elmer "Al" Alexander, who has been teaching special education for twenty-eight years, recently introduced computers to his students. He had an Apple IIe, a Tandy IV and 100.

His students earned time to use the computers by completing class projects, homework, or being courteous to peers and adults. They enjoyed the computers and tried to use them as often as they could. Mr. Alexander said, "I have found that if students enjoy class activities, they are motivated to complete assignments and give that extra effort. The computers have really motivated them this year."

English/ESL Eager To Break Barrier

"Our students are very eager to break down the language barrier which hinders their daily lives... and they want, very much, to fit in with others in school" stated Mrs. Carol Penner, an ESL teacher. The department was very pleased with their students' eagerness to learn and their ability to motivate and discipline themselves in their studies. A new educational aide and the expansion of Room 906 were the only current changes that took place within the ESL program.

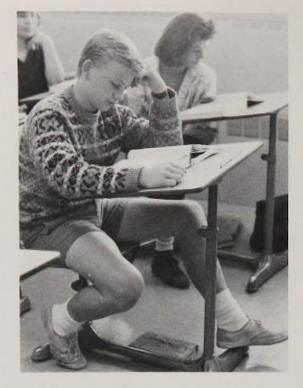

The topics covered in the classes were state reports, the government, "survival" vocabulary, and the U.S. Citizenship Test preparations.

Nilo Lipiz, Luis Brown, Rosi Pedersen, Majorie Cahn, and Carol Penner were the teachers in the ESL program who made becoming a member of "an unknown society" easier and more enjoyable.

As for the English department, "The writing program is quite strong since we have a great variety of both classes and assignments," stated Mr. Larry Simon. Many teachers in the English department noticed a big change in the attitudes of their students. Essays were the most enjoyable and popular aspect of English for most students since the essays gave them a chance to expand their writing skills to the limits of their abilities.

The Fall semester brought many fine English students to the foreground. Debbie Brown, Robert Beighou, Rhonda Frazier, Phil Jones, and for ESL Sao Ravy Men were named Students of the Quarter in their respective departments.

Cuban Roots American Heart

Hopes, dreams, and goals were the things Mr. Nilo Lipiz and his family were thinking of when they left communist Cuba in 1968 for the United States. "We considered ourselves very fortunate to have two aunts already living in the states, which enabled us to participate in the United States government sponsored program to unite separated families of U.S. citizens," stated Mr. Lipiz. They came to Florida and soon after settled in Los Angeles. The Lipiz' family has lived there ever since.

He recalled that in 1962, his family tried to get permission to leave Cuba, but they did not receive it until 1968.

Cuban schools were a combination of forced labor such as cutting sugar canes, and harvesting crops, indoctrination, and tough academic standards. Mr. Lipiz got up to the ninth grade before leaving.

While living in Cuba, Mr. Lipiz studied the art of music. He took piano lessons until the age of 14. Now he plays keyboard, specializing in a type of music called "Salsa", which originated in Cuba. He plays with different groups for weddings, dances, and parties.

Asked if he would return to Cuba, he replied, "My roots are in Cuba, but my heart is the United States."

Stressing Oral Ability

An added emphasis on a student's ability to communicate effectively and precisely pervaded the course curricula of both the Social Studies and Foreign Language departments. Social studies classes increased the written work requirements while foreign language courses strongly emphasized oral response and impromptu speech. "The additional oral work could be taxing at times, but I know I'll be better prepared for college," commented Senior Kirk Brennan.

Mr. Henry Legere's ever-popular Honors U.S. Government course stimulated enrollment so that two classes were formed. His course encouraged intense classroom discussions in which abortion, capital punishment, gun control, and other controversial topics were debated. Senior Kristin Burns remembered, "At times the discussions became so heated I was almost afraid to get involved." Senior Lisa Longville, by comparison, stated, "I always liked being at the center of each discussion."

Psychology class enrollment increased as well.

Miss Mary McAuliffe's classes covered large amounts of material which included topics in neurosis, death, and Freudian principles. Senior Rob Durazzo recalled the class as "rather bizarre, but worthwhile."

Despite the improvement of the department's curricula, Department Head Ernest Beckett worried about the future. "We have always needed more electives available to the students, but it is difficult to obtain them. The department should have more diverse course offerings."

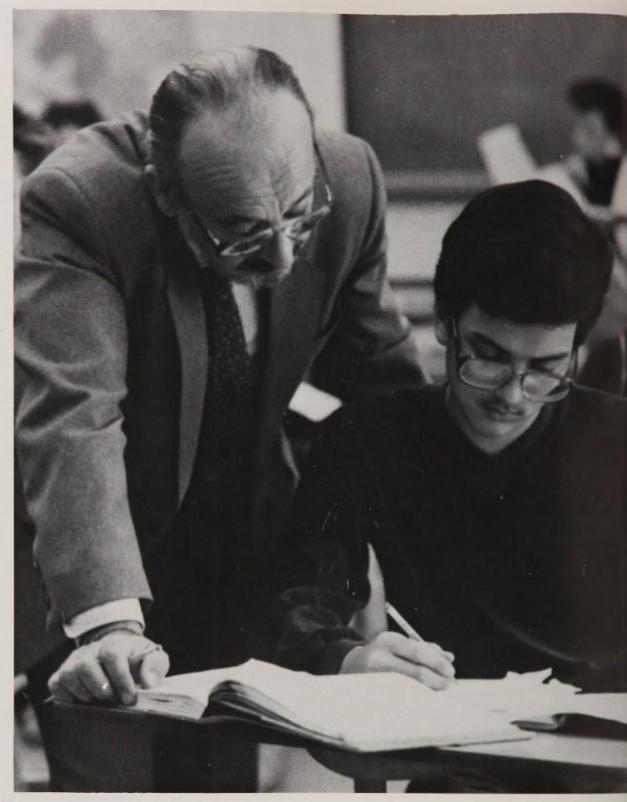

The department selected Junior Lynda McCarver in U.S. History and Senior Jim Foster in Social Studies to be the first students of the quarter.

Foreign language department enrollment peaked during the academic year. The teachers also experienced some course shuffling to accommodate the additional students. Mr. Kirk King took over the upper Spanish classes while Mrs. Raymonde Boyer taught more Spanish. With German enrollment down, Mr. Joseph Schmid taught more French.

Department Head Mr. Darrell Louder used added materials to increase students' oral ability. More tape recorders, new computers, and records were made available to the students. Many Spanish students practiced long hours in the school's language laboratory, using the new equipment.

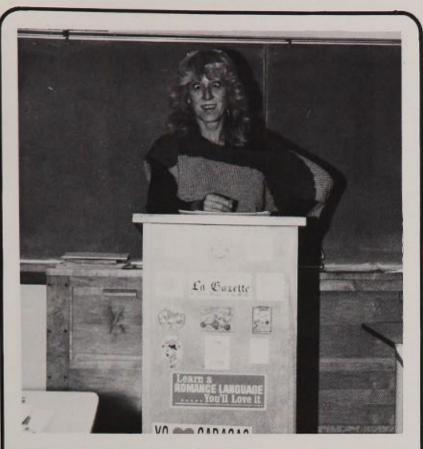

Junior Karla Carroll proudly represented the Foreign Language department as the first student of the quarter.

MIDDLE RIGHT: ALMOST DRY — German student Wendy Rutherford prepares her nails for an upcoming lunch date.

ABOVE: RUSSIAN SALAD - Mrs. Boyer derides an absurd student response.

Eccentric Instructor

"I don't want to be thought of as boring," Mrs. Boyer often said. Mrs. Boyer has lived on three continents and visited six. Born in France in 1929, she moved to Africa with her family during the advent of the Second World War. Her stay continued until after the war when her mother shipped her off to the United States on an oil tanker to be the bride in an arranged marriage. While emigrating, she lost her passport and money and was accused of being a female impersonator.

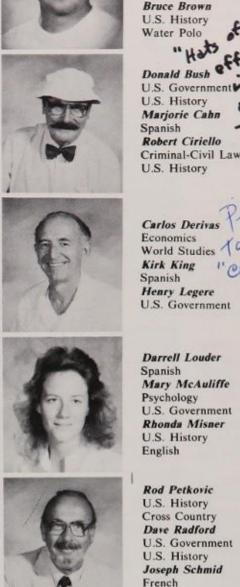

Similar misadventures occurred in Mexico, which Mrs. Boyer remembered as the setting of her most unusual experiences. There she saw an American tourist shot dead and buried to his waist up in sand in front of her scuba-diving shop. Ten years later, while traveling through the Acapulco bay by boat in water which she recounted as "similar to an unflushed toilet," she was forced to jump overboard when the motor stuck and the craft was hurled toward the jagged rocks.

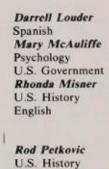

Mrs. Boyer's travels have also taken her to Nepal, China, Japan, Italy, Bali, and Bhutan. She has always enjoyed teaching, especially sharing knowledge and wisdom with her students. Although she planned to continue teaching, she said, "Nothing is stopping me from taking off in the middle of the night to do something like joining a commune in Africa."

RIGHT: MONTY'S A JERK — is John Montrella's favorite saying to teach his math students that nobody is perfect.

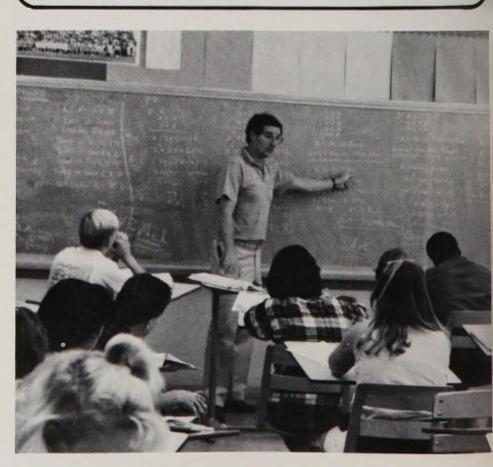

CATCHING THE BIG ONE — James Haddy proudly displays a large fish that he caught.

Gone Fishin'

Fish beware! Mr. James Haddy is coming to get you! Mr. Haddy retired this year after thirty-two years of teaching and coaching in the Long Beach School District. He was part of the original staff when Millikan opened way back in 1956. He taught in the science department, and he coached many successful seasons of basketball and golf. As busy as he has been at Millikan, Mr. Haddy has not been a stranger to leisure. He explained, "I like to relieve pressure by golfing and fishing." He will have plenty of time for relieving pressure during the many wonderful fishing trips he has planned for his retirement.

Mr. Haddy encountered hundreds of students through his thirty-two years of work. Each one has gained something from him. On behalf of all of those who did, we thank you, Mr. Haddy.

Rodger Keester '86

Enrollment Continues To Rise

Recent trends in enrollment which increased the population in math and science classes continued to swell those classes to bulging proportions. New requirements were the causes; additional district graduation requirements and new requisites for entrance into the U.C. and Cal. State systems brought students swarming into any available math and science class as each filled to capacity.

Most classes, such as chemistry, were filled to capacity or more for every period offered; even biology felt the overflow.

Mr. Charles Wilshire, science department head, said, "The enrollment rise was predictable. I am glad, however, that more students were able to work in this exciting field."

One addition to the science department, Mrs. Valerie Marsh, a twenty-year veteran of the Long Beach School District, enthusiastically took on duties as science teacher.

Students also readily conveyed enthusiasm for their work in science classes. Senior Christy Manker said, "I like chemistry because of the exciting labs." When asked about anatomy, both Senior Jackie Johns and Senior Renee Arakawa said that it was "tedious but good experience."

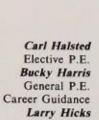

Mrs. Jane Reid, math department chairperson, announced that computer programming classes increased enrollment due to continuing student interest and new equipment. Mrs. Reid announced the welcome addition of Ms. Alice Kakimoto, another veteran teacher, to the math department.

Another boast of the math department was an early-morning calculus class, offered by Long Beach City College. One member of the class, Senior William Whang received high honors for himself and the Math Club in the Occidental Math Meet.

TOP RIGHT: TEN SECONDS LEFT — Mr. Halsted checks his watch during the sit-up test for physical fitness.

LEG BONE IS CONNECTED TO THE KNEE BONE — Mr. Peters teaches his students the importance of first-aid.

A Real Ram

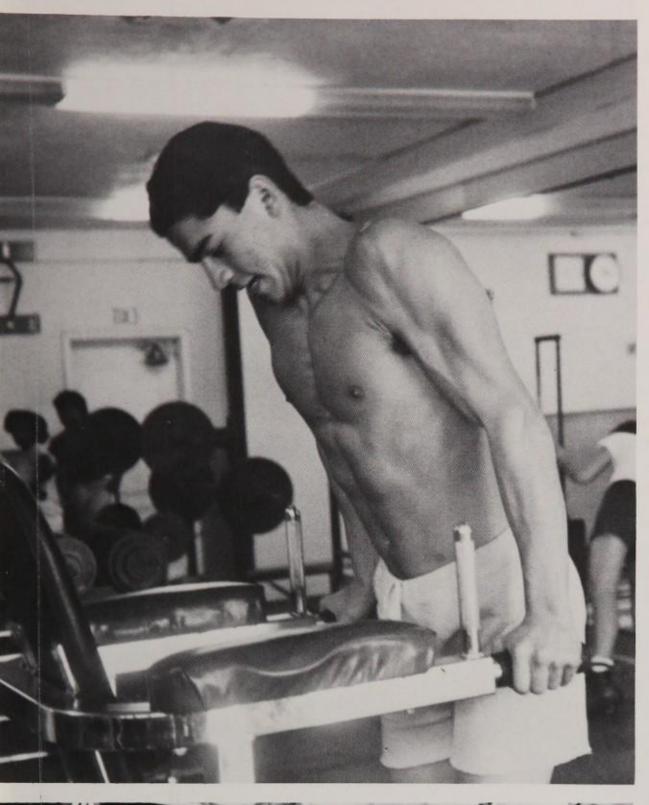

Of all the people who go into teaching careers, very few get to teach at their alma mater. Mr. Dan Peters has had that special privilige.

A 1970 Millikan Graduate, Mr. Peters was very active in sports while in school. A two-year starter in both basketball and baseball, he was a part of the 1969 CIF baseball and 1970 Basketball champion teams.

Joining the staff in 1981, Mr. Peters led the Ram baseball team to another CIF championship title in 1982. During the Spring of 1983, Mr. Peters met Ms. Christine Leeb, a fellow faculty member, who would later become his wife. Mr. Peters and Ms. Leeb were married December 22, 1984.

Mr. Peters said the biggest change he had seen at Millikan since his days at the school was "The students now express themselves in a completely different way. At that time we were much more vocal than the kids now."

JIM LATURNER '86

Preparing For A Change

"Though we're only in physical education for less than an hour, the workouts are demanding and strenuous," stated Senior Wagner Montiel. After this year, though, juniors and seniors would no longer be required to take physical education. Under the new policy, sophomores passing a competency test would graduate without being involved

in P.E. in their junior and senior years.

To pass this test, each student would be required to show competency in both individual and team sports, demonstrate the ability to swim, or stay afloat for five minutes, and rank in the upper twenty-fifth percentile on four items of the California Physical Fitness Test. Department heads Mr. Carl Halsted and Ms. Doris Doughty felt that the only problem would be the swim test requirement.

A new curriculum guide was developed for career guidance with more use of the career center. Students would find further information and opportunities in their interests for both school and the career worlds. Students learned first aid and the problems of smoking and alcohol, as health re-

mained the same as it was in the past.

The anticipation of being behind the wheel of a car made Driver's Education a favorite for many students. In the nine-week course each student was taught safety and the rules and laws for driving in the state of California. Sophomore Josh Danufsky remarked, "Driver's Ed is teaching me to become a better and safer driver."

Students of the quarter for the Physical Education and General Education Departments were Todd Babb, Christina Wited, and Susan Fannin, respectively.

LEFT: SURGEON GENERAL SAYS ... — Lisa Schmeicher studies the ill-effects of smoking. TOP: ONE MORE TO GO ... Wagner Montiel tones his muscles doing bar dips in the weight room.

Teachers Produce Winners

The teachers in the Business and Fine Arts departments worked hard with their students to help them realize and strengthen their abilities. Many of the students received honors and awards for their fine work.

In the Art department Hee Kang, Navy Khiv, and Joe Cao placed in the art competition at the Lotus Festival, an Asian festival in Los Angeles. Soo Jee, Hee Kang, and Navy Khiv had some of their art work accepted for display at the USC High School exhibit.

Senior Melissa Colburn was voted the Most Outstanding Business Student by the business teachers.

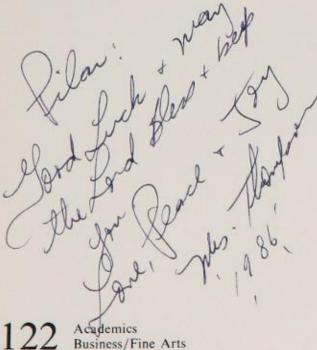

The Music department was priviledged to have many outstanding students, also. The Instrumental and Choral Music departments were represented by students in the All-Southern-California Orchestra and Choir.

Technology added to student awareness as the Information Processing Lab continued to grow with the addition of three new Silver Reed electronic typewriters and four new Apple IIe computers.

The Music department added a new course in "Exploring Music." This class, taught by Ms. Debbie Mrazik, was created so that non-music-oriented students could learn about different kinds of

"Teaching instrumental music is very demanding, but the students are talented and cooperative, and that makes it all worthwhile," stated Mr. Dan Sullivan, music director.

ABOVE LEFT: THINGS ARE GOIN' GREAT! - Ms. Debbie Mrazik smiles as the choral groups perform in the Fall Music Concert. RIGHT: I DON'T KNOW THE WORDS! - Pilar Salomon types the words of Christmas Carols into the computer so that she and her friends will have them to go caroling. OPPO-SITE FAR RIGHT: TWO PLUS TWO ISN'T FIVE! - exclaims Junior Julie Goodheart as she discovers her accounting homework doesn't add up.

HEY, COACH! — Coach Pappas throws the basket-ball to his players during one of their practices.

Busy With Business And Basketball

Business teacher Mr. Gregory Pappas is not one to spend his whole day in the classroom. Along with teaching Typing and Record Keeping he also coached basketball. Mr. Pappas had been the Girls' Head Coach and the Boys' Varsity Assistant Coach for the past three years.

He started coaching when he was in college as a recreation league coach. Before coming to Millikan, Mr. Pappas coached at St. John Bosco for four years.

During the summer and in his spare time, Mr. Pappas spent a lot of time at the beach and working on and around his new house. He enjoyed playing basketball and also tennis.

"I enjoy coaching, and I like to see the kids improve from day to day and year to year," stated Coach Pappas.

Industrial Arts Keeps Students Buzzing

Loud noises coming from the 700 building were none other than the Industrial Arts classes busily working on their unique creations in the woodworking, electronics, metals, graphics and drafting shops. Not only were these classes fun to participate in, but they also provided students with some valuable skills. "Many students should have more Industrial Arts training, allowing some experience for future jobs," commented woodshop teacher, Mr. Bill Freman.

Along with designing and building their own inclass projects, several students in the shop classes participated in extra-curricular activities to further broaden their abilities. Auto shop students participated in the VICA (Vocational Industrial Clubs of America) Skill Olympics, competing for scholarships and other prizes. In addition, the Regional Occupational Program (ROP) provided even more opportunities for Industrial Arts students by allowing them to work for new car dealers after school.

There were a number of graphic arts students whose skills earned them part-time jobs in the printing trade. Mr. Richard Williams, graphic arts teacher, stated, "The students are fortunate to have one of the finest printing facilities in Southern California in which to learn. It is a top-rate print shop."

Just as students took Industrial Arts classes to learn a skill, over two hundred Home Economics students enrolled in a variety of courses ranging from Foods and Nutrition to Clothing Selection. Effective Living was by far the most popular, however. As part of the class, students were "married" in mock weddings and then each couple was required to shop for necessary items and make a family budget in order to pay bills. All this was intended to teach students some important facts about independent life. "I thought it would be my easiest class," commented Senior John Tormey, "I really have learned a lot." Two new books, Choices and Challenges and a Survival Text have also been added to some Home Economics courses to keep up with current information.

RIGHT: MAKE A WISH — Senior Steve Leduc and Junior Tina Madrid celebrate after their Effective Living marriage by cutting the traditional wedding cake.

A MASTER TEACHER — Ms. Hyams studies for her master's degree.

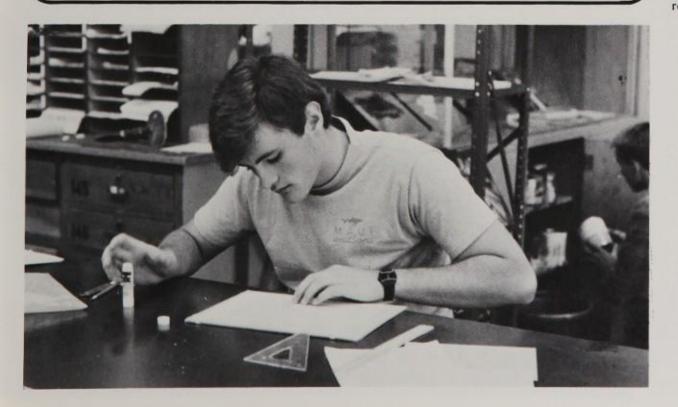

Living It To The Fullest

Finding activities to fill her free time was definitely not a problem for Home Economics teacher Ms. Nadine Hyams. In addition to teaching her Effective Living and Life Sciences classes, Ms. Hyams found time to work on her master's degree from the University of Laverne. "I hope to become a school counselor someday," she explained.

Along with her educational pursuits, Ms. Hyams is an avid fan of outdoor activities and enjoys white water rafting and cross-country skiing the most. Any time she has left is usually spent participating in Jazzercise classes and shopping as much as possible.

Ms. Hyams was the co-sponsor of Hour to Devour and participated in several school functions, including the faculty cheerleaders and an elf in the Holiday Program. "I was perfect for the part because of my size," she added. When asked about her feelings toward teaching, Ms. Hyams stated, "I really love teaching, and I'm happy to be at Millikan. It's the best school in the district."

Dancers Are "StarStruck"

Without the Holiday Dance Concert, Advance Dance was determined to have an excellent show in the Spring. Right after winter vacation, choreographers began choosing songs for their dances.

Jazz dancing proved to be very popular in the dance concert. Wendi McLendon choreographed a dance to an "ABC Mix" which raised the audience's excitement level to fever pitch. Kim Stewart's "Love Cats" featured exotic and alluring feline movements.

"In the past three years, I've noticed a decline in the variety of dances," remarked Senior Carl Thompson. Yet many students found time for dances other than jazz. Almost as popular as jazz were the character dances. Carol LaCore and Ann McKee choreographed a sizzling dance to "Steam Heat", and Kumi Toyoda choreographed one to "Le Jazz Hot".

One new teacher, replaced by a second new teacher, Mrs. Gwen Henry, made for a late start and slow going for concert preparations. However, Mrs. Henry handled the situation perfectly. "There is a lot of talent in this class; many who will go on to be professionals," commented Mrs. Henry. Within one week of her arrival and with the assistance of Student Director Dolly Jacobson "StarStruck '86" was on its way of becoming a big hit!

BIG PICTURE: RRRRRR ... — During a late night practice for the dance "Love Cats", Karen Oleson grasps at Steve Silverman's leg while he and Jennifer Paternoster perfect their lift. Tradition Thrives As Band Marches On

The thirtieth Ram Marching Band entered the year far from auspiciously. Sweat dripped from many brows during the exhausting workouts of August's annual Band Camp. No matter how high the mercury rose, band members practiced twice daily on the football field. Junior Lisa Jean Kendig recalled the daily fatigue well, "Band Camp was somewhat of a proving ground. It made me clarify my priorities, and I really had to dedicate myself to those intense practices."

Temperaments changed as football season started and the Band actually began to perform. Senior Michelle Schantz reminisced about the games, "I had so much fun performing during halftime. There was such a feeling of unity and togetherness."

Band performed regularly during halftime with Kidettes. After halftime the members took to the stands and belted out spirited fight songs and "thrashed." Section Leader Susan Kendig explained "thrashing" as "wild and frenzied dancing in the stands." She added, "I thrashed instead of cheering. It was my own means of exhilarating self-expression."

Homecoming, with the "Hawaii Surfin' Safari" theme, was especially exciting. Band members and Kidettes dressed up in a rainbow of colors and performed interesting marches and routines for audience enjoyment.

After football season was over, Band geared itself for competitions. Band secured a blue ribbon at the La Habra Field Competition and did well at the Baldwin Park Competition Parade and the Norwalk Field Competition. Band also marched at the Belmont Shore Christmas Parade.

Band continued to play at rallies. Although there was a natural rivalry between Pepsters and Band, Band did furnish many songs for Flag and Song routines.

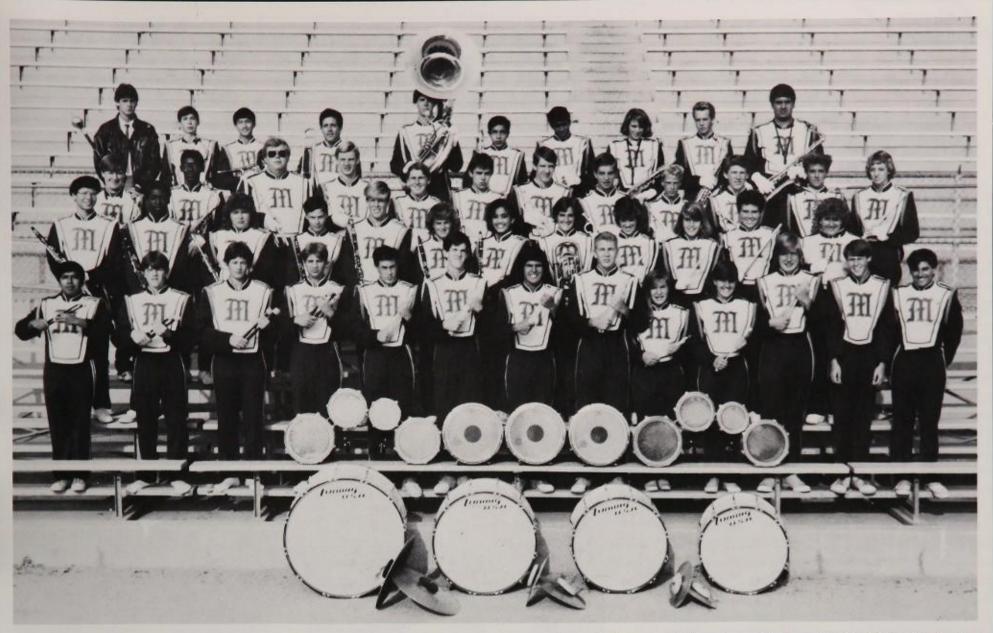

Tradition flourished throughout the year. Band members found a special unity and togetherness in participating in the traditional beach parties, picnics, bowling nights, and pizza nights. "I really enjoyed all the fun activities, especially the beach parties," expressed Junior Brent Fung.

Many seniors found leaving the glory of thirdyear membership difficult. Section Leader Darrin Chen reflected on the year, "My third year of band was definitely my best. Workouts were arduous at times, but the good outweighed the bad. We had a great year."

ABOVE RIGHT: LOW BRASS SENSATION — Senior 4.0 Susan Kendig skillfully plays her instrument at a balmy September rally. RIGHT: GYMNASIUM PERCUSSION — On an inclement day requiring an indoor rally, drummers Ron Nieto, Rob Orr, and Albert Simmons thunder out music for a Flag routine.

To Be The Best

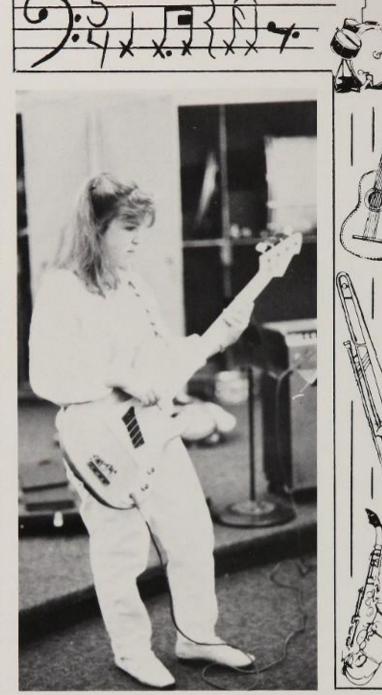

"This band has tremendous potential!" exclaimed Jazz Director Mr. Dan Sullivan. "If the students put out their full effort, we could easily be one of the top five or ten jazz bands in Southern California." This was the attitude of the entire Jazz Band. The students put it their way by saying, "We try to bring out the best possible playing ability while having fun!"

The group's efforts resulted in success when they participated in the Mt. San Antonio College Jazz Festival in January. Four students received outstanding musicianship awards: Seniors Ron Thomas and Steve Fish on trumpet, Senior Fred Jackson on baritone sax, and Sophomore Candi Fedak on electric bass. Other outstanding players were Senior Tim Leslie on alto sax, Junior John Henrichs on tenor sax, and Sophomore Eric Cole on trumpet.

To become the best, the band practiced during "A" periods two or three times a week during the first semester and every day during the second semester. Besides playing jazz, the band studied jazz history and style development, jazz harmony, big bands, and combos while they listened to major Jazz artists and studied their approaches. The band also spent a lot of time creating jazz solos (improvisations) because Mr. Sullivan felt that it was the heart of the jazz experience and provided a stimulating and rewarding challenge.

Being a member of the Jazz group was enjoyable because it gave Ram musicians a chance to explore a totally new realm of music. They played many styles including the shuffle, swing, Latin, jazz-rock, funk, and various combinations there of. Ron Thomas said, "Jazz, it's the music of the 80's!" He and Tim Leslie planned to persue a college degree in Jazz music. Tim Leslie concluded, "Jazz really gives me the ability to explore my inner-self."

ABOVE RIGHT: G-MAJOR — thinks Candi Fedak as she practices her part in Bye Bye Blackbird. FAR ABOVE RIGHT: PERFECT HARMONY — John Sanchez and Eric Cole play their duet from the song Hip and Cool. RIGHT: HAVE A JAZZY CHRISTMAS! — Paul Daisey, Kris Keller, Julie Greenlee, and Tim Leslie perform in the holiday concert. ABOVE: TOOTING HIS HORN — Senior Tim Leslie plays his bassoon to the up-beat tune of *Evita* during the Pop's Concert.

Only The Elite Are Left

"Although the orchestra was smaller, our closeness helped us achieve a clear, sharp sound," commented Junior Julie Greenlee. "Sharp sound" was the best way to describe the symphony orchestra of 1985-86. As a result of a decrease in the members, the orchestra was able to work more closely to obtain a unified sound than a larger group could have.

At the Winter Concert in Mid-December, the orchestra, under the direction of Conductor Dan Sullivan, opened the evening playing clips from The Nutcracker Suite. Concluding the concert with White Christmas and Yuletide Festival, the orchestra left the audience in the festive mood of the holidays.

During the Pop's Concert in February, the orchestra played to clips from the musical Cats. "As the evening progressed, the crowd seemed to get into the mood of the concert," stated Junior Brent Fung. "At the conclusion of Evita, the atmosphere around the auditorium was rolling to the beat of the music," added Junior Julianne West.

Although the enrollment in orchestra decreased, the members left were among the best. Among the elite members of the orchestra were All-Southern Selections Brent Fung (violin), Julianne West (flute), and Rick Mizuguchi (cello). "Being named to the All-Southern Orchestra was quite an honor, considering members were chosen from all of Southern California," commented Junior Rick Mizuguchi.

Adding to the list of spectacular musicians were All-District Selections Nana Mizuguchi, Angelika Grüeger, and Brent Fung (violin); Ron Nieto, Steve Quesnel, Rob Orr (percussion); John Sanchez (trumpet); Candice Fedak (bass); Rick Mizuguchi (cello); and Julie Greenlee (clarinet).

OPPOSITE LEFT: STRUNG OUT! — Rick Mizuguchi shows why he is an All-Southern Orchestra Selection, during practice, as he tunes up his cello. LEFT: HITTING THE PERFECT NOTES — Junior Julie Greenlee consistently puts out perfect tunes as she plays clips from *The Nutcracker Suite* at the Holiday Concert.

Holiday Concert. RIGHT: PRACTICE zart's Marriage of Figaro during a dress re-MAKES PERFECT — Sophomore Candy Fe-hearsal.

Orchestra Gets Standing Ovation

Many students attended summer music camps in preparation for the year in the Symphony Orchestra. Although Arrowbear was the most popular music camp, some students did attend other camps. Senior Ron Thomas and Junior Lisa Kendig enjoyed a new Jazz Camp at Idyllwild.

Mr. Daniel Sullivan, director of the orchestra, took a course during the summer at USC towards a master's degree in music education. He took a class in music of the Baroque Period which was a great help for him in presenting music of the 1700's to the class.

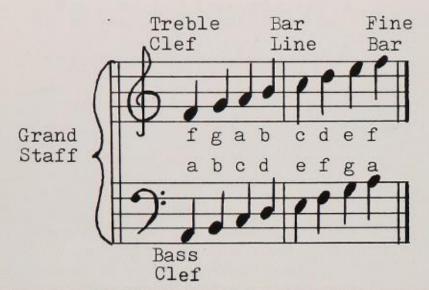

The orchestra learned six pieces of music in the first eight weeks of school in preparation for the Fall Concert held in November. Among the variety of music selected to interest the audience were Mozart's Overture to the Marriage of Figaro, selections from Oliver!, and the grand finale, The Battle Hymn of the Republic.

Mr. Sullivan commented, "Any flaws in the concert were certainly overshadowed by the beautiful performance of the *Battle Hymn* which combined the elements of the orchestra, the choir, and special staging effects with an American flag and The Statue of Liberty to produce a rousing finale to which the audience responded with a standing ovation."

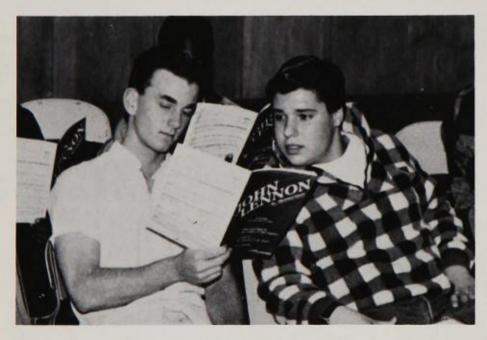

The orchestra was fortunate to be able to attend dress rehearsals of the Long Beach Symphony. Many students also received complimentary tickets to the Symphony Concerts. Some students who attended these were flutists Cynthia Grinstead and Lori Abramow, violinist Allen Adalian, and clarinet player Julie Greenlee.

The main problem the orchestra faced was a declination in enrollment, but, as the director said, "Our Symphony Orchestra still presents high quality programs with some extremely talented musicians," including Concert Master Nana Mizuguchi and his brother Rick Mizuguchi, who actually practiced an average of three hours a day.

FAR ABOVE: THE LITTLE DRUMMER BOY — Junior Steve Quesnel practices Oliver during Orchestra class for an upcoming assembly. ABOVE: FLUTISTS WITH FINESSE — Juniors Erika McKee and Julianne West along with Senior Lori Abramow play a trio during a chamber ensemble rehearsal. BACK ROW: Margaret Matera, Julie McGowan, Kim Kuehn, Stacy Bryan, Andy Pettit, David Greene, Guy Short, Jackie Johns, Anna McCarthy, Jessica Busher.

VOCAL JAZZ — FRONT ROW: Kim Todd, Kim Chapman, Alicia Easley, Laura Scroggins, Desiree Vance, Kim Templeton, Elizabeth Newman, Holly Doreck, Anita Berg. SECOND ROW: Kim Moreland, Tara Fletcher, Lyndale

Redd, Heather Rideaux, Traci Boyd, Loel Bratcher, Shonda Smith, Julie Clement, Jennifer Hall. BACK ROW: Bill Grahm, Jeff Davis, Dan Hampton, Randy Collins, Price King, Rick Level, Dorian Cummings, Dave Williams.

Singing Like Crystal

"Singing in 'The Glory of Christmas' at the Crystal Cathedral was one of the most exciting and cherished memories I've collected through being a member of Concert Choir," stated Senior Ann McKee.

On a special invitation, the Concert Choir performed at the Crystal Cathedral during 'The Glory of Christmas.' They sang traditional carols in front of the cathedral before the performance began. Later, as a part of the opening number of the program, they dressed as carolers and sang a special arrangement of Silent Night.

Both Concert Choir and Vocal Jazz were very busy working on music for their many performances. The choirs sang in four concerts at school and many other locations in the community.

Ms. Debra Mrazik, the choral director, featured the choirs in festivals such as the Newport Beach Festival and the CSULB Festival.

Performing at a Multiple Sclerosis Banquet was a tradition for Concert Choir. Again they went to St. Gregory's Church to sing at the banquet as a community service.

"This has been a most rewarding year at Millikan. My students' enthusiasm and talents have made each teaching day a pleasure," commented Ms. Mrazik.

ABOVE: WHEN DO I COME IN? — asks Nancy Thompson while Ken Monreal and Noreen Dulin sing their parts in a John Lennon medley. LEFT: FELICE NAVIDAD — Anna McCarthy, Ken Monreal, Rob Cinco, and Julie McGowan wish us all a Merry Christmas from the bottom of their hearts, in a skit from the Holiday Concert.

Sweet Sounds Of Success

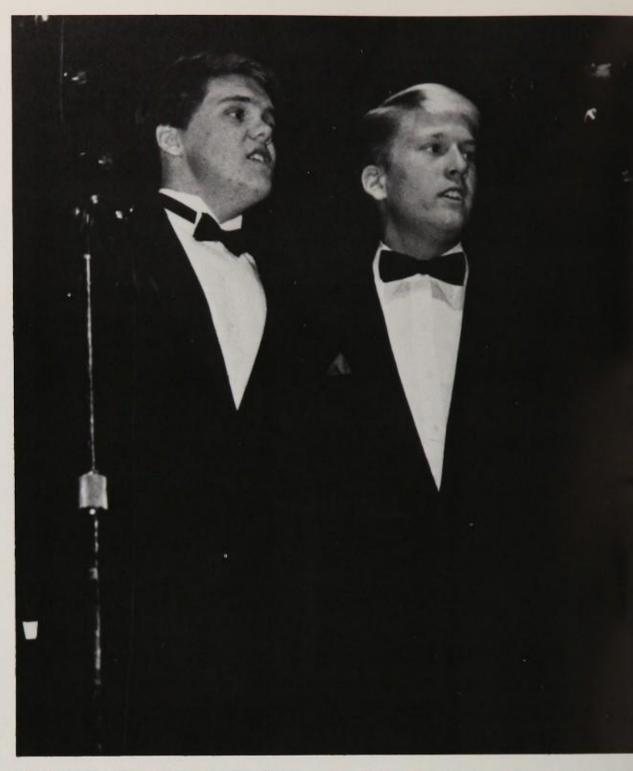

Gentlemen's Choir, male singers who performed barbershop-quartet-styled songs, was a new addition to the Choral department. Following auditions, the "old-fashioned" group met during Aperiod each Monday to practice their "harmonies" for such old favorites as Ezekial and For Men Only. Cheers from the audience at the Fall Concert proved their success as a group as well as their popularity.

The Girls' Choir met second period and was called the Cecilian Singers. Choir Director Ms. Debra Mrazik, named Bambi Beaucheshe, Kim Nhun, and Stephanie Graves as the outstanding singers in Cecilian. Besides learning songs for all the concerts, the Cecilian Singers planned to attend several choir competitions in the Spring.

Chamber Singers, the "elite" RAM choir, was small but performed exceptionally well. Receiving good marks at most of their festivals and competitions, they hoped to be able to attend a competition in Palm Springs in the Spring. This was due, in part, to their dedicated practicing before school three days a week. "It was difficult to get up in the morning for rehearsals, but I think now that it was worth it because it left me with a lot of memories and molded me into a more disciplined singer," said Senior Rob Cinco.

To bring out the best in the choirs, Ms. Mrazik emphasized excellent vocal production, tone quality, and the ability to read music and sightsing. She firmly stated, "Singing is fun, especially when the choir sounds wonderful, and that takes work." Pianist Ms. Rebecca Mauss, new accompanist for the choral groups, said, "I really enjoyed accompanying the Millikan singers. They are truly outstanding!"

ABOVE RIGHT: I LIKE FIGHTIN'!-Mike Duree and Guy Short harmonize during the Fall Concert. RIGHT: YESTER-DAY-Jeff Gott practices his solo for the Spring Pops Concert. We Go Together

Appropriate as part of the celebration of Millikan's thirtieth anniversary, the Spring musical Grease glorified the "happy days" of those fabulous fifties. Working together, the cast, the Grease band, and the stage crew produced a professionally planned and executed musical, doing justice to the early years of Ramhi.

Instead of each production unit concentrating on only their own goals, they cooperated; the result was a financial success which brought rousing applause from audiences in each of the three nights of performances.

Carl Thompson as Danny Zuko and Ann McKee as Sandy Dumbrowski led an enthusiastic cast, including Wes Jackert (Kenickie), Anna McCarthy (Rizzo), Ken Monreal (Doody), and Dolly Jacobson (Jan).

Wholesome Sandy Dumbrowski was the new girl at Rydell High School. Befriended by Frenchy, played by Jackie Johns, one of the school's infamous "Pink Ladies", Sandy told of her summer romance with Danny Zuko, who turned out to be the leader of the Burger Palace Boys. As the story progressed, Danny joined the track team to impress Sandy, even though his buddies laughed at him. In the end, Sandy became a Pink Lady and captured Danny's heart.

"Those Magic Changes," one of the many songs from *Grease*, summed up the many changes which were made in the production which led to its success. Ms. Debra Mrazik, the director, encouraged a great deal of student input, including choreography and staging. "The cast and crew's contributions made the musical a very personal experience for each members," according to Ms. Mrazik.

Close friendships were formed as a result of the cast being reduced to twenty members instead of the usual musical cast of sixty. "Even though the rehersals were long and tiring, all the time we spent was worth it. The show was fun, and the friendships are priceless," stated Pink Lady Kim Stewart.

ABOVE FAR LEFT: SUMMER LOVIN' - Danny (Carl Thompson) brags of his summer romance to his friends. FAR LEFT: I'M SO FULL OF LOVE — sings Roger (Bruce Shue) to Jan (Dolly Jacobson) during their duet in the park. FAR LEFT MIDDLE: AREN'T YOU SUPPOSED TO BE IN CLASS? - Miss Lynch (Angela Packer) gets after Sonny (Chris Terrazas) for not being in class while the Burger Palace Boys laugh at him. FAR LEFT BOTTOM: LOOK AT ME, I'M SANDRA DEE — Rizzo (Anna McCarthy) runs her fingers through Doody's (Ken Monreal) hair as she makes fun of Sandy's innocence. ABOVE LEFT: TELL ME MORE! - Sandy (Ann McKee) tells Patty (Hayley Sloan) and the Pink Ladies about her summer romance. ABOVE MIDDLE: GO GREASED LIGHTIN"! - Kenickie (Wes Jackert) shows off his new car as he sings with the Burger Palace Boys. LEFT: YEA RINGTAILS! - exclaims Eugene (Jeff Gott) in his opening speech at the class reunion.

Drama Uplifts Audience

The drama class sparkled this year with its production of the Broadway play Butterflies Are Free.

Mr. Alvin Randall, drama department head since the school opened in 1956, directed the performance, as alternating lead combinations of Senior Jeff Gott and Junior Christi St. Laurent and Senior Steve Silverman and Junior Lisa Sparks showed outstanding effort.

The plot involved a blind man who had adjusted to normal life and a girl who learned from him about the unlimited potential of the "handicapped". Other students involved in the production were Seniors Stacy Bryan, Jon Banner, Brian Steele, and Sophomore Kristen Fagiano.

Mr. Randall chose Butterflies Are Free because of its important subject matter and message. The members of the drama class agreed that the play had good audience appeal and that it seemed to be a challenge for the actors. Those who actually got into the production worked long hours after school, rehearsing and aiming for perfection. Jeff Gott, who was able to use his guitar-playing ability in the play, recalled, "The practice sessions got really intense at times, stretching everyone's limits and patience. But it was worth the effort to prove to ourselves that we could perform truly well."

The set for the play was a "theater in a theater", which proved to be a challenge to the stage crew's ability. The auditorium's stage was set with rows of folding chairs and the action took place in a small area at the very back. "The special setup gave more life to the production, allowing the personal feeling of the script to come through to each member of the small audience," observed Mr. Randall.

Butterflies Are Free was a first semester effort, and much of the remaining part of the year was a more personal time for drama students, as they read and studied plays among themselves. Some students were given the opportunity to direct short plays or scenes for performance in front of fellow actors. Said Jon Banner, "The experience provided valuable background on theater which will help us in our future acting careers."

ABOVE FAR RIGHT: "YOU DON'T UNDERSTAND" — says Junior Christi St. Laurent as she tries to convince Senior Steve Silverman that she must leave him. MIDDLE RIGHT: "NO, I AM NOT!" — Steve Silverman tells Senior Stacy Bryan that he will not come to live with her.

MASQUERS - FRONT ROW: Christi St. Burtram, Ken Monreal, Mark Dennis, Christi-

LOWER RIGHT: "WHAT'S MY LINE?" - says Christi St. Laurent as she and Senior Jeff Gott spend a few moments during lunchtime practicing their lines for the upcoming play. MIDDLE LEFT: "WELL," - says Christi St. Laurent as she explains to Steve Silverman about her pebble necklace along with other of her favorite items. Steve wonders if she will ever stop talking about all of her foolish items she has collected over the years from all different, strange places. MIDDLE RIGHT: "CONGRATULATIONS AND THANKS!" exclaim some of the members of the cast as they finish their last performance of the very successful play. LOWER LEFT: "HURRY, HIDE!" - yells Christi St. Laurent as she and Steve Silverman try to hide from Stacy Bryan in the Fall Drama performance, Butterflies Arc Free. Stacy walked in on Christi and Steve during one of their very romantic scenes.

All Work No Play

"Help! I need a caption for this picture," cried Junior Wendy Christensen at 2:30 a.m., Friday morning, just seven and one half hours before deadline. Aries staff members worked frantically at layout parties held the week of deadline in order to get their spreads turned in on time.

Editors Rob Durazzo, Kristin Burns, and Michele Massey were the driving force behind the Aries staff. They were essentially the backbone of the staff in that they were responsible for the coordination of each staff member's assignments, as well as their own.

Second-year members Hayley Sloan and Nancy Vamvakitis were an asset to the staff as they helped the first-year members learn the basics of yearbook spreads. Incoming Seniors Phil Jones and Rodger Keester upheld such Aries class traditions as birth-day parties and the notorious "Statement of the Day."

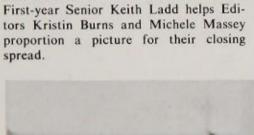

"Aries has a number of traditions that have been carried on through the years," explained Junior

Christy Eastman. Lisa Spruill added, "We have a lot of fun in Aries by keeping these traditions. They're kind of special to us."

Creating yearbook spreads was a difficult task and tension increased as deadline approached. Senior Fred Krueger stated, "Most students don't realize the time and effort that is put into each spread."

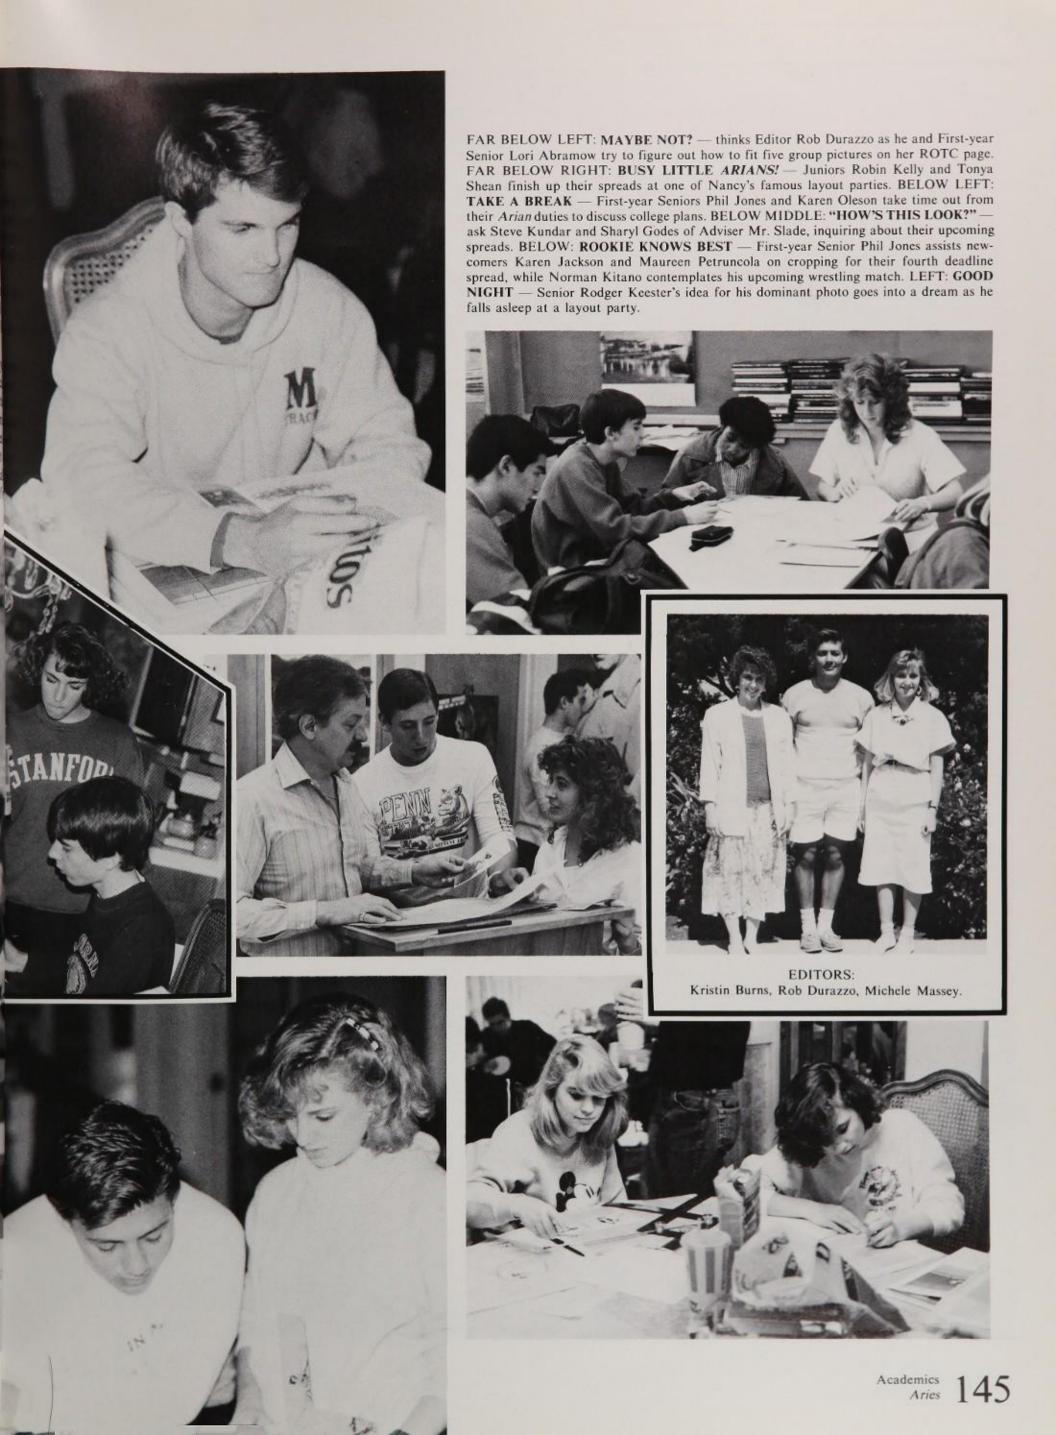

"The Aries staff becomes similar to a team in that each member works toward the same goal to produce a top quality yearbook," explained Mr Fred Slade, the adviser.

Senior Karen Jackson summed up her first year in Aries by saying, "Everyone became close friends. It was more than being in class together we spent a great deal of time out of class, working on assignments." Junior Robin Kelley agreed by stating, "I enjoyed being in Aries because it was more than just the average class. It was a staff of people who were all dedicated to the goal of producing a five-star yearbook."

BELOW: EDITOR KNOWHOW

Corydon: A Quality Operation

"How long has the Astronomy Club been functioning at Millikan?" This was just one of the many questions that **Rhonda Frazier** suggested to **Shelley Smith** while helping her prepare an interview for her article to appear in the *Corydon*.

The main goal of the Corydon staff was to publish one newspaper each month. In the early part of the year, that goal was a difficult one. As Advisor Bernice Whiteleather said, "We have two-thirds of the class as beginners, so the first quarter is rough."

Much of the responsibilities for putting out a quality paper rested on the four page editors: Robert Saslow, Evelia Woodfin, Gary Rousselo, and Joel Lentzner. They were responsible for a variety of jobs, including type-setting, proof-reading articles, and filling in for anyone unable to complete his or her assignment.

Photographers Steven R. Silpa and Steve Lerner helped the staff by taking a wide range of pictures, used regularly by the paper to enhance articles.

Some of the outstanding members of the Corydon staff were Reporter Mike Farhang, Graphic Arts Assistant Paul Carhart, and Business Manager Shari Vall. They and others helped make this one of the best years in the history of the Corydon.

ABOVE: "THAT SOUNDS BETTER!" — says Advisor Bernice Whiteleather as she helps Mike Farhang polish his article for the December issue. CENTER: "HOW MANY MORE?" — questions Roger Quigley of Derek Oriee while they print copies of the final paper design. RIGHT: "AFTER I FINISH THIS . . ." — As she cuts a pattern for her project in Advertising Art, Beth Morrison thinks about her plans for later that evening. FAR ABOVE: "WHAT DO YOU THINK ABOUT . ." - Chris Nutter and Evelia Woodfin discuss plans for an upcoming issue of the newspaper. CENTER RIGHT: "A MOMENT OF SILENCE," — Tim Parker patiently concentrates on his final lay-out design in his Graphic Arts class. FAR RIGHT: "HOW DOES THIS COOK?" — says Shari Vall to Robert Saslow while suggesting conflicting ideas on the design of Robert's lay-out for the October issue.

RIGHT: ATTENTION, MEN — Stan Gardner and Deena White do a uniform check and give ROTC members Alfred King and Vadonna Muong a Quiz. ABOVE: STARS AND STRIPES — Color Guard Mike Schoenhut participates in the National Anthem during the Homecoming pre-game ceremonies.

ABOUT FACE! — Battalion Executive Officer Monica Donald commands as she asks questions during the weekly inspection.

Donald Drills

Senior Monica Donald was a member of both the Girls' Drill Team and Raiders. As a third-year ROTC participant, she was quite pleased to serve as the Battalion Executive Officer.

As Battalion Executive Officer, Monica's responsibilities were to supervise all staff, team leaders, and class leaders. She weekly inspected the class' uniforms and asked them questions over materials they were expected to know.

Monica won the American Legion Award in 1985 and the JROTC Map Reading Trophy in her sophomore year. She joined the Reserves in November, 1985, and attended monthly weekend sessions to learn basic drills. Monica enjoyed playing the violin and singing, and planned to study Nursing in college and then join the Army.

Lori Abramow '86

ROTC STAFF - FRONT ROW: Natalie Parsons, Bill Vendl, Rex Ramsey, Monica Donald, Michael Schoenhut. BACK ROW: Pat Zastrow, Michelle Wilson, Jocquell Alexander, Demetra Sullivan

BOYS' DRILL TEAM — FRONT ROW: Arcadio Avila, Javier Zavaletta, Romano Hill, Bill Graham, Willie Solis, Larry DeLos Reyes. BACK ROW: Ramon Cardena, Glen Campbell, Alex Campbell, Etimani Fuga, Richard Martinez.

RIFLE TEAM — FRONT ROW: Larry DeLos Reyes, Daniel Caudillo, Samnang Moeun, Pat Zastrow, Bill Vendl. BACK ROW: Robert Casey, Dan Nutter, Rex Ramsey, Mark Griffiths, Ken Thurman, Sargeant Zamarippa.

GIRLS' DRILL TEAM — FRONT ROW: Martha Puentes, Maria Barraza, Deidre Vaughn, Monica Donald, Yvette Jackson. BACK ROW: Mary Norman, Christy Mays, Susanna Perez, Rubicela Aguirre.

COLOR GUARD — FRONT ROW: Pat Zastrow, Michelle Wilson, Natalie Parsons, Stan Gardner. BACK ROW: Rex Ramsey, Monica Donald, Mike Schoenhut, Mark Griffiths.

ROTC Cadets Contribute

Colonel Padgett, head of the ROTC department, made clear that "The overall intent of JROTC is to help each cadet become a better citizen and to contribute to his or her community." To accomplish this, the organization was run by the students with a staff member appointed to cover each facet of the organization.

Led by Battalion Commander Senior Mike Schoenhut and Battalion Executive Officer Senior Monica Donald, many honors and awards have been presented to the different ROTC groups. ROTC has participated in matches at both high school and college levels, and has been named an Honor Unit after inspection by the U.S. Army Fourth ROTC Region from Ft. Lewis, WA. This evaluation involved all units in 19 states, two territories, and Korea.

In December, the JROTC Rifle Team won the first match against Poly, 756-556. At the annual Army Drill Meet among Poly, Jordan, and Millikan, Rex Ramsey took first place in the Color Guard competition, and Mike Schoenhut placed first in the Sword/Saber competition. In the Guideon competition, first place went to Deidre Vaughan and second to Rubicela Aguirre. Others that placed were Natalie Parsons and Bill Graham. Also, the JROTC Girls' Drill Team placed second in the Granada Hills Chamber of Commerce Parade, with the JROTC Color Guard placing second in their division. There were 184 entries in the parade.

"The ROTC program succeeded in producing fine citizens for society. The student leaders learned a great deal of responsibility and pride through their courses," according to Colonel Padgett, who also noted, however, that the ROTC program needed more Cadets who were willing to participate in the course.

ANTICIPATION — ROTC anxiously awaits the arrival of the Homecoming court.

ROP: The "Hands-On" Experience

ROP, formally known as the Regional Occupational Center/Program, offered classes to help further the career and vocational education of students. Over one hundred juniors and seniors took advantage of the various classes available, ranging from animal care to carpentry.

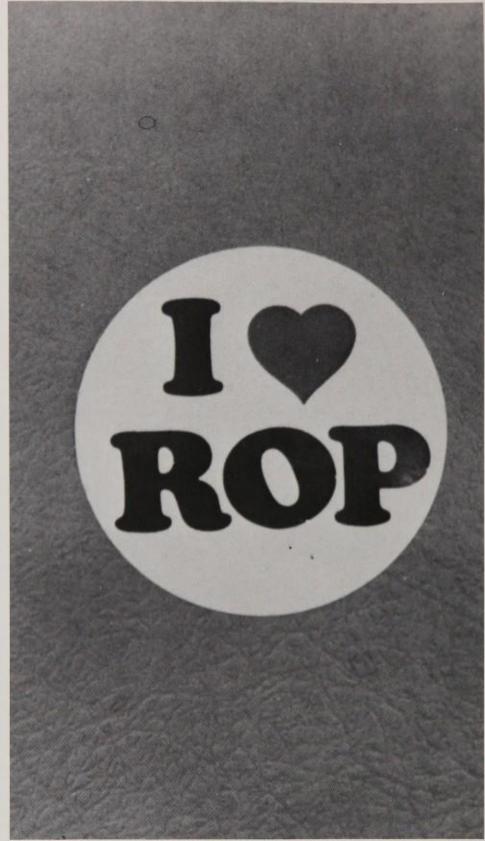

Probably the biggest attraction to the ROP courses was explained by Counselor and ROP Coordinator Mr. Karyl Napper, "Emphasis is shifted from textbook study of subject matter to the development of skills and knowledge required in actual job situations."

ROP utilized the "hands-on" approach to learning. A typical ROP student, Linda Sarne enrolled in the air transportation course at Long Beach Airport and participated in on-the-job training in the occupation of her choice. All ROP students worked in the actual environment with the materials, methods, and equipment used in business and industry.

Fashion merchandising student Danielle Anderson remarked, "Learning by working at my job at Jay Jacobs in the Lakewood Mall is much better than learning by sitting in the class! I love ROP!"

Some of the more popular classes included auto body repair, cosmetology, graphic designing, and welding. These, and 29 other courses, met daily for two or three periods and granted 10 or 15 credits per semester. Imagine having received credits for working and having fun — that's ROP!

ABOVE RIGHT: I LOVE ROP! — This was the feeling of many ROP students. BELOW RIGHT: HI-HO, HI-HO — Mike Sherain is off to his job site.

ABOVE: FASHION FIXER — Danielle Anderson fixes the collar on one of today's latest fashions at Jay Jacobs at Lakewood Mall. RIGHT: ROP TALK — Mr. Napper and Christina Leone discuss her job at Lakewood Stables.

Classified Staff

RIGHT: TOUCHING IT UP — Thomas Hartsfield paints class windows.

"DON'T BE LATE . . . " - says Staff Assistant Douglas Stewart.

Two-Minute Man

During passing periods and nutrition, students may have seen and heard a new Staff Assistant. That new face and voice belonged to Mr. Douglas Stewart, who distinguished himself by announcing, at the top of his lungs, how many minutes students had to get to class. "His announcements were strange, but they helped to keep me on my toes and get me into class on time," admitted Senior Matthew Gott.

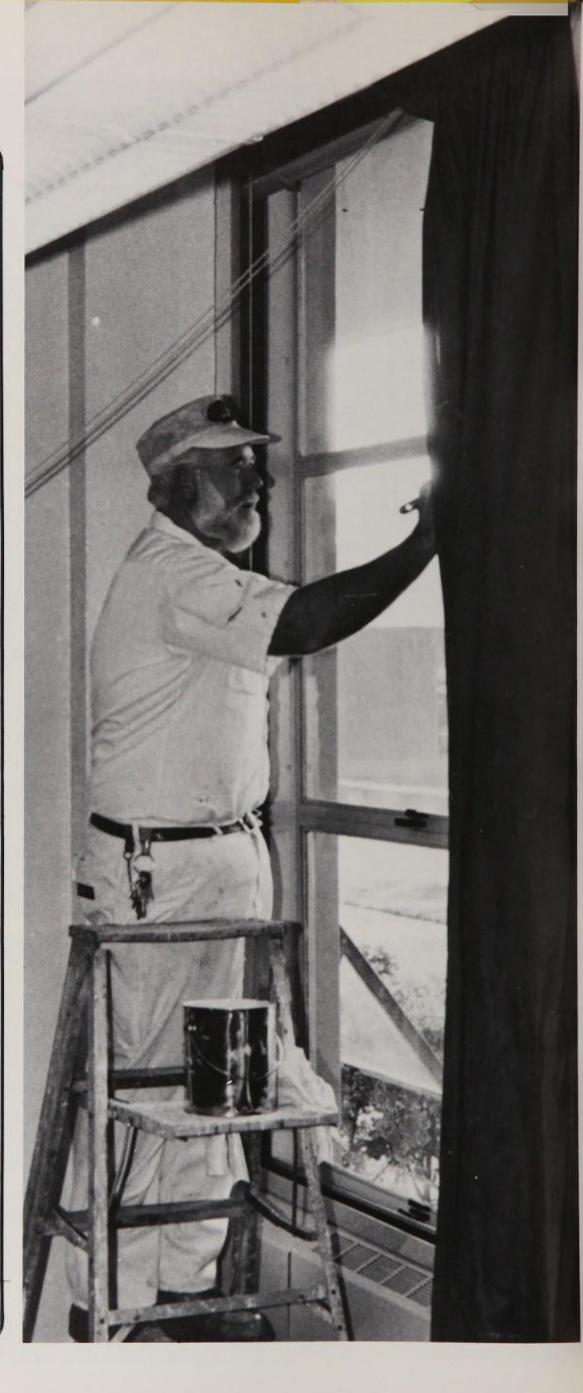

Mr. Stewart had been a staff assistant at many different schools during the previous six years. This was his first year at Millikan, and he was quickly promoted to a permanent staff position.

Mr. Stewart was born in San Francisco and attended San Jose City College, and subsequently received a scholarship to California State University, Long Beach. There, he played football and learned the finer points of the game.

In addition to his staff duties, Mr. Stewart also served as an assistant coach for the football teams. Senior Rob Durazzo recalled, "Mr. Stewart was a definite asset to our team — his enthusiasm helped us all season."

Mr. Stewart said he enjoyed his first year at the school, and looked forward to more years here. As he said, "I think we have the ability to be number one in Long Beach, both in academics and athletics."

A Little Help From Our Staff

"I want Millikan to be the best in academics and sports," stated Mr. Douglas Stewart. The classified staff welcomed a new staff and football assistant, Mr. Stewart. He worked as an assistant before, but this was his first year of coaching football.

Millikan's new re-admit policy kept Ms. Cleo Brown and Ms. Joyce Mathew, the attendance clerks, very busy. The students were allowed only one day to get a re-admit; therefore, the attendance office was full throughout the day, especially at the beginning of each period. Ms. Brown said, "The new policy helped some students get their re-admits on time, but some are still slow."

Painter Thomas Hartsfield worked daily patching and painting the buildings. His biggest job was painting the new fence several times throughout the year. Mr. Hartsfield also touched up many classrooms to keep them looking good.

Custodians cleared, cleaned, and cleaned the restrooms and classrooms. "The custodial staff is extremely conscientious about keeping the classrooms and halls as clean and sparkling as they can be," stated Mr. Dan Wooten, head custodian. Despite the problem of vandalism in the restrooms, the custodians were able to keep them in working order.

Staff assistants Ruth Leksan, Pat Murphy, and Gerald Milani continued their duties of campus supervision with the help of the new assistant, Mr. Douglas Stewart.

FAR ABOVE LEFT: PASS CHECK — During third period, Mr. Murphy does a quick check on Junior Kathleen Carey. ABOVE RIGHT: FINAL TOUCH — Groundskeeper Dennis Laing rakes up loose ground, to prepare the field for the trouncing of Jordan at Homecoming. ABOVE: HARD AT WORK — Cloe Brown answers phone calls and checks absences for students.

Mrs. Reid, Always On The Move

"I just keep moving!" Mrs. Jane Reid exclaimed, explaining her strategy for maintaining a crowded schedule.

As chairperson of the Math Department and adviser of the Math Club, Mrs. Reid was a very busy person who gladly devoted her time to teachers and students.

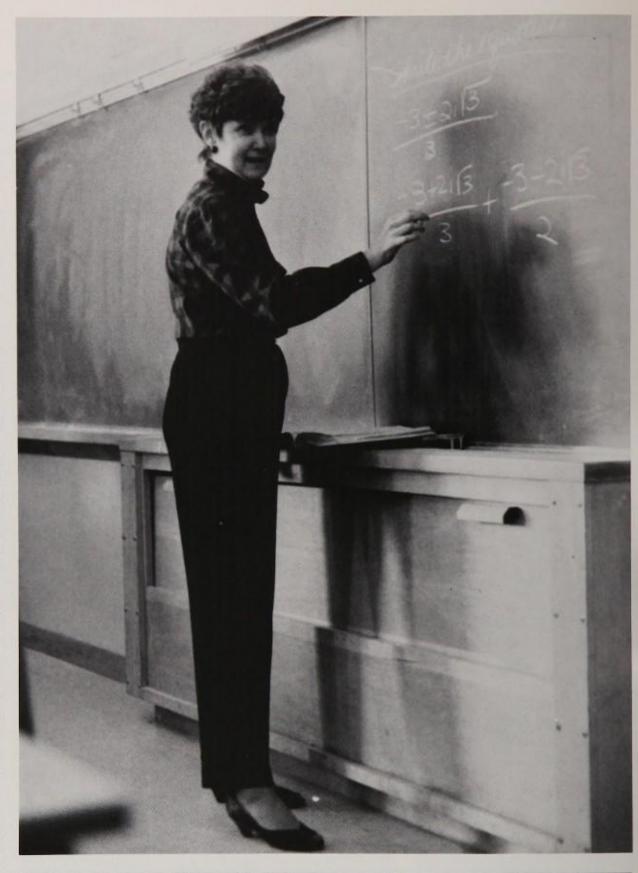

In addition to teaching her own full load of classes, she coordinated lesson schedules and distributed books and supplies to the fifteen mathematics instructors in the department. She also met regularly with the department heads of Wilson, Poly, Jordan, and Lakewood to discuss common problems.

Mrs. Reid especially enjoyed working with the Math Club. As adviser of this group for three years, she felt that it was gratifying to see talented students excel. "Many times it is difficult to challenge truly gifted students in an ordinary classroom setting. Math Club gives students a chance to review their basic math concepts and extend their knowledge with more advanced problems."

Mrs. Reid enjoyed camping and travelling with her husband and two teenage daughters. "Last summer we went to Europe, and it was great!" she exclaimed. Other interests included catching up on current movies, shopping, and eating out.

Mrs. Reid wrote many letters of recommendation for college-bound seniors. She felt that this was one of the most gratifying aspects of her career. "It's so satisfying when students I've taught come in to tell me that they've been accepted to the college of their choice!" she stated.

OPPOSITE ABOVE RIGHT: DIVIDE BY THIS VARIABLE ... — Mrs. Reid and Mrs. Henderson explain a difficult problem to a perplexed Susan Kendig. OPPOSITE FAR RIGHT: WHAT A GOOD IDEA! — Mrs. Reid listens to a suggestion from a fellow math instructor during a Math Department meeting in early January. OPPOSITE RIGHT: TRY THIS EXAMPLE ... — Mrs. Reid suggests a new, more difficult problem to Math Club member Ching Guu. RIGHT: LET ME GET THAT DOWN — Mrs. Reid takes careful notes during a Math Department meeting. ABOVE RIGHT: IT'S LIKE THIS — Mrs. Reid quickly works out a tricky example for Math Club members.

Rams Refuel; Relax At Lunch

"Lunch is a time to visit with your friends, do some studying, or just relax!" stated Sophomore Molly Downey. "I usually stay on campus, but many people I know do go off campus," she added.

Favorite lunching locales included McDonald's, Jack-in-the-Box, Naugles, and Subway. Straw Hat and Round Table, as well as Arby's, were also popular munching spots. For an extra delight, Penguin's Frozen Yogurt and Bud's Ice Cream pleased many students.

The student store and cafeteria provided a wide variety of foods for students who decided to stay on campus. Cafeteria meals consisted of hamburgers, hot dogs, chicken fried steak, spaghetti, and much more. Candy, cookies, drinks, popcorn, and doughnuts were popular items sold at the student store during both nutrition and lunch.

Whether students stayed on campus or tried out one of the nearby fast food restaurants, many people utilized their lunch period as a time for relaxation and socializing. Others took time to study for tests coming up in their sixth or seventh period classes while still others attended on-campus school club meetings.

"I think it's really great to have a free period to recover after a hectic morning," stated Senior Carole Carroll, summing up the feelings of the majority.

UPPER RIGHT: TAKING A BREAK — Karen Keville, Tim Leslie, and Ron Thomas relax during lunch after a busy morning at school. New Principal Spurs On New Council

The arrival of Principal Edward Eveland brought an entirely new environment and atmosphere to Student Council. The first of these changes was in the Student Council room itself. Along with new carpeting and new paint, the Student Council room was furnished with new chairs and a new u-shaped table. "The upgrading of the Student Council room has really brought a serious atmosphere into Student Council," remarked Fall Senior President D.C. Conroy.

The new atmosphere helped change the attitude of Student Government as well. "Student Council has put student involvement at the top of its priorities; a big change since last year," stated Fall A.S.B. Vice President Tim Collins.

Increased involvement brought about a noticable change in school spirit. A major highlight of this spirit was in the KIIS-FM SPIRIT CONTEST. "This contest really gave students a chance to become involved in school. It proved to be extremely successful," remarked Fall A.S.B. President Rick Smyth. With the support of Student Council, students mailed over 204,000 postcards.

Annual welfare and service projects also grew in success. "Student participation in donations for the United Way, can food drive, and blood drive was extremely high," commented Spring A.S.B. President Mike Lawrence. The United Way campaign brought in large donations, as well as the Christmas canned food drive which brought in twice as many cans as expected.

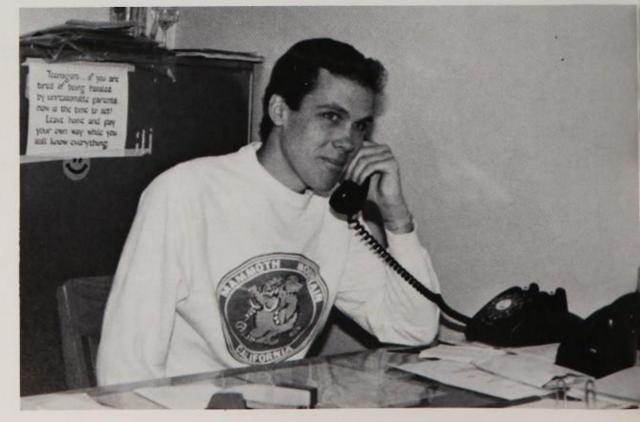

"1985-86 became one of the most successful school years for Student Council in terms of school involvement and student participation," commented Spring A.S.B. Treasurer Rob Durazzo.

TOP: WE MADE IT! — Karen Rutten and Anna McCarthy see their names on the list of Spring Student Council. Key Club And Keywanettes: Finally Friends

"Key Club gave me a renewed sense of brotherhood and was a vast forum for me to meet new friends and intensify older relationships," commented Spring Semester Secretary Phil Jones. Other Key-Keywanettes members agreed readily with this statement. This camaraderie helped increase the desire to serve the school and community and set the stage for a healthy competition between the two clubs.

Both Key Club and Keywanettes raised money to support students of India at the beginning of the year. The club that raised the most money was awarded the members of the losing club as slaves for a day. Key Club won, but Keywanettes remained undaunted and pledged to get the Key Clubbers back. During Christmastime, Keywanettes and Key Club sang Christmas Carols at a hospital. "There was a tremendous turnout," exclaimed Junior Tonya Shean, "that brought the two clubs much closer."

Key Club, under the leadership of Fall President Michael Lawrence and Spring President Keith

"Kev Club and Keywanettes have become involved in more service projects than ever before."

> - Chris Krueger Key Club

Ladd, raised more money than in previous years. With this newfound surplus, they donated three hundred dollars to the KIIS-FM High School Spirit Contest by purchasing nearly 40,000 cards. This, along with many other service projects, earned Key Club the respectable title of Club of the Semester.

Keywanettes, led by Michele Massey in the first semester and Christy Manker in the second, had a few problems getting a good start on the new year. Yet, by springtime, things were looking up due to an increase in the sales of buttons during Spring Week.

Key-wanettes finished the year with their annual banquets, both of which Keywanettes chivalrously paid for. During the last week at the traditional swim and annual signing party, Shelley Bruce and Kirk Brennan added together, "There is a special friendship among all of us in Key Club and Keywanettes."

Math Club Provides Opportunity

Students who excelled in academics found their sense of place through campus academic clubs. Under the direction of sponsor Mrs. Jane Reid, for example, the Math Club members spent time at meetings inventing and calculating drills and exercises which helped them to prepare for several competitions held at colleges throughout the year. "The Math Club helps me explore the science of numbers and share my discoveries with other mem-

"I enjoy the feeling of accomplishment that the Math Club gives me."

-Phil Jones Math Club

bers," said Senior Susan Kendig.

A.A.S., or All Athletic Supporters, helped promote spirit for various athletic teams. Basically, all of the members were part of one of the cheerleading or Pepster squads. Flag girl Michele Massey said, "In A.A.S., we are like a family. We are all together for the purpose of supporting our school and its athletic teams."

Anchor, a very active club on campus, continued their traditional activities. These activities included the Employee of the Quarter and the "adopting" of a family through the Salvation Army. This year the club organized a new service project, "Staff Secrets." Each member was responsible for baking and giving gifts to two staff members.

Newly chartered, the Asian Club was one of the newest clubs on campus. The Asian Club developed unity among the Asians on campus and quickly boasted a membership of forty-five students. Fall Secretary, My Trang, said, "Our enthusiasm is great; it looks like this club has a very fine future."

A Variety Of Clubs

Variety characterized the club scene during the thirtieth anniversary year. Each club had its own specialty, stressing student involvement. VICA members worked on automobiles, Lorett established support for aquatics, and members of the Bytes Club enjoyed computers, while Raiders members spent their energies on survival trips.

VICA gave its members recognition for both their work and leadership. According to Mr. Guy Righter, the club's sponsor, "VICA provides the organization and responsibility for developing work and leadership skills."

Lorett helped support the boys' swim and water polo teams. They participated in a Ram Aquatics Beach Party for the swimmers, parents, and members. "Lorett is a group of girls that do not know the meaning of the word selfishness; they are the most giving club on campus," declared Mr. John Montrella. Lorett won the club division of the Christmas canned food drive. Senior D.C. Conroy was chosen as Lorett's Mr. Ram candidate. He

"We get a lot of satisfaction by supporting aquatics, and, being a swimmer, I know what that support can mean."

 Christy Manker Lorett

took second runner-up in the finals.

Another of the many on-campus clubs was Raiders. Training for survival, the members of the club enjoyed several trips to wilderness areas. Col. Larry W. Padgett said, "Raiders benefits society by taking people off the streets to teach them about survival and give them a higher sense of patriotism."

Bytes members contributed their efforts on campus activities. They operated a Hawaiian fruit drink booth at the Homecoming Carnival and entered Wagner Montiel into the Mr. Ram pageant. "Bytes gives students an opportunity to study future technology," stated the club sponsor, Mr. Jimmy Howard.

Each of these clubs focused on preparing students for life after high school.

Pedaling For Dollars

"Cycling Club is an organization that allows friends to get together, have a good time, and do something beneficial for their bodies," said Junior Christy Eastman. Even though they were not active on-campus, the Cycling Club, sponsored by Mr. Fred Slade, took part in several week-end activities. These included bike trips to Seal and Huntington Beaches and participation in the Long Beach Heart Association Cyclethon. Conscientious work by cyclethon participants Senior Brian Heffley, Junior Pam Bee, and other club members, was recognized by the Heart Association, which presented a Recognition Award to Millikan High School Cycling Club for "dedicated service in advancing the fight against diseases of the heart and circulation." The Cycling Club raised a total of over \$800.

Sports Forum, sponsored by Mr. Robert Ciriello, was a new club that brought guys and girls of different races, religions, and creeds together. Led by President Senior Maurey Williams, the club was created to discuss and argue different sports topics. Each week, Mr. Ciriello's room served as the "forum" for many heated debates from the past

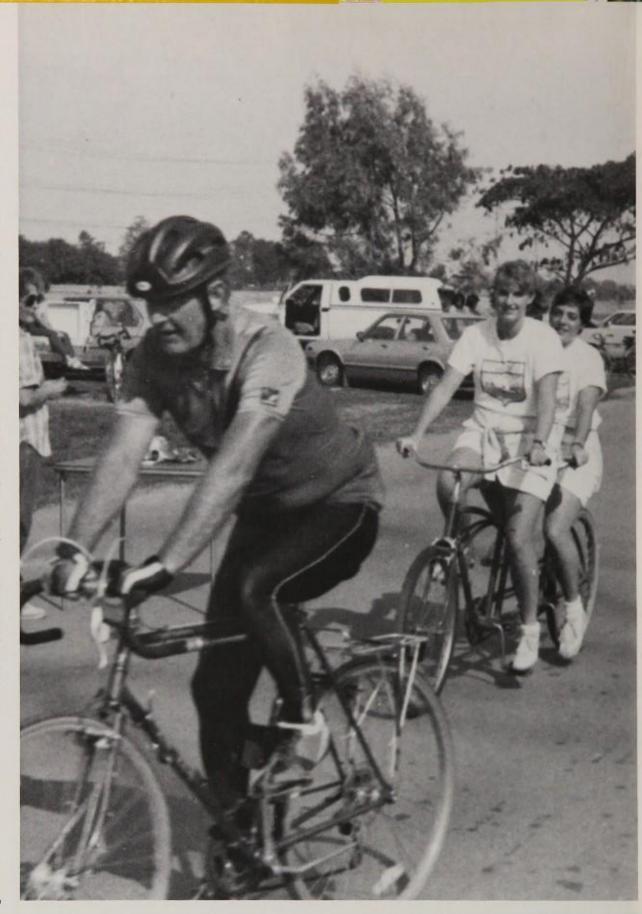

"Sports Forum allows one to be a part of a schoolsponsored organization without the commitment."

> - Maurey Williams Sports Forum

week's sports events. During the Homecoming Carnival, the Forum sponsored a football toss booth. John Tormey, Sanjit Toor, and other club members also traveled to many local sporting events, including Laker and Raider games. Maurey Williams represented Sports Forum in the Mr. Ram Pageant.

Literary Guild, a club last active on-campus in 1983, was reactivated this year and made its presence felt. With the help of sponsor Mr. Mike Monaghan and the leadership of President Senior Anna McCarthy, Literary Guild members dedicated themselves to the collection of books to rebuild libraries in earth-quake-stricken Mexico, but only if they could find enough books written in Spanish. The Homecoming Carnival saw pickles and pretzels sold by club members Seniors Julie Gott and Robb Orr. A cultural excursion to the Renaissance Faire was also among the many highlights of their activities. Literary Guild's Mr. Ram candidate, Senior Arty Bedard, displayed his literary skills by lip-syncing the famed Sesame Street song Rubber Ducky.

CYCLING CLUB — FRONT ROW: Pam Bee, Christy Eastman, Christy Manker, Sharron Saavedra, Julie Kassay, Julie McGowan. Political Forum Debates Current **Affairs**

"The Political Forum offers students the chance to freely express their views on issues that affect all of our lives," commented Senior Jim Foster, president of the newly-formed club, sponsored by Mr. Henry Legere.

The group had many debates on current controversies such as abortion, the death penalty, the rights of AIDS victims, and terrorism. Students who had a 3.0 GPA and actively participated were welcomed at the weekly meetings.

Sponsored by Mr. Bob Brigham, the Association of Theatrical Technology was organized last year to promote an awareness of the arts and life of the

"I love being with my friends and trying different types of food."

BACK ROW: Robert Ovadia, Michael Lawrence, Michael Abeles, Steve Kundar, Rick Smyth, Rich Walton, D.C. Conroy, Chris Krueger, Kirk Brentheater. With sixteen members who could physically handle the building of scenery and other stage props, the club was involved in presenting the school musical and other shows.

"I feel ATT is a good opportunity for those who plan to advance to future occupations dealing with the theater," Joe Janesic, president of the club, stated.

Hour to Devour was a popular club among many people. It was formed in order to allow students the opportunity to appreciate foods from different cultures and areas of the world. Sponsored by Mr. Forrest Zimmermann, Hour to Devour members enjoyed many dinners and luncheons together.

Boys Tackle Traditions

"Boys' League was formed so that members of the student body who wished to aid their school and community were given the opportunity to do so," stated Sophomore Steve Silpa, vice president of the newly organized League. Sponsored by Mrs. Leslie Appel, Boys' League was formed when a few boys heard about the Girls' League in the bulletin.

President Armando Ramos was very pleased with the great turn out of 30 enthusiastic boys for the formation of this daring new club. Mrs. Appel's response to their enthusiasm was "They are a fun group, and they show a lot of class!"

Boys' League had a full calendar of events to benefit both the school and the community. They performed a Talent Show for the physically sick in the Children's Ward at Memorial Hospital. The club members showed their good decision-making ability by sponsoring Mr. Ram Winner, Lance Ondrick in the pageant.

"Boys' League can't be beat; it's great!"

Blair Conroy Boys' League

The other officers of the club were Treasurer Blair Conroy and Secretary Pat Smith.

Existing since Millikan first opened its doors, Quill and Scroll was successful in producing and maintaining top-rated literary publications for the school.

Members of Aries and Corydon staffs made up this club, sponsored by Mr. Fred Slade and Mrs. Bernice Whiteleather. The school of journalism at the University of Iowa was the community sponsor of this international honorary society.

Quill and Scroll members continued to foster and promote good journalism while showing school spirit in many activities such as the Mr. Ram pageant in which they sponsored **Bob Brown**.

BOYS' LEAGUE — FRONT ROW: Cliff Barackman, John Garabedian, David Sucki, Steven Silpa, Mando Ramos, Pat Smith, Derrick Gilbert, Ronny Keester. ABOVE: SNACK WHILE YOU WORK — is the philosophy followed by David Fratello, Tim Collins, and Steve Kundar at an afterschool Quill and Scroll meeting while talking about the club's future plans.

RAM-bunctious Makes A Spirited Debut

"I would really like to see students become more involved in school activities. Enthusiasm and spirit encourages our athletes to play better," remarked Alicia Easley, president of the RAM-bunctious Club.

Just in time for football season, RAM-bunctious was founded by Seniors Melissa Colburn, Ralph Lakin, Alicia Easley, John Newman, and Jackie Johns. Aided by their sponsor, Ms. Debra Mrasik, RAM-bunctious hoped to increase school spirit and promote student involvement in all sports events.

National Forensics League, led by Adviser, Bernice Whiteleather and President Glen Sandler, participated in a number of out-of-class speech competitions.

Forensics member Jenni Coots stated, "Forensics is a good experience in that it gives students a chance to practice their speech skills in front of different audiences." Outstanding speakers included Freshman Danielle Davis and Sophomore Mike

"With the help of Calculus Club, I can work problems which would otherwise be impossible."

Keith Ladd
 Calculus Club

Simon.

The main focus of Wargamers Club was once again on strategy games such as Risk or Dungeons and Dragons, but they also organized a new "assassination-type" game in cooperation with Adviser Henry Legere. "I really enjoy playing strategy and role-playing games," exclaimed member Andrew Morrison.

Calculus Club members met twice a month at one member's home to help each other with calculus problems and talk about various related math topics. "I find that the saying 'two heads are better than one' can really apply to a complicated calculus problem," stated Calculus Club President Amy Dale.

Amadeus Makes More Music

Millikan's musically-oriented population should be grateful to the Amadeus Club. Formed so that musicians could come together and express their musical talents, it was a favorite among the Marching Band members. Amadeus was involved in general activities such as setting up the dunking booth for the Homecoming Carnival and capturing a second-place award in the Homecoming float contest. Besides participating in the traditional activities, Amadeus finished the year off with a picnic. "We had a picnic at Eldorado Park. It was fun", commented Fall President Elisa Freligh.

Girls' League continued their traditional efforts of supporting the student body. Sponsored by Miss Mary McAuliffe and Ms. Fanny Daly, Girls' League participated in the Soph/Frosh Orientation, adopted a family for Christmas, and delivered Kiss-o-grams during Valentines Week. "I feel that the Christmas project was the most rewarding activity I have participated in," stated Junior Julie Copp.

Led by Fall President Luchie Llarinas, the Spanish/French Club had a productive and exciting year. "Since the original name was misleading

"Club International was formed so that students could experience different cultures other than their own."

> Luchie Llarinas Club International

to prospective members, we decided to change the name to 'Club International' for a larger membership", commented Luchie. As the new "Club International" they participated in various service projects, including sending Toys For Tots during the Christmas season. During after-school hours they enjoyed a feast which they called "Potluck". Vice President Tallal Elboushi said, "Our potluck featured international cuisine. It was delicious!" To work off all the food, Club International went to Dominguez Park to play a game of football.

Pizza Has Pizzaz For Seniors

Homecoming was a victorious day for the Senior Class. Selling Round Table pizza at the carnival, the Senior Class surpassed all other sellers by raising \$163.40. This amount exceeded the previous Homecoming sales record by \$36.80. Due to the outstanding success, the Senior Class sold pizza at lunch several times during the school year.

Robbie Ram hanging ten on a cool Maui wave, surfed past all other entries during the Homecoming float competition. "We were jubilant that our float won," commented Fall Vice President John Newman. After the big victory, the class celebrated at a dance at the Ram Shack.

After serious planning, the Winter Affair Dance was held at the Elk's Lodge. A video jockey was the entertainment, and proved to be a big hit.

The rock group Oingo Boingo was the main subject on Fall President D.C. Conroy's mind. Seniors led schoolwide participation in the KIIS-FM High School Spirit Contest as they encouraged students to buy postcards. "It was great to see how a school can unite so well to express their school spirit," recalled Conroy.

Service projects for the Senior Class included a Christmas canned food drive for the Long Beach Rescue Mission. Plans for Spring included visits to convalescent homes in Tijuana. "We expect a big turnout for the visits," commented Spring President Rick Smyth.

Senior officers for the Fall Semester were D.C. Conroy, president; John Newman, vice president; and Melissa Colburn, senator. During the Spring Semester, Rick Smyth, Julie Correa, and Christine Medina, respectively, served. as officers.

ABOVE: MEMORIES OF RECENT TRIPS — Reminiscing about his recent trips to Niagara Falls and Disneyworld, Steve Kundar works on his scrapbook of places he has visited.

Travelin' Man

Everyone has a natural desire to travel — to escape. Dreams do not always come true, however, and there are many Americans who have never ever seen their own country. One lucky student who has seen more than forty states is Senior Steve Kundar. His trips have been part of a tradition the Kundar family has carried on for years, realizing that other cultures and styles are important to understanding people. Until a few years ago, Steve admitted, "I didn't like the flying and driving around. Recently, though, I began to appreciate seeing all the sights and people."

Steve has seen a total of forty-three states in the continental United States, as well as the adjoining countries of Canada and Mexico. His favorite excursions were to the New England area, Montreal, Boston, and Florida. In addition to people, Steve has also enjoyed extravagant nature scenes such as Yellowstone National Park and Niagara Falls.

To commemorate his trips, Steve has begun collections of such things as glasses, hats, and postcards from the places he has visited.

FINAL DECISION - As finals day approaches, Mr. Simon points out study topics to Daisy Berry.

Not A Passing Fad

British Literature and Grammar/Composition teacher Larry Simon has been utilizing his teaching skills for over thirty years. Influenced by his mother, also a teacher, Mr. Simon began his career in 1955.

"I enjoy the students, and I like teaching the material. I help students develop basic writing skills, and that's satisfying," Mr. Simon said.

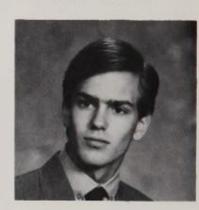

In his 27 years at Millikan, Mr. Simon has seen many fads come and go. "I'm a people person. I find outlandish fads and characters interesting. One of my unforgetable favorites was the hippie fad. Today's punkers are also pretty funny." Despite the obvious changes over the years, Mr. Simon firmly believes that students today are basically the same as they were when he began teaching.

Treasuring his leisure time, he loves to swim and has never turned down an opportunity to go hunting. He enjoys fishing most because "It gives me a reason to be alone and appreciate everything."

BENDING OVER BACKWARDS — To help earn money for college, Karen Oleson teaches a young gymnast the basics at Kidnastics in Los Alamitos.

On The Move

A talented senior, dancer, a cheerleader, a gymnast ... that's **Karen Oleson.** Devoting many hours of practice developing skills in those arts, Karen studied Advanced Dance since her sophomore year, and served as Head Song Girl in Pepsters, utilizing her six years of gymnastics training.

As an assistant, Karen taught at Kidnastics, a childrens' gymnastics training program in Cypress. Karen instructed five- to fourteen-yearolds at Kidnastics. "I really enjoy teaching little kids. They're so cute! Contributing to their development gives me a great feeling of accomplishment," Karen said.

Karen also taught Jazz, Tap, and Acrobatics at Melody's Dance Studio. She worked ten hours a week teaching ten- to fifteen-year-olds.

Although Karen had no future plans to become a professional gymnastics coach or dance instructor, she felt it was not very often that someone had the opportunity to get an enjoyable job. "I guess I'm just lucky," she added.

Rockin' Rams

Rock bands at Millikan emerged into the limelight and attracted a great deal of attention as their members began to realize their full potential and talent.

Xings ("Crossings") featured Senior Scott Moore performing as drummer. One of the three musicians in this three-year-old band, Scott enjoyed drumming as a way to channel his energy. He spent two hours a day rehearsing for frequent performances at Long Beach churches. The members of Xings spent November and December compiling a demo tape of their distinctive music. Scott preferred not to classify Xing's musical sound, but said, "With influences from U2, Thomas Dolby, REM, and Jazz, it mostly closely resembles 'new wave'".

Rams were able to enjoy Xings' music when the group accompanied Rob Cinco in his rendition of U2's "I Will Follow" at the Mr. Ram Pageant in January.

Senior Wes Jackert and alumnus Kevin Bartley ('85) performed as guitarists for The Opaque Window. For nearly two years the band members spent between five and eight hours a week rehearsing.

The Opaque Window won the November Battle of the Bands at the Cavern Club in Hollywood, and in mid-December relished the experience of opening for The Three O'clock, a professional band. Wes felt that this particular engagement was a great opportunity to glimpse the full potential of his band. "It was all very exciting!" he exclaimed.

Wes also described The Opaque Window's musical sound as difficult to classify. It is a mixture of styles which Wes dubbed "Modern, Progressive, Psychedelic music. With the various textures in our complex music and our lyrics we try to develop surreal images. We try to mix our complex music with thought-provoking, symbolistic lyrics, unlike most of today's pop," he explained.

Leslie Hutchison '86

FAR ABOVE: DEEP CONCENTRATION - Scott Moore enjoys the intensity of his rehearsal in mid-January. ABOVE: LET'S JAM! - Wes Jackert and Kevin Bartley get into the swing of things while preparing for an upcoming gig.

ABOVE: LET ME SEE THAT - says Senior Sheilagh Flanagan to her neice Amy as they spend an evening playing with their Gumby/Pokey collection.

Gumby Mania

After virtually disappearing for over a decade, the little green guy that once captured the hearts of little kids has done it again. Yes, Gumby is back! But this time, the little green slab of clay has not limited himself to just kids; in fact, it has almost been a bigger craze among an older generation, those who watched him as children in his early days on the morning cartoons.

Gumby and his counterpart, Pokey, have struck the nation as one of the hottest sale items. Sales of the original six-inch figures have sky-rocketed, as have literally all Gumby-trademarked items. The list goes on to include t-shirts/sweatshirts, watches, hats, pin/buttons, stationery, and key chains. Gumby has even made his debut on the silver screen in a fulllength feature film. Video rentals of the original shows have also had substantial profits.

It's ironic that the creation of Gumby and Pokey was actually a fluke; Art Clokey, their creator, first set out to be a director for people. Through their popularity, though, Gumby and Pokey have become almost life-like. And one can hardly doubt Clokey is very disappointed.

ABOVE: SURPRISE, SURPRISE! — Miss Mary McAuliffe is presented with gifts of thanks from the members of Girls' League at the Fall installation of new club officers.

McAuliffe Energizes Girls' League

"As co-adviser of Girls' League, Miss Mary McAuliffe brings spirit and energy to the members of the club!" exclaimed Junior Melanie Tyler.

Miss McAuliffe has been co-adviser of Girls' League, a school and community service club, for approximately twelve years. She began teaching at Millikan in 1956, the year the school opened, and she continued to teach social studies for thirty years. Sharing club sponsorship with Mrs. Fanny Daly, Miss McAuliffe participated in numerous service projects and activities.

Watching young girls develop leadership qualities has brought her great satisfaction. "The chance to get to know young women on an informal basis is really rewarding," she commented.

In addition to her many on-campus activities, Miss McAuliffe has enjoyed involvement with her family, church, and other organizations such as Common Cause and The League of Women Voters.

Congressional Winners

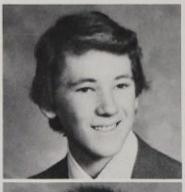

Broken up into three catagories according to age, the Congressional Award is the only award the Congress of the United States presents to youths ages fourteen through twenty-three in recognition of their voluntary public service and personal excellence.

In order to be recommended by a Congressional Award Council to receive this award, a student must have completed 200 activity hours in voluntary public service, 100 hours in personal development, and 100 hours in physical fitness. Applicants must have advisers verify all of their achievements and submit recommendations.

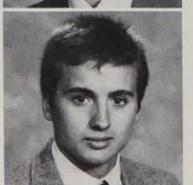

All of the award recipients from Long Beach met for a special awards ceremony on the Queen Mary where they received their medals.

"I worked hard in my activities, and I was very honored to receive this award," commented Jon O'Brien.

A Ram For All Seasons

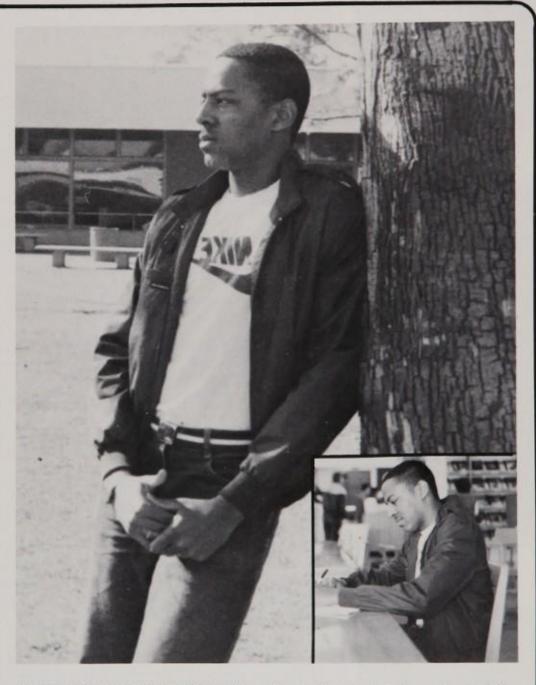

"What, another meeting?" Words like these were very typical in the busy life of Michael Lawrence. Student involvement, dedication, and leadership were just a few of the distinguished qualities of this highly involved individual.

Explained Michael, "I believe that participating in school activities provides beneficial experiences to help develop the complete individual." Besides being a member of CSF for four years and a member of five other on campus clubs, he was also president of Key Club this year. "Being the president of Key Club was definitely one of the most memorable activities I've

been involved in." Mike treasured this experience because it put him into a position to help people. If these activities were enough for one person, add a couple more. Mike was elected Spring ASB President and was on the Varsity Basketball Team.

In the future Mike plans to attend UC Berkeley and major in biochemistry. These goals are not unattainable for Michael, who feels that anybody can achieve his goals if he works hard and wants them badly enough. Judging from Mike's past efforts in school, his future goals should be a snap!

Karen Jackson '86

Talented Trio

"I don't think of us as being triplets," commented Senior Matt Gott. "They're just my brother and sister." But despite what it feels like, Julie, Jeff, and Matt Gott are triplets! Although the comments sometimes get old, being triplets has been a definite advantage. As children there was always someone to play with. Through the years they have maintained a very close relationship. They frequently go sailing together and enjoy skiing together, too.

If there is one word to describe the Gotts, it is versatile. Although they possess a strong family resemblance, each has proven to be uniquely different. As an All-League performer in volleyball and a two-year varsity starter in softball, Julie, the oldest, has enjoyed success in Millikan sports. Julie has spent much of her spare time with her boyfriend, Senior Arty

Lettering in baseball, athletics have also come easy to Jeff. Theatrics also interest him, as he has appeared in two musicals and two plays, the last being Butterflies Are Free, in which he had the leading role.

Not to be outdone, Matt, the "baby of the family," has received All-League honors in cross-country and has lettered in track. Although he was not in the school orchestra, Matt was an accomplished violinist and played at night orchestra performances.

The Gotts are a unique three-some. They are close-knit and supportive of each other in everything they do. Despite their countless and varied activities, all maintain an above-average G.P.A.

"I love being a triplet! When I have kids myself I would like to have triplets," added Julie.

SCHOOL VISIT — Mayor Kell delivers his oral presentation.

Government Project Inspires Civic Visit

The afternoon of December 12 in Mr. Henry Legere's Honors Government class was an unusual one with a singular presence — Ernie Kell, Mayor of Long Beach. One student decided to invite an illustrious guest speaker in lieu of a traditional project, a loathsome term paper. Fortunately, the students learned a great deal about civics and "The International City." Mayor Kell's skillful delivery faciliated classroom understanding of local political machinery.

Mayor Kell commenced his presentation with an explanation on the functions of the city council, the names of each of the nine members, and the approximate locations of their districts. He mentioned that although Councilman Clark represented Millikan and the neighboring tracts south of Spring Street, north of Spring Street was represented by Mayor Kell himself. He thus served almost 60% of the school population and was both a councilman and a mayor. Mayor/Councilman Kell thus described his position as mayor as more of an honorary and representative one than a functional position.

In closing, Mayor Kell formulated Long Beach 2000, the future strategic plan for the city, designed to attack such city problems as economics, education, racism, commerce, and the quality of life.

Senior Dana Flax remembered Kell's visit well. "It was an enlightening experience," she stated.

WHAT A SIGHT — Heather and her grandfather get a beautiful view of the countryside from the top of King Olaf's Palace.

Young Traveler

Senior Heather Finstuen traveled to the land of her ancestors, Norway, for three weeks last summer. She toured all of Norway, including such cities as Oslo and Bergen. Touring such famous places as King Olaf's Palace and the Vigiland Statues, she traveled with her grandparents, venturing over the entire countryside, staying in hotels and inns, visiting old castles, Viking boats, and museums.

"The weather was a little cold — in the 60's — and it rained at least once a day," remarked Heather. "Due to Norway's extreme northern latitude, in the summertime the sun goes down at roughly 10:30 P.M. and comes up about 4:30 A.M.," she added.

"It was easy too travel in Norway because the people were really nice and most of them spoke English," she recalled. Due to the low prices on hand-crafted goods, Heather brought back many hand-made rugs and sweaters.

Reflecting back on the trip, Heather found it to be most enjoyable and educational. "I'm glad I had the chance to go and experience a different culture. The trip was especially rewarding because I got to see the home of my ancestors."

A Gem Of A Teacher

Mr. Todd Schowalter has taken his hobbies to his job, or perhaps he has taken his job to his hobbies. His avocations are nature oriented: biking, fishing, hunting fossils and mineral specimens, and gemstone cutting.

Mr. Schowalter teaches Biology and Life Science, and during the spring he helps the Girls' Track Team. He began teaching Chemistry at Millikan in 1959. He was influenced by his father, who was a music teacher, and the fact that, "I couldn't give up the nice long, summer vacations."

Always involved with his students, in and out of the classroom, he has taken them on trips and excursions which further their knowledge in areas that can't generally be covered in the classroom. Comparing students over the years, Mr. Schowalter stated, "the students of today are more aware of what's happening, but they seem less able to cope with situations. I hope this changes in the future because success as adults depends on decisions made as students finish their high school training,"

Wendy Christensen '87

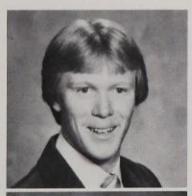

Weird Science — In his third-period Biology class, Mr. Schowalter explores the possibility of hereditary disease.

Tony Gets His Kicks

Tony Alverez has found an old way to get some kicks. He has participated in Tae Kwon Do (Karate) for five years. Progressing quite far in the sport, earning his first-degree red belt, Tony was only one level below the coveted black belt. "It has taken a lot of hard work to get this far, and I did it by practicing five days a week," Tony added.

"Tae Kwon Do has helped me a great deal because of the constant movement and agility required. It has also taught me much about self discipline and self respect," Tony said. He also attributes his success in football and track to the skills learned in Tae Kwon Do.

Tony always pushed his talents to their limits, participating in tournaments and competing against other teams. He also enjoyed performing Tae Kwon Do demonstrations all over California. He recently appeared on television, demonstrating his skills. Tony competed all over the United States and won a spot on the National Team that went to Chicago for the United States Heavyweight Championship. "I am now the United States Heavyweight Champion and very proud of it," he stated.

Wendy Christensen '87

"TAKE THAT!" — says senior Tony Alverez as he prepares for an upcoming Tae Kwon Do competition.

HALLEY OR HAYLEY - Hayley Sloan and Christine Medina use astronomy books to determine where they will find Halley's Comet.

After a 75-year voyage through the Solar System, Halley's Comet again swung into view. The comet was named after a brilliant mathematician, inventor and engineer, Edmond Halley.

Halley determined that certain apparitions, spaced 75 to 76 years apart, were probably reappearances of the same object. With an enormous leap of confidence, Halley cited a comet in 1682 and predicted it would reappear in 1758. "If this prediction is ful-filled," he wrote "there is no reason to doubt that other comets will return."

Halley died in 1742. Sixteen years later, a German farmer looked into the sky and became the first person to have witnessed the comet's return, thus confirming Halley's bold prophecy.

Scientists hoped that by studying the comet, they could determine the conditions that existed at the birth of the sun and planets, approximately 4.5 million years ago.

Senior Hayley Sloan had much interest in the famous comet, as well as sharing its name (although spelled differently). She became so inspired by the comet that she purchased an astronomical telescope last Christmas just to get a better view of comet Halley. Hayley has also studied many astronomy books to gain more knowledge of the comet. "It's so fascinating to think that seeing Halley is a once-in-alifetime situation, and I've had the chance to view it!"

SHOULDN'T THIS READ ... — Mr. Caswell helps Junior Angela Murray perfect an essay for his third period English class.

Wild Bill

Teaching at Millikan for twenty-four years seems quite a long time, but to Mr. William Caswell it's only the beginning. Presently, Mr. Caswell teaches Advanced Placement English, English 5-6 A, and News and Views. Both of his AP classes are composed of seniors, and Mr. Caswell feels fortunate to have all three current N.C.T.E. Writing Award winners enrolled in his class: Mark Dennis, David Fratello, and Susan Kendig.

Mr. Caswell's eleventh-grade English teacher, Julia Williamson, was the greatest influence on his decision to become a teacher. She introduced him to great literature and fostered his love of reading.

Traveling is what Mr. Caswell and his family enjoy the most. When he has a few

days off, they head for Rosarito Beach in Baja Calif. Other favorite vacation spots include Hawaii, England, and especially France where they plan to re-visit during the summer.

His major outside activity is being Chairman of the Board of Directors at the Golden State Humane Society which operates two full-service animal hospitals, one located in Long Beach and the other in Garden Grove.

"Despite some frustrations along the way, my years in teaching have been happy, fulfilling ones. I look forward to continuing my work here for a number of years to come," commented Mr. Caswell.

FINAL TOUCHES - Mrs. Johnson looks on with pride at her award-winning students.

Prestigious Awards

One of the most important national writing awards is given annually by the National Council of Teachers of English (NCTE). While Millikan went several years without any winners at all, recently five Rams were recognized by the Council as being among the best 800 writers in the nation.

Last year two Rams won awards, but in the twenty-eighth annual competition Mark Dennis, David Fratello, and Susan Kendig were able to share in the feeling of win-

The awards carry with them much prestige as well as a strong recommendation that college recruiters consider the winners for scholarships and college administration. "The stack of mail I've gotten from colleges congratulating me for the NCTE award has been incredible," observed Mark.

Entering the NCTE competition in itself was not easy. Students were chosen late in the year, mostly from

honors English classes, to compete in a preliminary. Those six who performed best became actual entrants. Schools across the country were allowed a number of participants proportional to their size, totalling 6,000 entrants. Competitors had one hour to write an impromptu essay on an NCTE-supplied topic, and they also submitted a sample of their best writing. The awards were aimed at recognizing a maximum number of excellent writers, and thus 800 students nationwide ended up receiving letters of congratulations from the NCTE.

"These three students definitely excelled all year with their writing abilities, and I'm very proud that they received the prestigious awards and the inspiration that goes with them," recalled Mrs. Adelyn Johnson, who had all three winners in her English classes when they entered the competition.

Not Just A Mickey Mouse Job

"Working at Disneyland is not work, it's getting paid for making others happy," said Senior Ann McKee. Ann and fellow Seniors Dolly Jacobson, Missi Braget, Stephen Silverman, and Christine Medina spent a great deal of their time practicing for the different Disneyland parades. Overall, they spent eight hours a week on rehearsals and wardrobe fittings. "I feel that all the time I spent practicing was worth it," recalled Missi, "just seeing the people's faces light up as we passed was reason enough."

"Some things I have learned by working at Disneyland," stated Stephen, "are the responsibilities of having a job and interacting with many different people." Some responsibilities were punctuality, attending all the practices and performances, and getting all of one's schoolwork done, too.

There were many different parades at Disneyland. Some of these were the Thirtieth Anniversary Parade, Main Street Electrical Parade, and Fantasy on Parade.

"Working at Disneyland has been a great experience to me," said Dolly, "I hope to be working there again soon."

THE LAST STRETCH — Senior Rodger Keester and team mate Vernon Lawton race stride for stride as they practice before the Lakewood meet.

A Ram Wonder

In contrast to an average summer at the beach or watching t.v., **Rodger Keester** has spent his vacations running eight to twelve miles a day, including a number of hills "for the challenge".

Rodger was a member of both the Cross-Country and Track teams for each of his four years as a Ram. As a freshman, Rodger became interested in participating in a sport. He found running, and stated, "It wasn't bad at all, so I kept going. I like cross country better than track, though; it's different and it has better scenery." Weekly rigorous workouts kept him in tip-top shape.

Rodger's ability is witnessed by his collection of awards and medals. He has received All-City and All-League honors for four years. In addition, he has been a member of the first team to ever win the San Antonio Invitational, along with two from the Buena Park Invitational for both cross-country and track.

In the Tustin meet, he ran away with four medals and later took two in the Hawthorne Distance Carnival. He also won two medals from a Millikan Invitational.

In school, Rodger has managed to sustain a very active schedule. While maintaining a 3.9 G.P.A., he has played an active role in *ARIES*, Key Club, CSF, and NHS. He also received the jeweled "M".

In the future, Rodger hopes to be successful in his goal to become a biomedical engineer.

ABOVE: CLEAR SKIES AHEAD — On a weekend excursion, Pilot Wendy Lyman and her father enjoy a beautiful day as they fly over Long Beach Bay.

Flying High

Senior Wendy Lyman was looking towards her sixteenth birthday ever since she was little, but not for the reason one might suspect. On the day of her sixteenth birthday, Wendy got both her driving and flying licenses! It was a day she remembers well. "The thought of actually flying by myself was exciting. I couldn't sleep the night before. I didn't really get nervous, though, until I was up there and I realized I had to land . . . that's the hard part."

Over twenty friends came out to watch and support Wendy at the Long Beach Airport. "Having all my friends there was really special," she said.

To obtain a solo license she was required to complete three "touch-and-go's". These are successive take-offs and landings. After twelve successful flights, Wendy went on to earn her solo license, which permited her to fly alone. Forty instructional hours, twenty of which she has completed, and a written exam are required before she gets her official license on her birthday in August.

Wendy's most memorable and unique trip was to Tukoyuktuk in the North West Territories, Canada. Traveling with just her father, they flew as far north as the Arctic Circle.

"Flying is both a hobby and an escape," commented Wendy. "And when I'm in the skies, I enjoy appreciating all of God's creations."

Honors Teem As NHS Flourishes

Not to be outdone by the previous class, the class of 1986 shined academically and had at its apex ten 4.0 students who had vowed to stoically bear the intense pressures of the demanding classroom to be graduated with highest honors. Senior 4.0 John Tormey delivered a universal reply felt among his fellow achievers, "It really was worth the struggle. Knowing that I'll be graduated in all gold is quite an accolade."

The National Merit Corporation recognized four Millikan Seniors on the basis of their superior performance on the PSAT-NMSQT administered during their junior year. Phil Jones represented Millikan as a National Merit Finalist, as a result of his placement on the test at the ninety-ninth percentile. Only several percentiles behind, Shelley Bruce, Susan Kendig, and Rob Orr were recipients of the Commended Students Certificates.

Another corporation, Bank of America, awarded many Rams with Certificate Awards and the more esteemed Plaque Awards. Students were nominated for these awards by specific school departments. Seniors Kirk Brennan, Christy Manker, Lisa Newman, Stephen Silverman, Darlene Jacobson, Susan Kendig, William Hwang, Cheryl Nakamura, Wendy Lyman, Rob Orr, Anne Oldale, and Dave Fratello received Certificate Awards while Michael Lawrence, Carole Carroll, Lori Abramow, Melissa Colburn, and Phil Jones received Plaque Awards. The student body obtained numerous other awards.

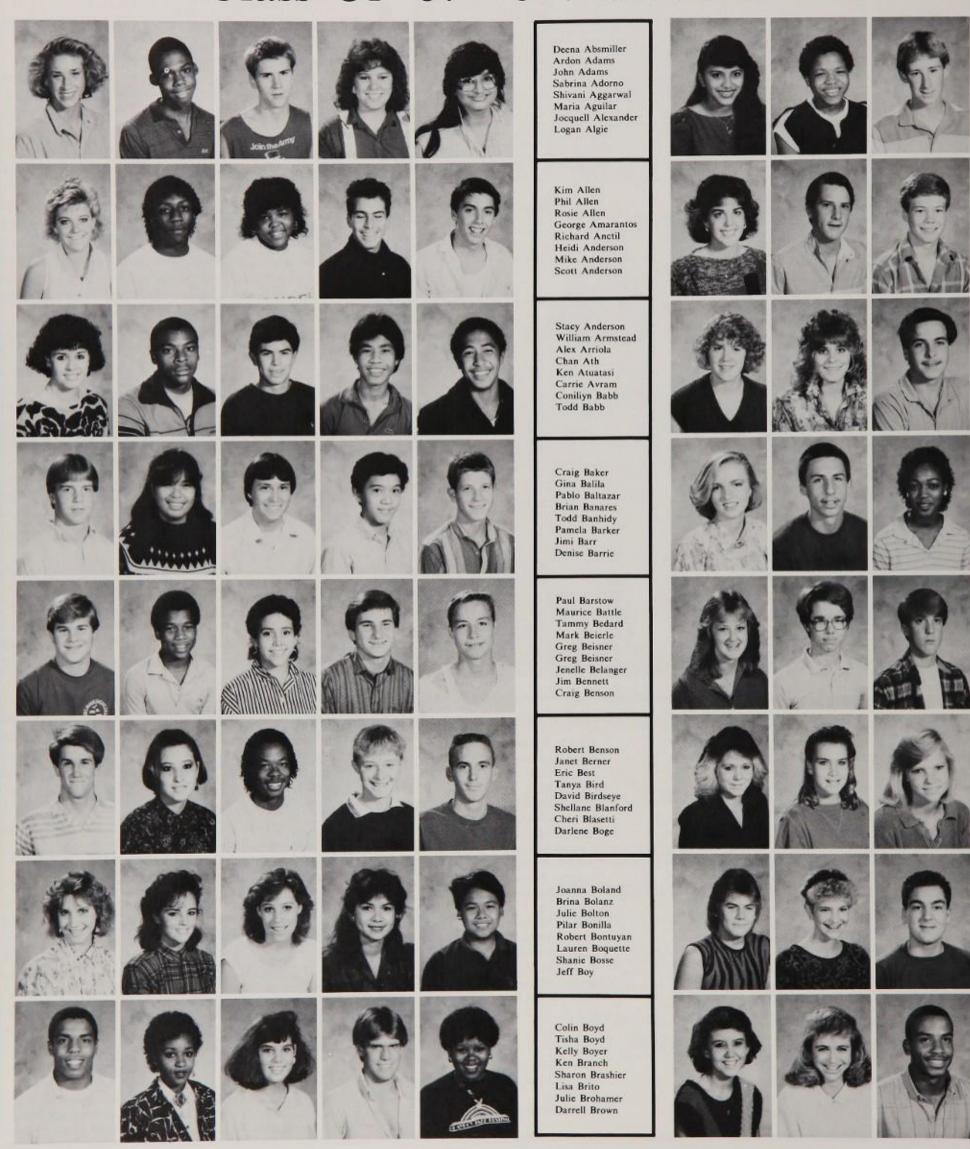

An award in its own right, membership in the honor societies grew. CSF and NHS had criteria for admitting new members based on grades and service. Unlike CSF, NHS decided to move in a new direction and become a regular club. The dedicated officers combined forces to plan an active, exciting year.

NHS initiated a Student of the Month program in November which recognized the superior students of the chapter. Senior Rodger Keester learned of his original selection one chilly November night when several chapter members violated the warm privacy of his bedroom. His query "Why?" went unheeded as he was hustled away to a bizarre breakfast, a chocolate shake and french fries. Six other chapter members experienced a similar fate and received creative stencils.

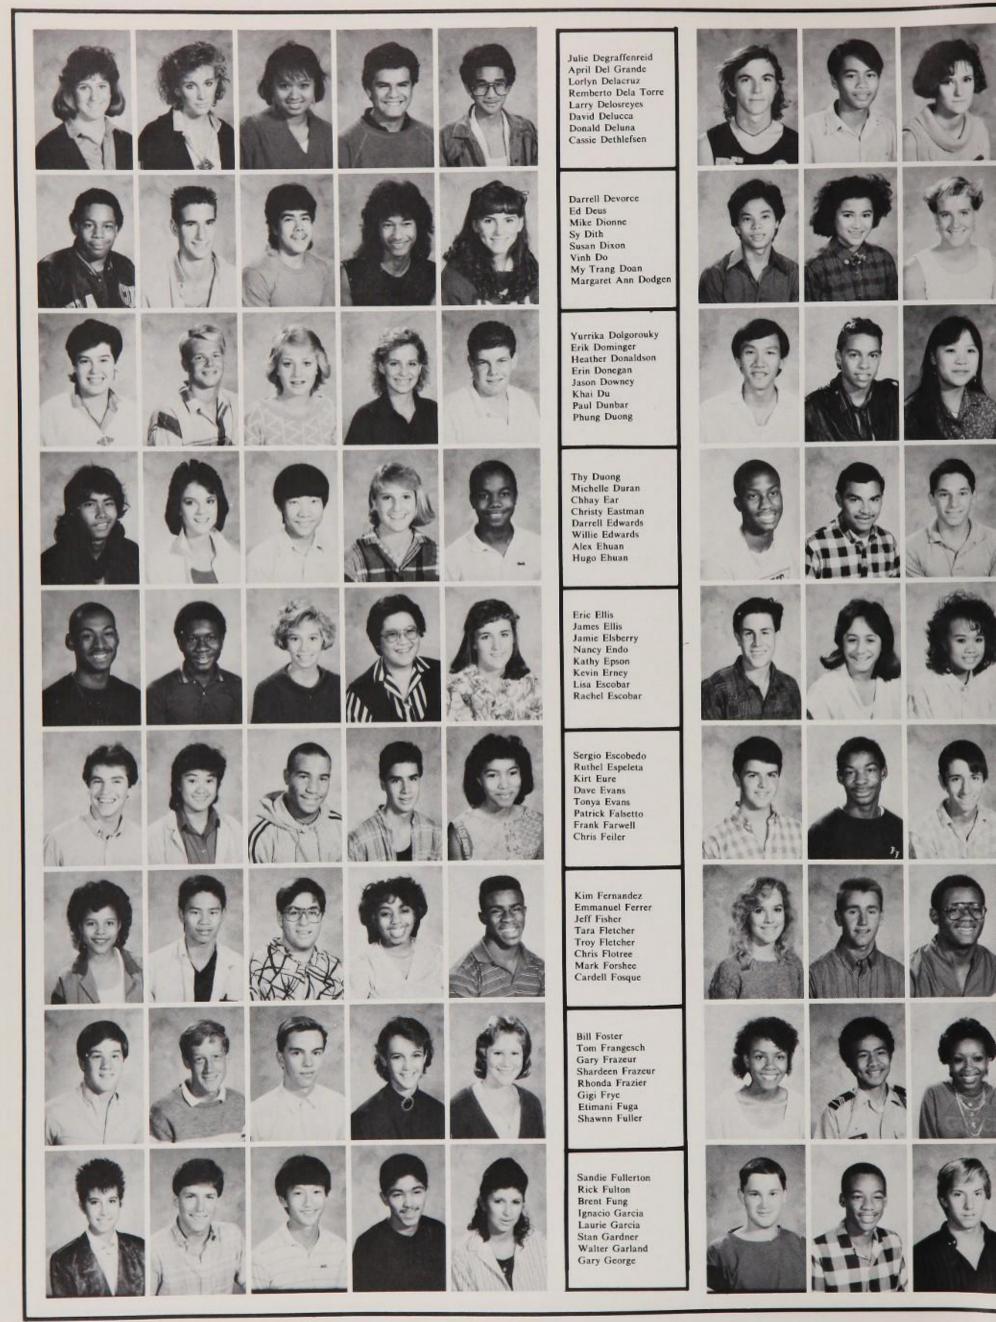

Service activities of NHS included a Penguin's fundraiser, park cleanup, nursing home visitation, and a canned food drive. For enjoyment, NHS held a Christmas party at Member Shelley Bruce's house which, according to all reports, was quite lively. In April, Millikan's NHS chapter met with West Torrance High School's NHS chapter for a corybantic bash. Reviewing all the NHS activities, Secretary/Treasurer Quynh Phan stated, "It was not even the same as last year. I was glad to inspire such an intelligent group of my peers."

ABOVE LEFT: FUTURE SCIENTIST — Senior Rodger Keester partakes in one of his varied activities, lab assisting. Besides keeping a 3.89 g.p.a., Rodger excels in athletics and school and community service. His well-roundedness carries over into his active social life. Rodger plans to attend UCSD to study bioengineering.

All The Right Moves

Junior Ponciana Tostado may achieve what most girls only dream about — she may "make it." Ponciana, known as Ponchy to her friends, is an outstanding second-year dancer in Advanced Dance and shows promise for an exciting future in dance.

Ponchy attributes some of her dancing success to the Advanced Dance class and former Advanced Dance teacher, Michael Lopez, claiming, "I admire Michael because he showed me all of the finer aspects of entertaining."

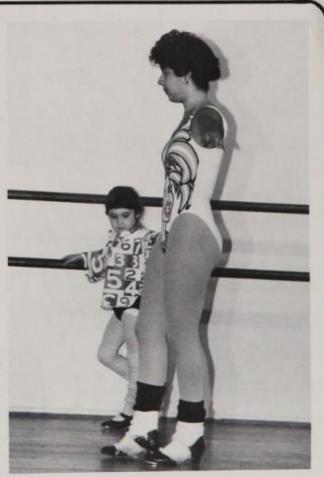

Inspired by her father, Ponchy began dancing at age five and has been dancing constantly ever since. She is currently taking lessons four days a week at EJO Dance Studio under Studio Director Jill Okura.

Ponchy has also been teaching dance at EJO two days a week for the past year and a half. She teaches boys and girls, age three through 13 jazz, tap, ballet, and tumbling. "I like the three-year-olds the best because I'm their first teacher, and I can make their first impression of dance a good one."

Recently, Ponchy was one of three dancers selected from EJO to perform in The Farewell to the Fox Premiere featured on CBS, NBC, and ABC News.

Expressing her plans for the future, Ponchy said, "I don't want to make a career of teaching dance, but I would love to become a singer, dancer, and choreographer in Mexico City!"

Perfect — Junior Kumi Toyoda practices a "layback" while warming up for competition at Rim of the World Ice Arena.

Who Could Ask For Anything More?

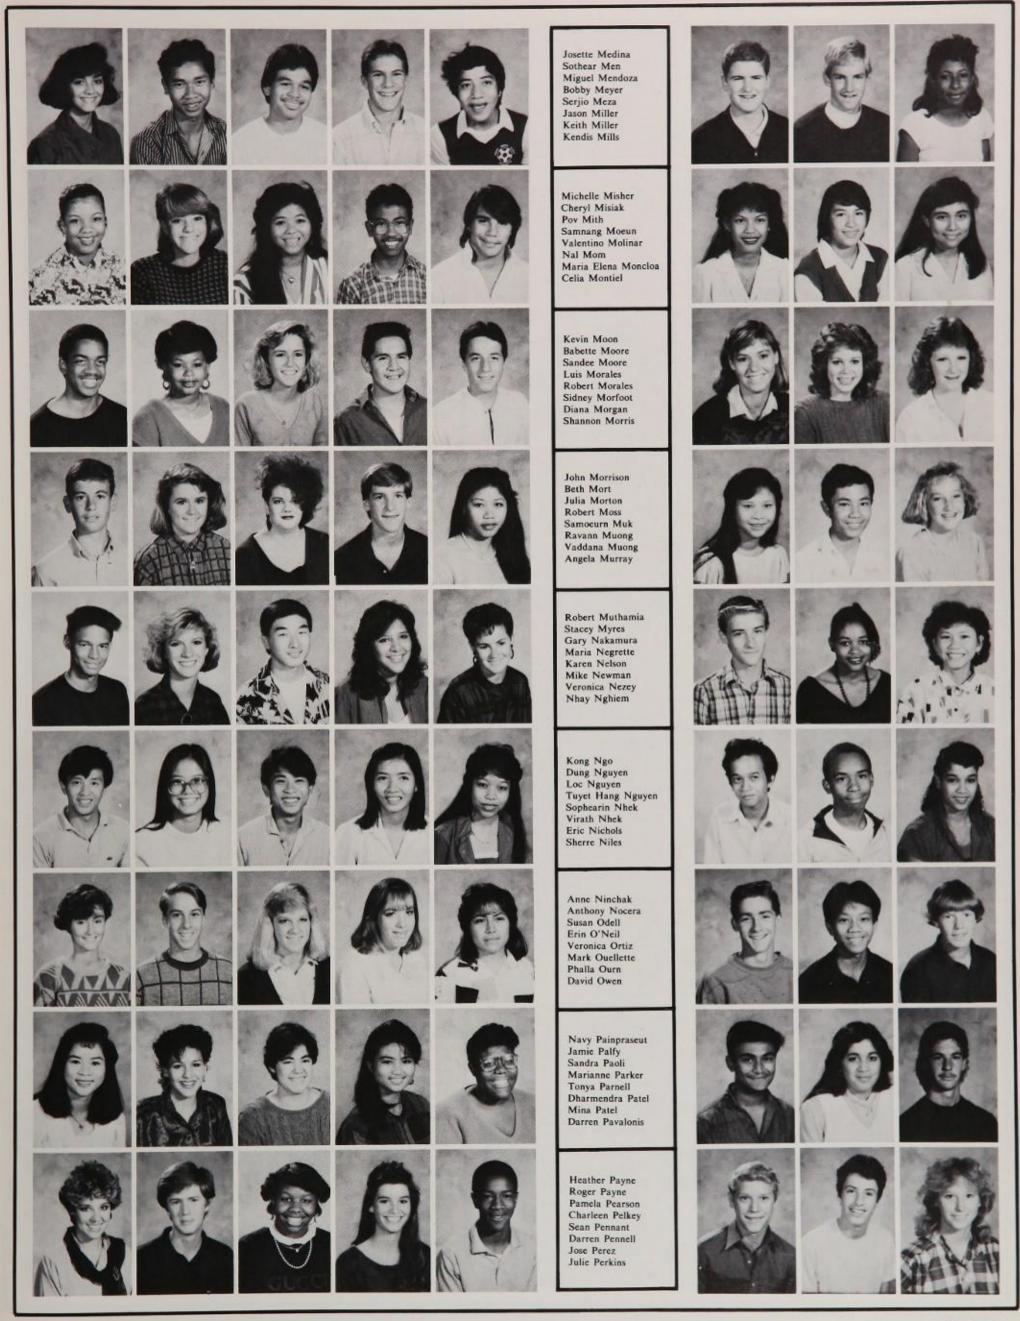

"It is a disciplined sport that will help to prepare me for the future," commented Junior Kumi Toyoda about her five-year involvement in ice skating.

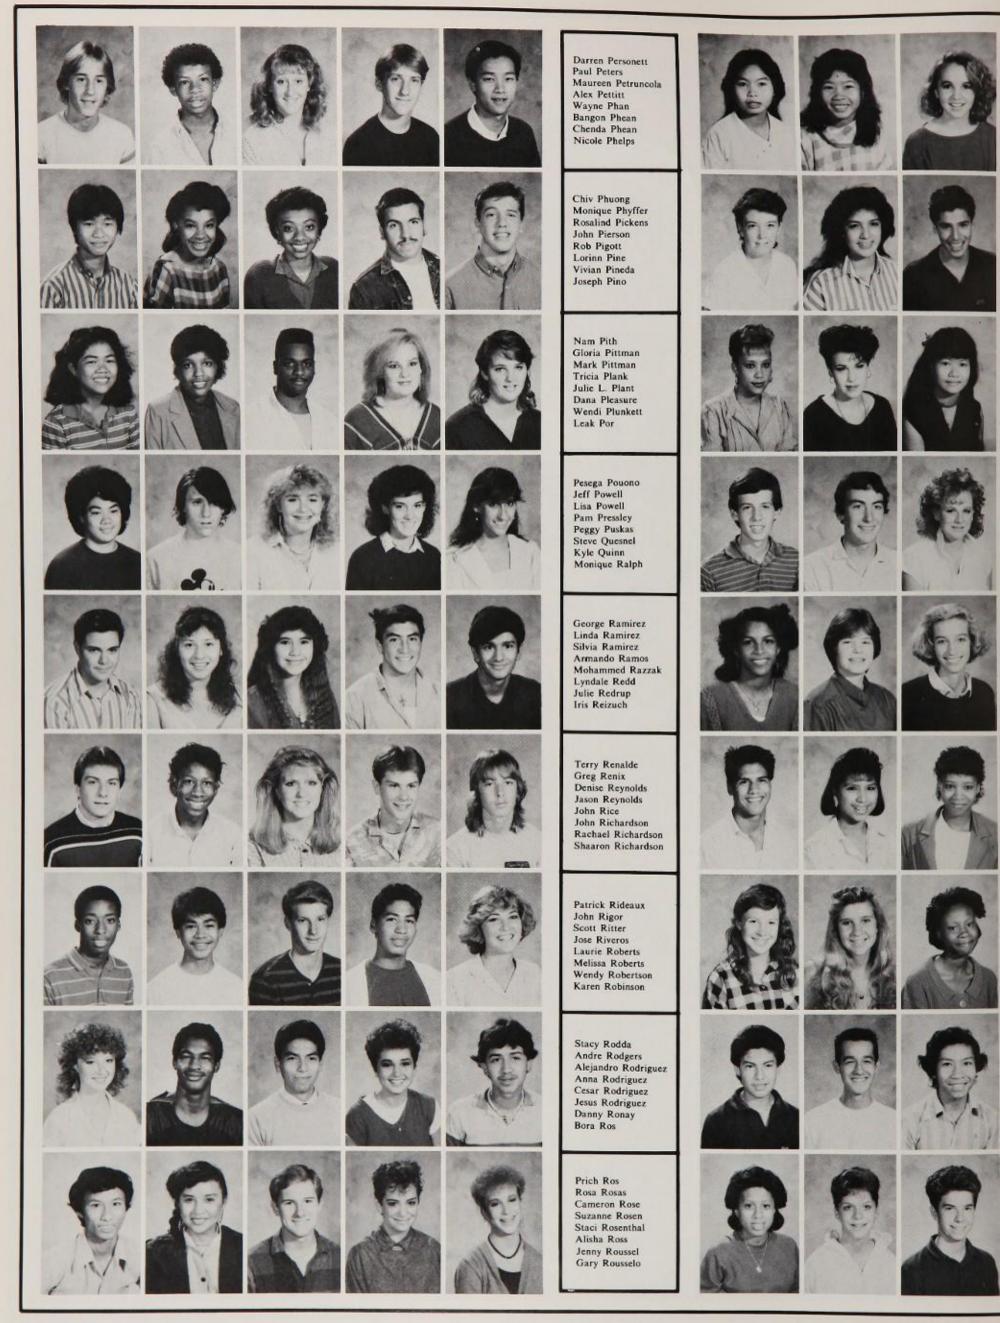

Kumi practiced six days a week at the Olympic Ice Arena in Torrance. On the ice at 5:45 A.M. each Saturday, she practiced for three to four hours and every day after school.

After training for her "Gold Test," which is the eighth and final test in the advanced level, Kumi looked forward to becoming an ice-skating instructor.

FUTURE TOUR DE FRANCE SENSATION — Junior Rob Herman practices his maneuvers on a Sunday afternoon at El Dorado Park.

A Winning Cyclist

Training from two to three hundred miles a week, Junior Rob Herman raced his bike for the Long Beach Velo Team of Belmont Shore. Rob has been road and track racing for two years and was ranked first on his team.

Road races were usually from forty to seventy miles long including up to six thousand feet of uphill climbing. "I race for fun and to stay fit," he exclaimed.

Last year at the Road Racing State Championships, Rob placed eleventh, just missing the cut for eligibility in the National Championships held in Milwaukee, Wisconsin. "I hope to race at the National Championships this summer," Rob commented.

Christy Eastman '87

Juniors Plan Prom And Prizes

"We listened to many cassettes and watched many video tapes while deciding between a live band and a Disc Jockey," stated Senator Pam Smith, concerning entertainment for the Prom.

Another important decision for the Junior Class Council was to sell the traditional mums and Coke at the Homecoming carnival.

Fall President Susie Odell, along with Vice President Carol Marx and Pam Smith then turned their attention to other projects such as contacting businesses to donate prizes for the Mr. Ram Pageant.

Among the prizes donated were gift certificates from Gondola Getaway, the Seafood Broiler, Jack's Bicycle Shop, and Plaza Sporting Goods.

The Spring Council, led by President Carol Marx and Vice President Colete Levingston, also sold Helen Grace candy and visited a convalescent home.

FAR ABOVE: HOW MANY? — asks Carol Marx as she talks Penguins into donating gift certificates to Mr. Ram. ABOVE: MM, MM GOOD — Susie Odell and Carol Marx enjoy a piece of pizza at a pizza sale. RIGHT: FINISHING UP — Carol Marx, Pam Smith, and Colete Levingston write their final notes after a Class Council meeting.

JV Cheer Unites

The JV Cheer Squad, under the leadership of Head Cheerleader Susan Dixon, had what it considered "an exciting, hard-working, and friendly year." The girls involved, all juniors, felt a comaraderie that they had never felt before. "The long hours of practice and working together to develop new routines brought us all into a really close group," recalled Julie Lecesne.

While only six girls are ever part of the squad, this group showed more than would be expected. Their routines were frequently applauded loudly for their inventiveness. "We were not too pressured, since we were supposed to be just learning. That let us try really experimental things," noted **Beth Mort.**

The girls attributed their unexpected success with the crowds at rallies and sporting events to their experiences at cheer camp. "We learned how to work well as a team as well as friends," remembered Kathie McKenna. Each year, cheer squads attend the camp in order to learn skills which they need in the ensuing school year.

Many of the girls hoped to be on the Song or Flag Squads of Pepsters next year. But, as Terri Stewart noted, "We have a lot of good times from this year to remember before we go on."

TOP RIGHT: HER SPIRIT IS SKY HIGH — is the thought of many as Head JV Cheerleader Susan Dixon leaps into the air. BOTTOM LEFT: FOR OLD TIME'S SAKE — Julie Lecesne is joined by alumni JV Cheerleaders at Homecoming. FAR LEFT: LOOKING AT ME? — are the expressions of Kathie McKenna and Terri Stewart at the Poly rally to arouse some spirit.

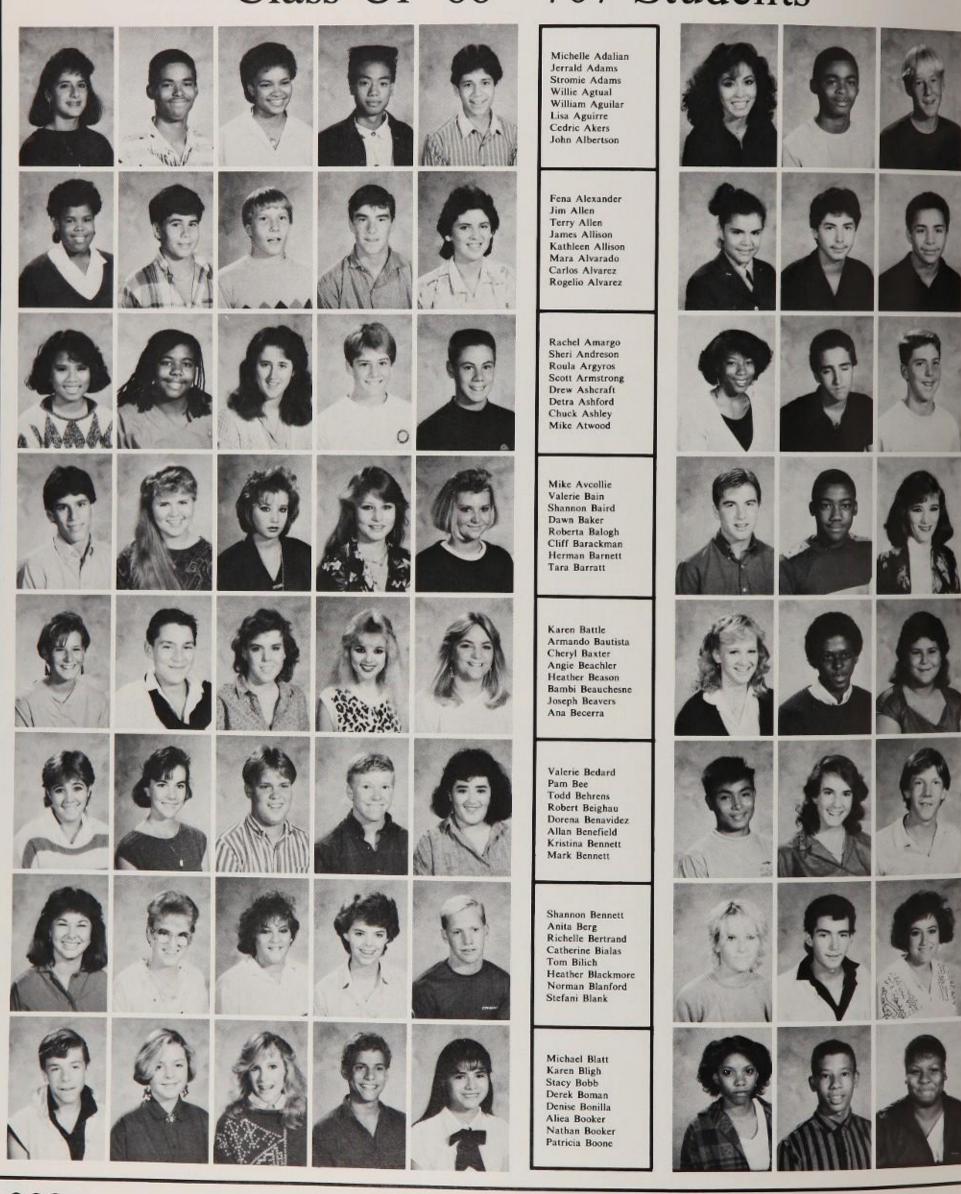

TOP RIGHT: WE ARE SO TOUGH! — warns Josette Medina at the Lakewood rally. BELOW: BAM!! — Beth Mort lunges to the ground at the completion of her routine. MIDDLE RIGHT: WHAT A GROUP — The girls take time out to ham-it-up at the Wilson game. FAR BELOW: I'M SO-O-O SURE! — are the attitudes of "Valley Girls" Beth Mort, Josette Medina, and Julie Lecesne during a skit for the upcoming game against Poly.

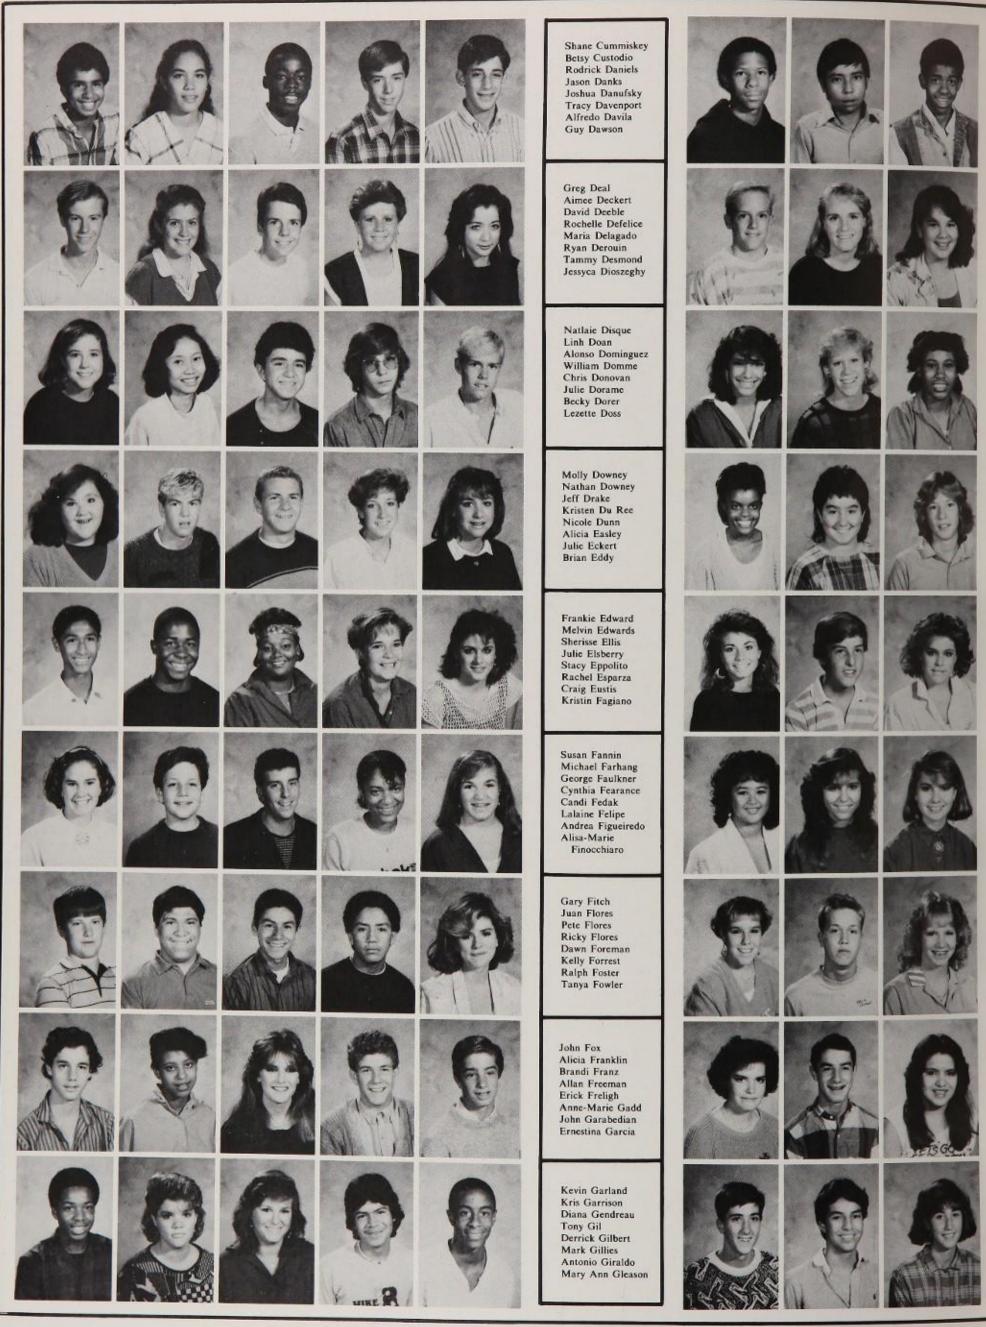

Class Of '88—707 Students

CONCENTRATE!-Cory practices in preparation for the Moore League.

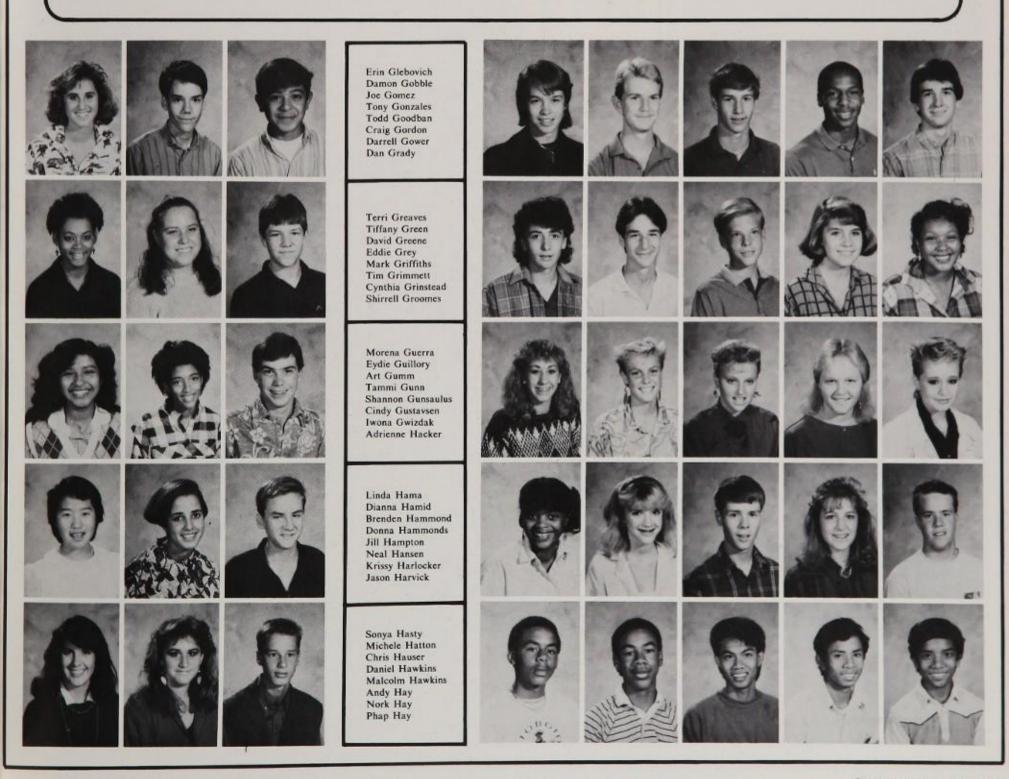

Underclassman Rises to the Top

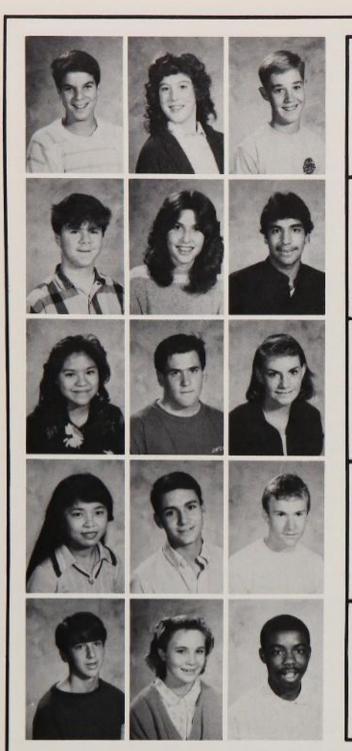

The sophomore surprise of the year was Cory Crigger. She won the Moore League Tennis Singles Championship and went on to CIF. Cory remarked, "The Moore League Playoffs were a great challenge, and I'm glad I got to expereince the feeling of winning in them." Winning was not new to Cory though-she was ninth in California in 1981 and third in doubles in California in 1983. She would love to be a Wimbledon Champion and play professionally but is not sure that she wants to travel that much.

During tennis season, Cory practiced two and a half hours each day. On the weekends she practiced five or more hours a day. Cory competed in tournaments throughout the summer and thus got plenty of worthwhile experience.

Cory started playing tennis when she was seven years old. Since both of her parents played, they easily persuaded her to try it. Cory stated, "I'm glad I had a lot of friends and family to support me through my years of playing tennis!"

Send in the Clowns

Sophomores Jackie Hutchinson and Amy Packer had truely unique jobs. Both worked as clowns at parties, hospitals, and parades as volunteers, or, as Amy said, "Sometimes we got paid!"

Encouraged by her parents and sister who were also clowns, Jackie went to California Clown College. Jackie attended two years ago, and Amy went last summer.

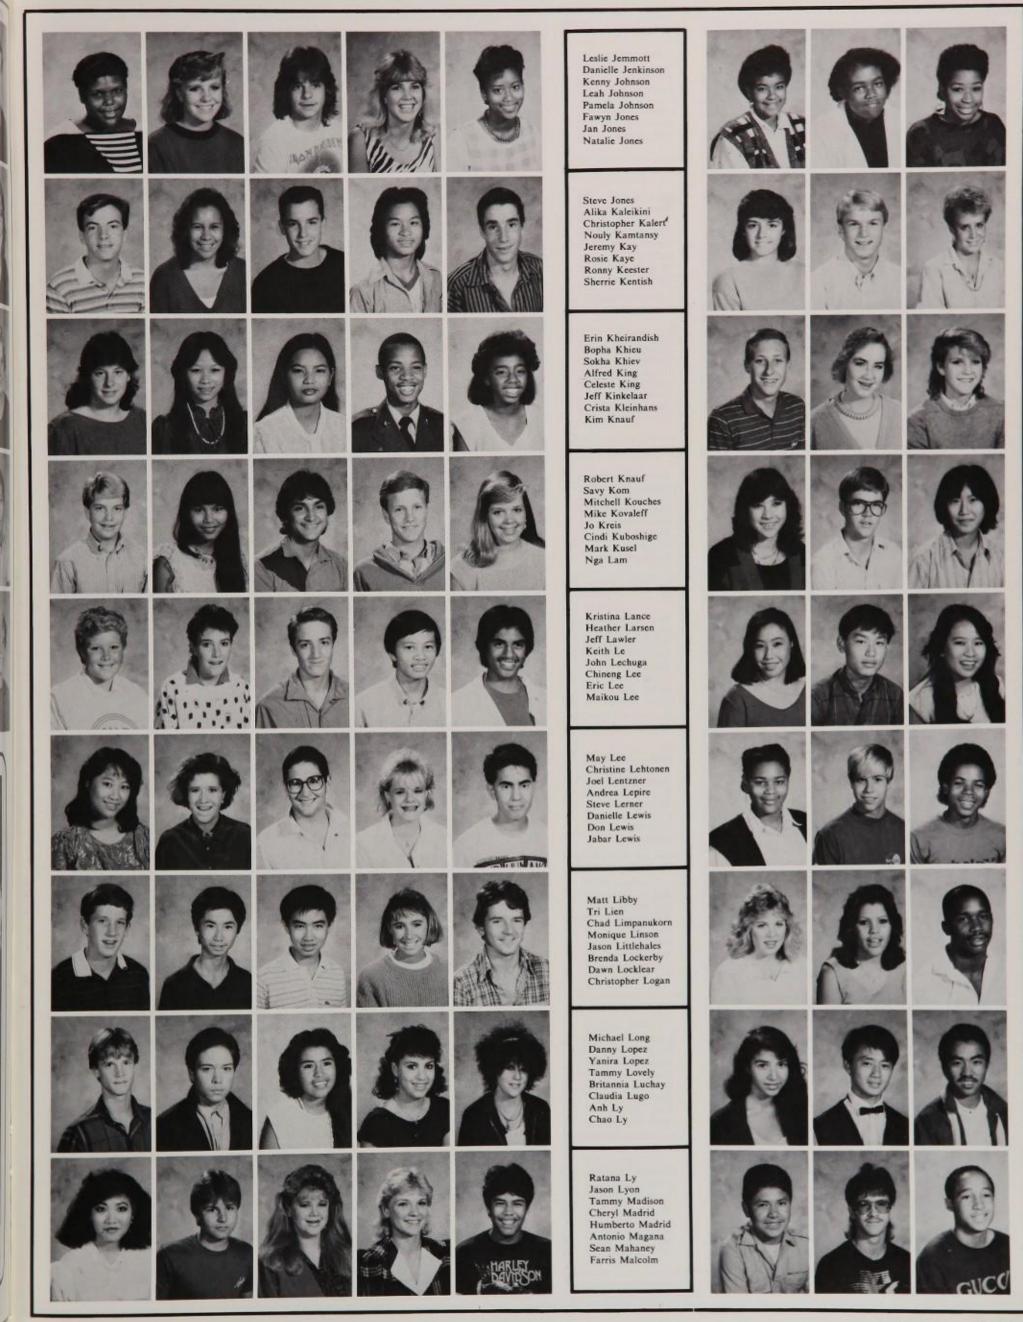

Each liked being a clown because, as they both shouted, "It's fun, different, and new!" Jackie added, "I like seeing the smiles on the children's faces when they see me. When I go to hospitals, I like to see them laughing and having fun."

Working whenever they had the opportunity, which was usually around the holidays, they planned to perform as clowns as years pass but wanted to do other things as well, as they grow up smiling!

Margaret Matera '86

FOR YOU!-Amy and Jackie try to convince a shy admirer to take a balloon.

COLA CONFUSION - Soft drink consumers often found it difficult to decide which Coke to buy.

Coke Causes Flavor Furor

In May of 1985, The Coca-Cola Company announced that its ninety-nine year-old formula for Coke was to be altered to fit the changing taste of the public. Soon the New Coke was available nationwide and the original had disappeared. Immediately an uproar came from fans of the Old Coke, who called the change "outrageous" and claimed that the new taste was too similar to Pepsi. The fans prevailed as Coca-Cola agreed to revive the old flavor under the name "Coke Classic," while keeping the new as the standard Coke.

Between the time that the original Coke was phased out and brought back, however, a curious thing happened. Coke's new taste became widely accepted. It appeared that the opposition had been based on a resistance to change rather than a dislike of the flavor. Junior Peter Giuliano seemed to share the popular feeling when he explained, "The new flavor seemed to be disgusting at first, but then I adapted to it. Now I think Coke Classic tastes weird." Many Americans must have felt the same — the new flavor outsold the old by a fifteen to one margin.

California Lets the Games Begin

A scratching sound ... more rubbing ... a scream of "I won!!!" This sequence of events became a familiar one to lottery players all around the state as the Lottery which California voters had asked for became a reality.

While most people had to settle for being excited about a two-dollar winner, a select few won more substantial prizes. Despite the odds against winning "big," over a billion tickets were printed and sold in the Lottery's first few months. Senior Amy Dale explained, "My parents buy a few tickets now and then hop-

ing to win, but not counting on it. They don't mind if they don't because the money goes to education." Indeed, thirty-four percent of the Lottery revenues go to state-sponsored education, making possible more recent books and facilities.

Mr. Edward Eveland, principal, commented, "We hope to see some direct benefits of the Lottery by early next year."

The same game that provided a glimmer of hope for wealth-seekers also began a line of good things which will provide a more sound future for students and citizens alike.

It has always been rare to find sophomores and freshmen on Varsity teams, yet Sophomore Blair Conroy proved that it could be done.

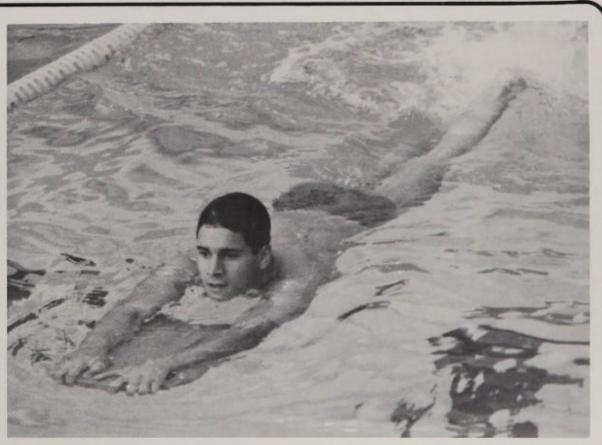

For the past two years, Blair had been a member of the Rams' Water Polo and Swimming teams, earning Varsity letters in both.

Born in Illinois, Blair had his first swimming lesson when he was five years old. When he was eight, he began swimming competitively on a team in his home state.

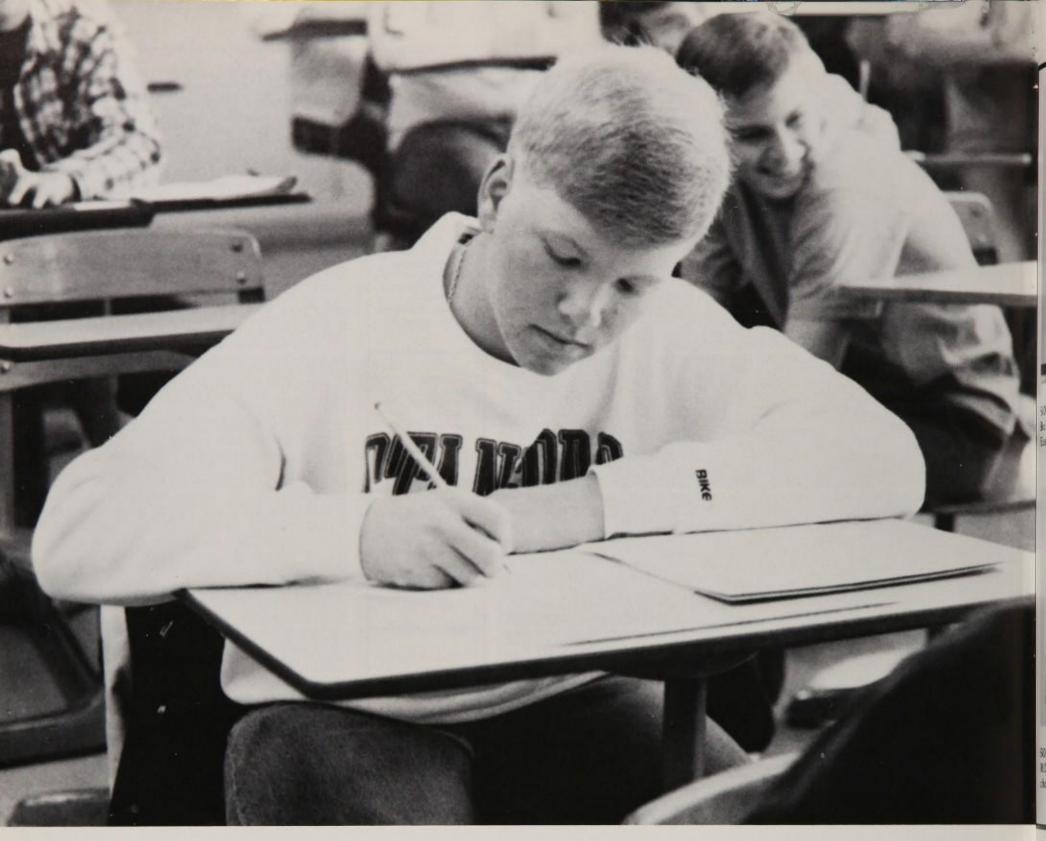

Along with having been an aspiring swimmer and player on the Varsity teams, Blair was affiliated with Beach Swim Club at Cal State Long Beach.

When asked to comment on his future goals, Blair replied, "I hope my swimming ability can help me get accepted at a respectable university. That's important to me!"

Lisa Spruill '87

Sophomores Run Out Of Time

Back in the Fall, the Sophomore Class Council began its contributions at Homecoming where they sold cotton candy. "We started slow, but we soon started to plan many other activities," commented Fall President Heather Nichols.

After a visit to the Long Beach Children's Hospital, the members of the Council felt the magic feeling that comes with helping those in need. "The smiles on the children's faces told us that we accomplished our goal!" exclaimed Fall Senator Heather Larsen.

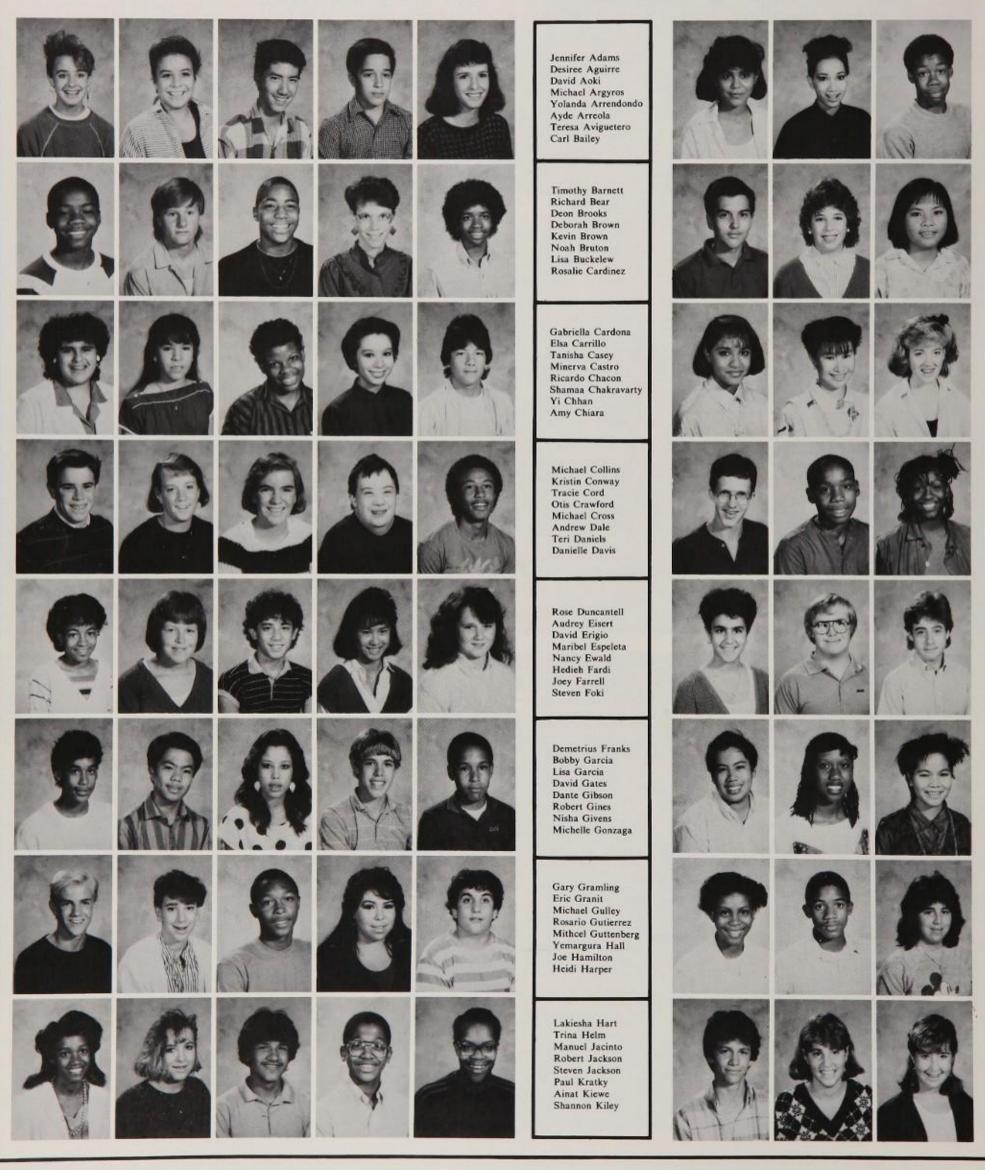

As the first semester came to a close, the Sophomores helped the Mr. Ram Pageant by calling establishments to get prizes for the candidates. Fall and Spring Vice-President Lisa Schmiechel stated, "Helping the Mr. Ram Pageant closed out a very busy semester for the Sophomore class."

As the second semester began, the Council, headed by Spring President Kim Hiatt, visited a convalescent home. Playing bingo and talking with the patients brought smiles upon their faces of everyone.

Finally, as Spring Week came along, the Sophomores sold Big Stick Popsicles that provided a relief from the scorching heat. "We didn't seem to have enough time to do all that we planned to do," commented Spring Senator Tara Barrett.

LATER, DUDE - says Sophomore Scott Starnes as he gets knocked off the pole by Steve Perry.

HELP ME — Freshman Andy Dale is thrown into pond by Seniors Matt Gott and Keith Ladd.

Frosh Phenom!

"What's happening?" screamed Freshman Andy John Dale as he was thrown into El Dorado Park's Duck Pond as part of a traditional initiation ritual for new runners on the cross country team. The only freshman on the team this year, Andy showed his running talent by receiving a medal in every invitational in which he ran. He also broke the Millikan Freshman Cross Country record. Mr. Rod Petkovic, his coach, said, "Andy has enough talent to become one of Millikan's best runners."

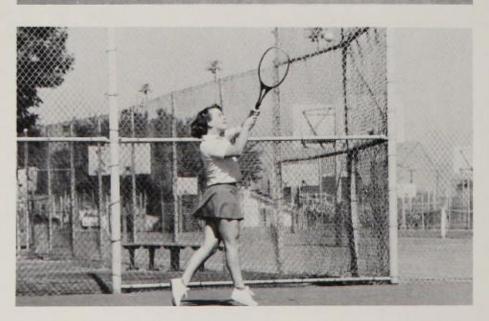

Andy started distance running at the Millikan team practices during the summer. He was soon running with all the varsity runners. Andy explained, "The experience of varsity level competition will help me in future years of running." Andy will be looked to for leadership in future years, according to his coach.

Rodger Keester '86

FRESHMEN SPORTS — Just a few of the Freshmen who played in sports are Andy Dale, Mike Collins, Kristin Conway, and Pearl Lawson.

ROW: Dung Vu, Daisy Pablo, Stella Lucero. ena Ramirez, Kristin Conway.

FRESHMEN CLASS COUNCIL - FRONT BACK ROW: Debbie Brown, Ainat Kiewe, Lor-

FAR LEFT: EATING TOGETHER - Senior Amy Dale eats lunch with her brother Andy Dale and their friend Lorena Ramirez. LEFT: STARTING OUT EAR-LY - Lori Powell looks at the college information rack to start preparing for college early. LEFT BELOW: PLEASE HELP - Stella Lucero asks for help in the office.

Freshmen Find Their Place

"Why is the Freshman Class so small?" Many Rams pondered that question since the Freshman Program was initiated over six years ago. Freshmen come from only one small elementary school called Newcomb. This is the reason that the Freshman Class remains relatively small.

Commenting on her chance to take part in the Freshman Program, Lori Powell said, "Millikan is a lot of fun, but I was scared at first because it is so

Still, freshman established their "spot" as Rams in various ways. Freshman Class Fall President, Eric Grannit was voted into office early in the year along with the other Student Council officers. He helped to run the council, providing an underclassman point of view in the decision-making process.

Other freshman established themselves in various Ram sports, such as tennis, water polo, and cross country. Tennis player Kristin Conway said, "I'm glad I came to Millikan because it let me become an established member of a high school tennis team a year earlier than most people."

Other freshman athletes, such as Andy John Dale, found their niche in cross country. Andy said, "Coming here gave me some great chances. I met some fantastic people that I wouldn't have known if I had come here a year later."

Overall, the Freshman Class helped to establish a broader base for Ram academic and sports program.

The Magic Of Memories

Oh, what emotions our memories send As our years at Millikan come to an end. When we arrived in September, 1983, The seniors were the objects of all our envy.

They were the leaders; they ran the show. We were just sophomores, far below. But how quickly the time seemed to pass, How quickly we returned as the senior class.

We were the starters in the varsity game, We were the ones who put Poly to shame. We were the cheerleaders rooting them on, We were the stars of *Grease*, leading the songs.

We prepared ourselves for the SAT, And filled out applications so meticulously, Then waited for months filled with anxiety, Hoping for acceptance to our chosen university.

Memorial Day was upon us so fast, Football and basketball seemed far in the past.

Our promotional dance was almost here And graduation loomed uncomfortably near.

We flocked to the beach to get a summer

Talked with our friends, and walked on the

Laughed about Big Bear back in December, And recalled the times we shared together.

We remembered Naugles late at night, And "decorative iron"- What a sight! Filling out cards for KIIS — FM, Going to Palm Springs with close friends.

Soon, as seniors we will be replaced, And now our futures must be faced. But no matter where we are placed, Our memories may always be embraced.

Kristin Burns '86

FAR ABOVE: "WELL ... YOU COULD TAKE THIS," contemplates senior Mike Duree as he aides his younger sister Kristin in determining a schedule for her junior year. FAR ABOVE RIGHT: FISH OUT OF WATER - On a warm, sunny afternoon in early June, seniors Tim Collins and Chris Krueger spend some time relaxing in a neighbor's pool. "You'd better catch this!" shouts Tim as he tosses the ball to Chris and remembers the times they shared while playing on the Varsity Waterpolo Team. ABOVE RIGHT: JUST KIDDING AROUND seniors Michele Massey, Kristin Burns, Kathy Krull, Pam Mulligan, and Teri Kirkwood jokingly play on a swingset in Seal Beach in late June. The seniors laughingly reminisced about the past few years, but realized they would soon be facing the seriousness of graduation and college. RIGHT: "WANNA TRY MINE?" - questions Teri Kirkwood as she shares her ice cream cone with Kathy Krull, while Pam Mulligan looks on with a smile.

— Karen Rutten and Jane Shea look back on their years together. ABOVE: HERE, BIRDY calls Kathy Krull as Kristin Burns looks on.

Work And Play In The Summer

After all the texts were studied, lessons learned, tests taken, and final grades given, Rams looked up to see something which seemed to have been missing for many months — the Sun. This was the first indication that those special three months known as summer vacation had arrived. For some this meant work; for others, play.

As usual, the beach was the main attraction of the summer. While some soaked up the sun, others took to the water to surf and swim. Senior Steve Kumashiro commented, "I can't wait to get my board out and hit the waves."

Besides swimming and surfing, there were many other types of recreation available. Chris Krueger and Steve Kundar tuned-up their raquetball and basketball skills at the Lakewood YMCA. Said Chris, "I enjoy raquetball; it's a fast-moving and exciting sport."

The summer also provided an opportunity to make money and gain work experience. While some students found the usual jobs at fast-food establishments and various stores, others went for a unique experience. Mike Abeles was lucky enough to obtain a job at Disneyland. Mike said, "I enjoy the atmosphere I work in, and besides, I can get tickets cheaper."

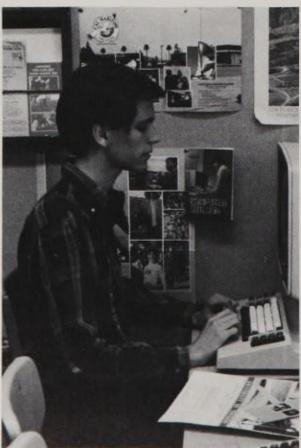

Making final plans for college attendance and making the necessary preparations for it were also among the summertime activities. "There is so much to do to get ready for college, I need the three months the summer offers," stated Senior Kelvin Gobble.

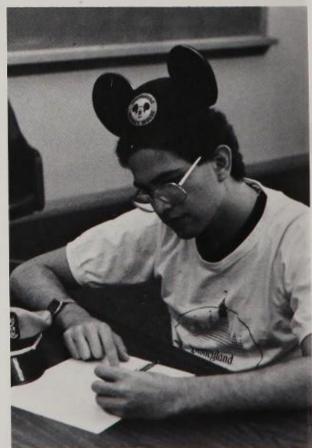

Vacationing was another popular summertime activity. Many students packed their bags and headed off to places far and near. Senior Nancy Vamvakitis said, "I've really been looking forward to the senior grad trip to Hawaii. It'll be a highlight to celebrate graduation and wind up years of hard work."

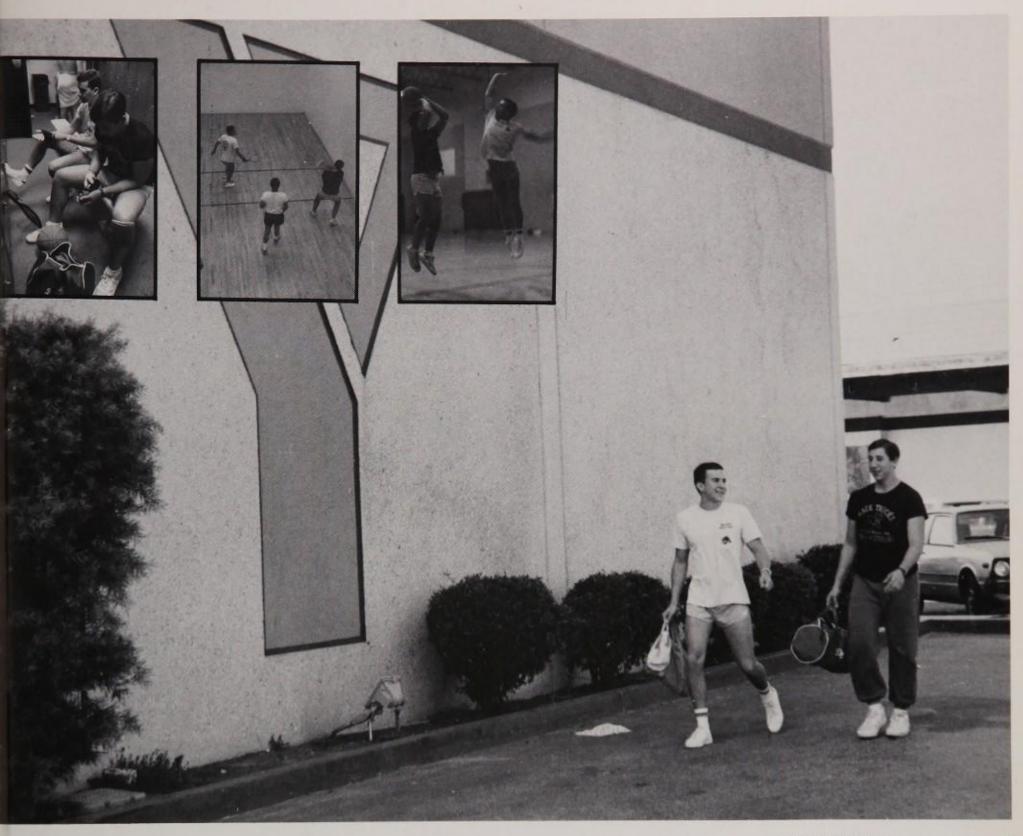

ABOVE: HOW'S THIS LOOK? — Senior Tracy Smith asks Nancy Vamvakitis, as they look for the perfect swimsuit for the upcoming grad trip to Hawaii. RIGHT: COMPUTER OUTLOOK — Senior Kelvin Gobble looks for prospective colleges on the CVIS program. FAR RIGHT: A MICKEY MOUSE JOB — Senior Mike Abeles fills out his work schedule for his upcoming job at Disneyland this summer.

LEFT: COMMITTED! — Senior Rob Durazzo flies down Gravy Chute in perfect form on a beautiful day in March. Huge winter storms produced excellent skiing conditions, driving Millikan students to Feel the Magic Sparkle at Mammoth Mountain all season long. (Photo taken by Mr. Bob Durazzo) COVER: INTO THE OCEAN - Long Beach sparkles as many go to enjoy the beach for a form of recreation. The city continued to grow as an economic metropolis when new hotels and promotions sprang up everywhere. The Grand Prix and Long Beach Marathon continued to attract national attention to our growing

city. (Photo taken by Matthew Sloan) FRONT AND BACK ENDSHEETS: CAUGHT IN THE GLOW - The Queen Mary and Spruce Goose glow on a beautiful night in May. The two attractions brought many tourists to the Port of Long Beach. (Photo courtesy of Wrather Port Properties, Inc.) TABLE OF CONTENTS, PAGE 2 — FROM TOP TO BOTTOM: CUTE AS CAN BE - During the Wilson basketball rally, J. V. cheerleader Beth Mort flashes an adorable smile. AGAINST THE WIND - Varsity Track member Maurey Williams pulls ahead of the pack with a sudden burst of speed to win the two-mile race in a meet against Jordan. THAT'S 290, NOT 90!! - exclaims Advance Placement English teacher Mr. Caswell as he informs his secondperiod class they must have a A Passage To India completed by the end of the week. TO SLAVE OR NOT TO SLAVE — Senior Keywanette members Kristin Burns and Michele Massey cut out buttons for their booth during Spring Week while discussing Key Club's evil plot to steal their banner. WHAT SHOULD I DO? — questions Junior Susan Dixon to Josette Medina as she tries to decide whether to try out for Song or Varsity Cheer.

A very special thank you to Mr. Charles Hammond who donated his valuable time typesetting and preparing artwork for the produc-

Colophon

Aries is printed on 100-pound, double-coated enamel glossy stock.

All type is set in Times Roman except graduate portraits which are 14 pt. Lydian Cursive.

The following type sizes are used: Regular and Featurette Copy — 10 pt.; Captions and Folio Indent — 8 pt.; Regular Headlines — 30 pt.; Featurette Headlines — 18 pt.; page numbers — 24 pt. Times Roman was also used in the Academic and Organization sections.

The cover is silk-screened with a four color photo of Long Beach Harbor. The endsheets are a four-color photo of the Queen Mary and Spruce Goose Dome in Long Beach Harbor. All lettering was submitted as artwork.

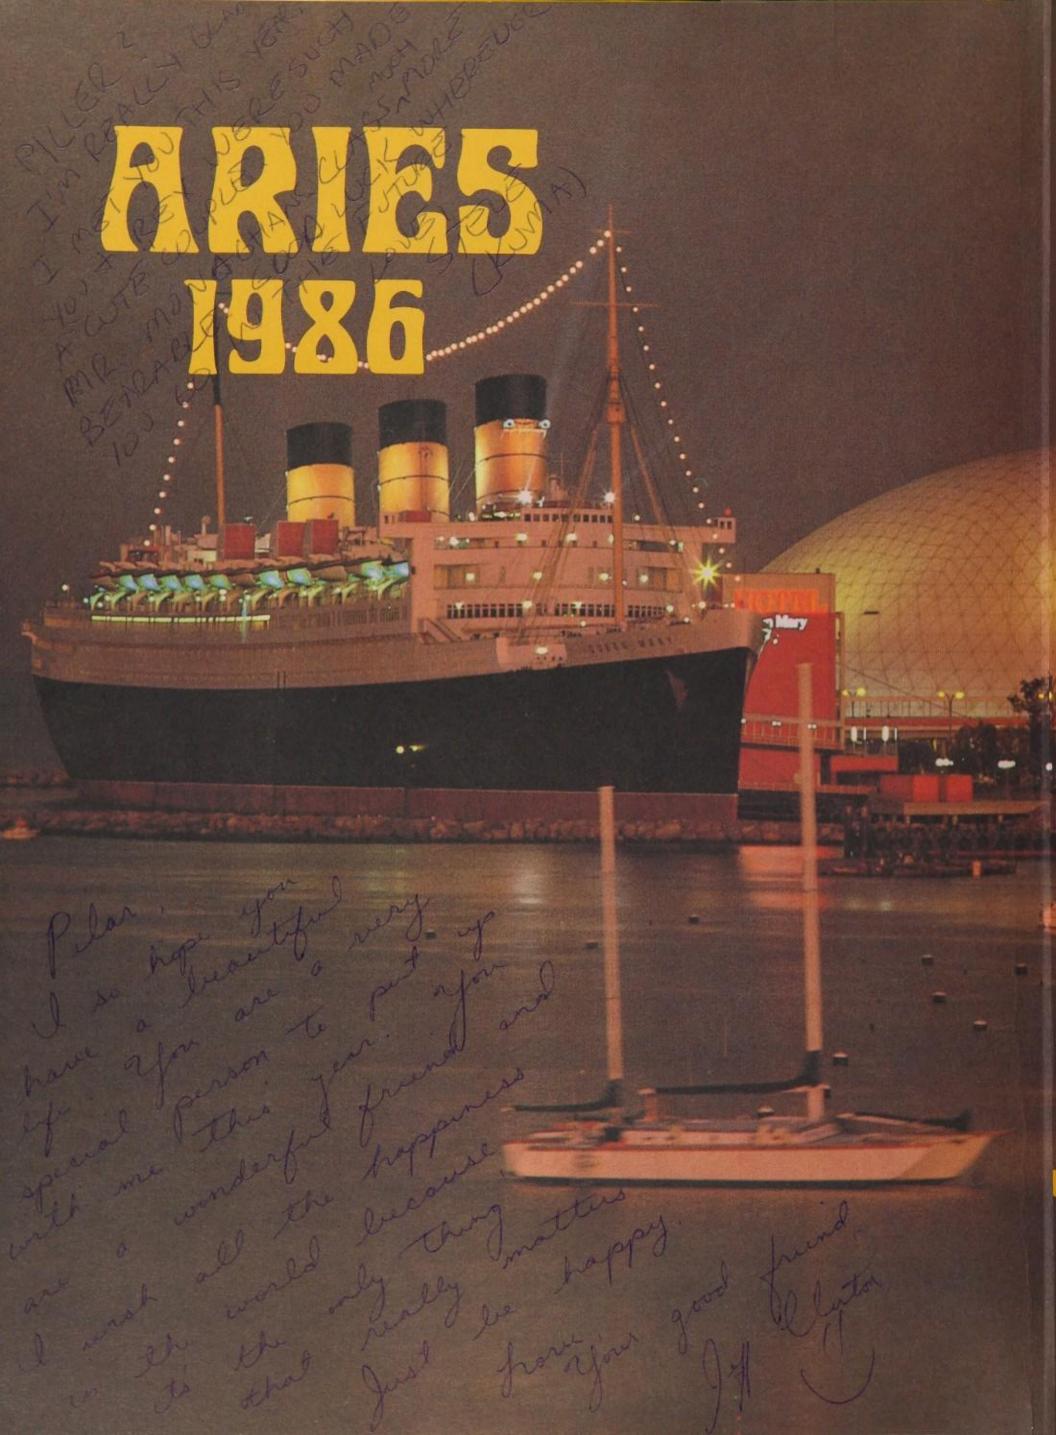

The division pages have a Tempo color #123 gold background and #285 medium blue overprint.

Individual portraits and group photos were taken by Morris Studio. 1500 copies of the book were printed at the Visalia, California, plant of Jostens Publishing Company.

Hi Pilan! survived modulyte, the Logere. This is it! you actually the anjoyed accolated Logeress (actually the hope you the best of luck this summer, next year of three long and strange years we were imprisoned in this place and now in your entire life. (You deserve it) were free! Thanks Il guess were thally has from (1744) alot for being such a great friend. Knowing you has really made these Don't forget to live it lip. three years a lot more Dood luck! Lots of by fun. Good luck in do. and I'll see you Susan Kadig this summer and later on (Don't forget x-mes caroling.) Love always, Jan Costa GOD WE'RE FINALY OUT. De Roll 30th 20 tock? TOO THE CLASS TO HAVE THAT 38, propo omnos Sint range of the most such that I have such that I have such the same of the such that I have such that I have such that I have a such that I have such that I Good WENT IT ON TO MAKE CHEK TOO TO . together these past three years. And parties ... the I DEN IT.
